

Rotary Club of Wells

The Rotary Club of Wells was chartered on January 17, 1986 and was sponsored by the Rotary Club of Ogunquit Maine. As a community-based nonprofit focused on humanitarianism within our community, we often partner with other community organizations to help make a positive impact.

Community projects which we have supported

- ✓ the refurbishment of the Wells Activity Center, construction of the Wells Harbor Park Pavilion,
- ✓ Construction of the new Wells High School Concession Stand,
- ✓ Construction of the Wells Park and Recreation Pavilion.
- ✓ We also spearheaded the effort to install a beautiful (15') 4 sided clock near the town center, adjacent to the firehouse on Route 1

Fundraising is also a part of our club mission with all proceeds dedicated to meet the critical needs of our community. Proceeds have benefits scholarships, local food pantries to name a few. Some of those have included:

- ✓ The sale of onion bulbs
- ✓ Annual Golf Classic
- ✓ Mystery Dinner
- ✓ Miniature Golf

Service projects are not only a benefit for the community but also a great way to enjoy fellowship with fellow Rotarians and members of the community. These are not typically fundraisers but rather projects where we donate our time to help make a difference. Some examples of those include:

- ✓ Community reading at Wells public Schools.
- ✓ Monthly volunteering at "Soups on" food pantry
- ✓ Christmas Caroling at Stephen Eaton Apartments
- ✓ Red Cross Blood drives

Currently our club meets the first and third Monday of the month for breakfast and we start each meeting with the Pledge of Allegiance and a prayer followed by breakfast, meeting updates and a speaker. For more information, please contact Rick Coyne at
