You could incorporate the RHH project with the 'People of Action' graphic files to show your community the amazing work done by all Rotary clubs worldwide. e.g 'People of Action - Rotary Has Heart'.

We look forward to seeing the innovative ways that your club promotes the Rotary Has Heart Hunger Project.

Valentine's Day 2019

On or around Valentine's Day 2019, all clubs in our Zone 34 are being asked to engage in a hunger project and 'Rise Against Hunger'. Each club may decide for itself how it wants to participate. It could be something as simple as donating money to an established hunger program, to organizing a full-fledged meal event as a club service project. This is first and foremost an effort to put food on an empty plate, to fill an empty stomach, to bring a ray of hope to the hungry. It is also a chance for us to show thousands of communities throughout our Zone what Rotarians can do when we are Inspired to Rise Against Hunger

**A project for all Clubs
in Rotary Zone 34**
