PREFACE

Rotary Code of Policies

HISTORY AND PURPOSE

This volume constitutes the first known codification of the general and permanent policies of Rotary International. The decisions of the RI Board, the RI Conventions, and the RI Councils on Legislation in establishing such policies have been collected and compiled since 1910, but without any systematic arrangement. Thousands of decisions were reviewed in preparing this Code, and many were found to be duplicative or outdated. However, several hundred were found to still be in effect, and they are set forth in the Code.

The purpose of the Code is to place all general and permanent policies of the RI Board, the RI Conventions, and the RI Councils on Legislation, which are currently in effect, into an integrated and comprehensive volume with the topics arranged in logical order and with consistent language. The existence of such a code will make it easier for members of the Board, and those charged with the responsibility to administer the policies, to be familiar with all general and permanent policies currently in force, regardless of the dates of their adoption. This inaugural Code of Policies is expected to provide an important source of information for Rotary leaders.

INITIAL STEP

This first version of the Code is limited to a compilation of general and permanent policies currently in effect. It is recognized that some areas still need the development of policies and that some of the policies shown in the Code need restatement. Therefore, it is contemplated that the various chapters will be revised and supplemented, as time permits, in order to perfect and refine the Code as a comprehensive document. It is hoped that at least one of chapters can be revised and supplemented each year for the next several years until the Code is improved to the point of optimum usefulness. The goal is to make the Code a practical and helpful document, which will serve as a model for Rotary clubs and districts.

ARRANGEMENT

Each chapter in the Code is intended to represent a separate subject, and each article is intended to represent a separate topic, as indicated by the titles. The chapters are numbered consecutively and are arranged in logical order for easy reference. A listing of the articles within the chapters is shown at the beginning of each chapter, and a listing of the sections within the articles is shown at the beginning of each article. If new articles become necessary between the issuance of revised editions of the Code, then such articles may be inserted in the appropriate location with an "A" following the number of the new article. For example, "Article 2A" may be added between Article 2 and Article 3. Space also has been left at the end of each chapter for additional articles as needed. For example, Chapter II ends with Article 12 and Chapter III begins with Article 16.

NUMBERING

The Code utilizes the numbering system used in the RI Bylaws, and the sections are numbered progressively with Arabic numerals. A progressive rather than consecutive system is used in order to provide space for the insertion of additional sections within the articles to accommodate new policies in the future. Generally, the sections are numbered progressively by tens. For example, in Article 5 the first three sections are numbered 5.010, 5.020, and 5.030. New sections, as necessary, may be inserted between existing sections without changing any of the current numbers. For example, a new section between 5.010 and 5.020 could be 5.015 or any other number between 5.010 and 5.020, which illustrates the flexibility in the general numbering system.

Each section number also carries the number of the article in which it is found. The article number and the section number are separated by a decimal point. When it is recognized that the number to the left of the decimal point is the article number, and the number to the right of the decimal point is the section number within that article, the system is easily comprehended and utilized. For example, Section 7.050 means Section 50 in Article 7.

ANNOTATIONS

Annotations for development of the various sections of the Code are shown at the end of the sections. Initially, all of the sections will show an adoption date of June, 1998, which will be noted as "June 1998 Mtg., Bd. Dec. 348." As the policies are amended, the sections will show

the dates and decision numbers of the applicable amendments. For example, if a section is amended by Board Decision 123 on October 30, 2001, the following notation will appear at the end of the amended section: “Oct. 2001 Mtg., Bd. Dec. 123.”

The “Source” notes at the end of the sections also show the historical development of the policies prior to adoption of the Code. “Cross reference” notes also are shown at the end of some of the sections to refer the reader to other sections of the Code for related topics. “Exhibit” notes also appear at the end of some sections to call attention to related documents in the exhibits portion of the Code.

INDEX

An index for the Code follows the last chapter. Index entries are arranged in alphabetical sequence and have been made as concise as possible to enable rapid scanning of the index.

AMENDMENTS AND NEW POLICIES

The RI Board will adopt new policies and amend existing policies in its regular course of business. In the case of amendments, the sections of the Code being amended will be referenced in the actions of the Board. In the case of new policies, the placement of the new policies in the Code will be referenced in the actions of the Board.

ANNUAL SUPPLEMENTS

Annual supplements will be prepared and distributed to show the changes in the Code through the close of the last fiscal year. The supplements will be cumulative for the period of time from the adoption of the Code, or its latest edition, to the end of the applicable fiscal year. Making the annual supplements cumulative in nature means that each copy of the Code will need to contain only the latest supplement in order to be current. The annual supplements may be organized for placement either as one insertion at the front or back of the Code or as separate insertions at the end of the various articles of the Code.

REVISED EDITIONS

The Code will need to be revised periodically in order to incorporate the amendments and additions into the body of the Code itself rather than relying upon the cumulative annual supplements for a period of many years. It is expected that the Code will be revised after each meeting of the Council on Legislation.

ACKNOWLEDGMENTS

The Code has been prepared by members of the RI staff and the Codification Committee over a period of two years without the expense of consultants or contractors, except for some initial work by an outside company in the late 1980's when the Code was first proposed.

1.010. Purpose

The purpose of this *Rotary Code of Policies* is to establish a comprehensive document containing all of the general and permanent policies of Rotary International. All policies of a general and permanent nature adopted by the RI Board or the RI Council on Legislation after the effective date of this *Rotary Code of Policies* will be added to the Code in order for it to remain a single collection of such policies. (*June 1998 Mtg., Bd. Dec. 348*)

1.020. Citation

The policies contained in this *Rotary Code of Policies* shall constitute and be designated the *Rotary Code of Policies* and may be so cited. Such policies may also be cited simply as the "Code of Policies" or the "Code." Revised editions, as prepared and authenticated from time to time in accordance with this article, shall be designated by listing the year of the revision and adding the word "revised" to the title. For example, a revised edition of the Code in 2002 would be designated as the "2002 Revised Code of Rotary Policies." Such a revised edition also may be cited simply as the "2002 Revised Code" or the "2002 Code." (*June 1998 Mtg., Bd. Dec. 348*)

1.030. Rules of Construction

All general provisions, terms, phrases and expressions contained in this Code are to be construed in a manner that allows for the implementation of policies. Words and phrases are to be taken in their plain or usual sense, but technical words and phrases having a particular or appropriate meaning in law or in the constitutional documents are to be understood according to their technical import. As used in this Code, the words "shall," "is," and "are" are mandatory, and the words "may" and "should" are permissive. (*June 1998 Mtg., Bd. Dec. 348*)

1.050. Relationship to the Constitutional Documents

This Code is supplemental to the constitutional documents and should be construed in harmony with them. In the event of a conflict between the provisions of the constitutional documents and the provisions of this Code, the constitutional documents take precedence and thereby modify the conflicting provisions of the Code. (*June 1998 Mtg., Bd. Dec. 348*)

1.060. Severability

The chapters, articles, sections, and subsections of this Code are severable. If any chapter, article, section, or subsection of this Code is declared invalid by the judgment of any court or other agency of competent jurisdiction, such invalidity shall not affect any of the remaining chapters, articles, sections, or subsections of this Code. If any part of this Code is declared invalid by any court or agency of competent jurisdiction, it shall be invalid only within the jurisdiction of such court or agency. (*June 1998 Mtg., Bd. Dec. 348*)

1.070. Repeal of Policies

When an action repealing a former policy is itself repealed or rescinded, such repeal or rescission shall not be construed to revive the former policy, unless such policy is expressly reinstated. (*June 1998 Mtg., Bd. Dec. 348*)

1.080. Implementation of Policies

Unless noted to the contrary in a particular provision, the general secretary shall have both the duty and the authority to implement the policies set forth in this Code. For that purpose, the general secretary may prepare and approve policies, procedures, guidelines, rules, schedules and other documents to implement the policies. The general secretary also may delegate authority for the implementation of various policies to one or more members of the staff, either by name or title. (*June 1998 Mtg., Bd. Dec. 348*)

Amendments to the Code also may be made by the Board, in accordance with the constitutional documents for actions by the Board. Amendments made by a Council on Legislation shall become effective on 1 July following the action, subject to the limitations of the constitutional documents. All other amendments shall become effective upon their adoption by the Board, unless a later date is specified in such action. When appropriate, the Board will delay the effective date of amendments to the Code in order to provide adequate notice of the changes or additions to the policies.

When amending this Code, the Board shall endeavor to specify the chapter, article, section, or subsection being amended or to designate the place in the Code for the new policies to be inserted. Failure to make such references shall not affect the validity of actions by the Board to adopt new or different policies. The general secretary has the duty and authority to make technical corrections in the amendments adopted by the Board and to incorporate such corrections into the Code. Such corrections, if any, shall be reported to the Board at its next meeting. (*June 1998 Mtg., Bd. Dec. 348; February 2000 Mtg., Bd. Dec. 275; August 2000 Mtg., Bd. Dec. 42; September 2016 Mtg., Bd. Such cumulative supplements shall contain all amendments to the Code, and all other changes or additions of general and permanent policies, since the Code's adoption or its last revision. (*June 1998 Mtg., Bd. Dec. 348*)

1.110. Revised Editions

Revised editions of this Code shall be prepared by the general secretary from time-to-time, but not less than once every four years. Revised editions shall merge the Code (or the latest revised edition), the latest cumulative annual supplement and any subsequent amendments of the Code, and all other changes or additions of general and permanent policies, into a single integrated document. Revised editions of the Code will bear the year of publication as part of the title, such as the 2001 Revised Code of Rotary Policies. Revised editions, when duly prepared and authenticated, will replace earlier editions of the Code. When a revised edition of the Code is prepared and authenticated, the revised edition shall be presented to the Board at a regular meeting, and its receipt shall be noted in the minutes.

The new edition of the Code will become effective at the time of such presentation to the Board with the proviso that any policies inadvertently omitted or altered in their transfer from the previous edition of the Code to the new edition will remain effective as stated in the earlier edition for six-months. During the six-month period after its presentation to the Board, the new edition may be corrected by the general secretary to reflect accurately the transfer of policies from the previous edition, and such corrections shall be reported to the Board at its next meeting. After the expiration of the six month period, the new edition will become as fully effective as if adopted in toto by the Board, and the text of the policies in such revised edition may not be changed thereafter except by action of the Board. 2.010. Membership of Clubs in RI

RI is an association of member Rotary clubs, each of which has a direct relationship and common responsibility to the association with no national or other grouping of clubs intervening in the administration and functioning of the clubs as members of RI. Every member club of RI is expected to comply with the provisions of the constitutional documents which provide for the organizational structure and functioning of the club. (*June 1998 Mtg., Bd. Dec. 348*)

2.010.1. Failure to Function

In accordance with the RI Bylaws, the RI Board is responsible for ensuring that all member clubs of the association are functioning, and defines a functioning club as

1. Having paid its per capita dues to Rotary International

2. Meeting regularly consistent with RI constitutional documents
3. Ensuring that its members subscribe to *The Rotarian* magazine or a licensed regional magazine.
4. Implementing service projects that address needs in the local community and/or in communities in other countries

7. Acting in a manner consistent with the RI constitution, bylaws, and the *Rotary Code of Policies*
8. Paying its RI membership and district dues without outside assistance
9. Providing accurate membership lists on a timely basis to the general secretary. At a minimum, clubs must report their membership changes to the general secretary so they are received by 1 July and 1 January.
10. Resolving club disputes in an amicable manner
11. Maintaining cooperative relations with the district
12. Cooperating with RI by not initiating or maintaining, or retaining in its membership an individual who initiates or maintains, litigation against Rotary International or The Rotary Foundation, including their directors, trustees, officers, and employees, prior to exhausting all remedies provided for in RI's constitutional documents
13. Following and completing the election review process established in the RI bylaws

Each governor shall identify which clubs in the district are failing to function according to the above criteria. Rotary senior leaders are also encouraged to report any observations that suggest that a club has failed to function. (*January 2019 Mtg., Bd. Dec. 80*)

2.010.2. Plan For Achieving Minimum Standards In All Rotary Clubs

1. Creating Opportunities for Clubs to Become Functioning

The governor will make appropriate arrangements to strengthen clubs identified as weak so they are able to fulfill the minimum standards established by the Board.

2. Addressing Clubs That Are Not Functioning

If a club elects not to participate in the strengthening opportunities offered by the district governor, the governor will work with the club to identify an appropriate course of action from the following options:

- a) Resignation – After careful consideration, in consultation with the governor, the club members agree to resign the membership of their club in accordance with club resignation board policy. The governor will provide the names of interested Rotarians to nearby clubs.
- b) Merger – In consultation with the governor, the club and all of its members will consolidate with a nearby club. Neighboring clubs with fewer than 20 members are encouraged to merge.
- c) Termination – The governor notifies the general secretary that a club is not able to meet the minimum standards for a functioning club. The general secretary notifies the club of the governor’s recommendation and asks for its response within a reasonable timeframe. If the club doesn’t respond or if the club’s response indicates that minimum standards cannot be achieved, the club is terminated for failure to function. (*October 2013 Mtg., Bd. Dec. 31*)

2.010.3. Resignation of Rotary Clubs

In accordance with RI Bylaws section 3.010., Club Resignation from RI, a club wishing to resign its membership in the association may follow these general guidelines:

With advance notice, convene a meeting of the entire membership and vote to decide if the club should resign its membership in Rotary International.

If a majority of the members present votes to resign the club’s membership, the club’s president and secretary should send a written communication to the district governor and the general secretary summarizing the club’s vote and indicating the final date that the club will operate.

Care should be taken to follow all applicable local laws and stewardship requirements regarding the termination of a non-profit organization.

If the club has incorporated itself, and/or if it has incorporated an activity of the club, applicable laws and the articles of incorporation should be followed, especially concerning the disposition of assets.

The district should assist remaining members in locating other Rotary clubs if they express a desire to continue their Rotary membership. (*October 2013 Mtg., Bd. Dec. 31*)

2.120.1. Statement of Conduct for Working with Youth

Rotary International strives to create and maintain a safe environment for all youth who participate in Rotary activities. To the best of their ability, Rotarians, Rotarians' spouse, and partners, and other volunteers must safeguard the children and young people they come into contact with and protect them from physical, sexual, and emotional abuse. 2.120.2. Sexual Abuse and Harassment Prevention

All Rotarians, clubs and districts should follow the statement of conduct for working with youth and RI guidelines for abuse and harassment prevention established by the general secretary. The guidelines include the following requirements:

1. RI has a zero-tolerance policy against abuse and harassment.
2. An independent and thorough investigation must be made into any claims of sexual abuse or harassment.
3. Any adult involved in a Rotary youth program against whom an allegation of sexual abuse or harassment is made must be removed from all contact with youth until the matter is resolved.
4. Any allegation of abuse must be immediately reported to the appropriate law enforcement agency, in accordance with RI's zero-tolerance policy.

5. All allegations of abuse or harassment shall be reported by the district to RI within 72 hours of the time a district officer learns of the incident. Districts must identify a person within the district who will be responsible for reporting to RI.
6. A club must terminate the membership of any Rotarian who admits to, is convicted of or is otherwise found to have engaged in sexual abuse or harassment. A non-Rotarian who admits to, is convicted of, or is otherwise found to have engaged in sexual abuse or harassment must be prohibited from working with youth in a Rotary context. A club may not grant membership to a person who is known to have engaged in sexual abuse or harassment. (Upon obtaining information that a club has knowingly failed to terminate the membership of such a Rotarian, the RI Board will take steps to have the Rotarian's membership terminated, including action to terminate the club's charter for failure to comply).
7. If an investigation into a claim of sexual abuse or harassment is inconclusive, then, for the safety of youth participants and the protection of the accused, additional safeguards must be put in place to assure the protection of any youth with whom the individual may have future contact. If there are subsequent claims of sexual abuse or harassment, the adult shall be permanently prohibited from working with youth in a Rotary context. Regardless of criminal or civil guilt, the continued presence of the adult could be detrimental to the reputation of the organization and could be harmful to youth. It can also benefit the adult in preventing additional accusations from other youth. A person who is accused but later cleared of charges, may apply to be reinstated to participate in youth programs. Reinstatement is not a right, and no guarantee is made that he or she will be reinstated to his or her former position. (*September 2016 Mtg., Bd. Dec. 57*)

With the exception of travel and tours operated by or on behalf of host districts, Youth Exchange travel is subject to the policies outlined in Rotary Code of Policies 41.070.12.

The governor has the responsibility for the supervision and control of all programs and activities organized within the district that involve minors traveling outside their local community or involve overnight stays.

Clubs and districts:

1. shall obtain written permission from the parents or guardians of all youth participants for travel outside the local community or involve overnight stays in advance;
2. shall provide parents or legal guardians with specific details about the program, location of event, travel itineraries, sleeping accommodations, and contact information for program organizers before departure;

8.030. Basic Principles of Vocational Service

8.030.1. Statement on Vocational Service

Vocational Service is the manner in which Rotary fosters and supports the application of the ideal of service in the pursuit of all vocations.

The second Object of Rotary is the basis for vocational service, specifically, encouraging and fostering:

- high ethical standards in business and professions;
- the recognition of the worthiness of all useful occupations;
- the dignifying of each Rotarian's occupation as an opportunity to serve society.

Inherent in the vocational service ideals expressed above are:

- 1) Faithfulness and fidelity to employers, employees and associates, fair treatment of them and of competitors, the public, and all those with whom one has any business or professional relationships;
- 2) The contribution of one's vocational talents to the problems and needs of society.

Vocational service is both the responsibility of a club and of its members. The role of the club is to implement and encourage the objective by frequent demonstration, by application to its own actions, by example and by development of projects that help members contribute their vocational talents. The role of the members is to conduct themselves, their businesses, and their professions in accordance with Rotary principles and to respond to projects which the club has developed. *(January 2014 Mtg., Bd. Dec. 88)*

8.030.2. Rotarian Code of Conduct

The following code of conduct has been adopted for the use of Rotarians:

As a Rotarian, I will

- 1) Act with integrity and high ethical standards in my personal and professional life
- 2) Deal fairly with others and treat them and their occupations with respect
- 3) Use my professional skills through Rotary to: mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
- 4) Avoid behavior that reflects adversely on Rotary or other Rotarians
- 5) Help maintain a harassment-free environment in Rotary meetings, events, and activities, report any suspected harassment, and help ensure non-retaliation to those individuals that report harassment. (*January 2019 Mtg., Bd. Dec. 119*)

8.030.3. Key Messages on Vocational Service

Rotarians, clubs, and districts should implement the following strategies in their support of Vocational Service:

- Strengthen the emphasis on vocation and classification in new member recruitment and induction
- Identify means of emphasizing vocation in club activities
- Create a stronger emphasis on business networking with integrity in Rotary at the club and district level
- Focus more attention on business networking with integrity as a means of attracting and mentoring the new generation

8.040. Basic Principles of Community Service

8.040.1. 1923 Statement on Community Service

Community Service is to encourage and foster the application of the ideal of service in each Rotarian's personal, business and community life.

In carrying out this application of the ideal of service, many clubs have developed various Community Service activities as affording opportunities for service by their members. For the guidance of Rotarians and Rotary clubs and to formulate a policy for Rotary toward Community Service activities, the following principles are recognized and accepted as sound and controlling:

1) Fundamentally, Rotary is a philosophy of life that undertakes to reconcile the ever present conflict between the desire to profit for one's self and the duty and consequent impulse to serve others. This philosophy is the philosophy of service - "Service Above Self" - and is based on the practical ethical principle that "One profits most who serves best."

2) Primarily, a Rotary club is a group of representative business and professional people and community leaders who have accepted the Rotary philosophy of service and are seeking:

First, to study collectively the theory of service as the true basis of success and happiness in business and in life; and second, to give, collectively, practical demonstrations of it to themselves and their community; and third, each as an individual, to translate its theory into practice in business and in everyday life; and fourth, individually and collectively, by active precept and example, to stimulate its acceptance both in theory and practice by all non-Rotarians as well as by all Rotarians;

3) RI is an organization that exists:

a) for the protection, development and worldwide propagation of the Rotary ideal of service;

b) for the establishment, encouragement, assistance and administrative supervision of Rotary clubs;

c) as a clearinghouse for the study of their problems and, by helpful suggestion but not compulsion, for the standardization of their practices and of such Community Service activities, and only such Community Service activities, as have already been widely demonstrated by many clubs as worthwhile and as are within, and will not tend to obscure, the Object of Rotary as set out in the RI Constitution.

4) Because they who serve must act, Rotary is not merely a state of mind, nor Rotary philosophy merely subjective, but must translate itself into objective activity; and the individual Rotarian and the Rotary club must put the theory of service into practice. Accordingly, corporate action by Rotary clubs is recommended under the safeguards provided herein. It is desirable that every Rotary club sponsor a major Community Service activity each fiscal year, varied from year to year if possible before the end of the fiscal year. This activity is to be based upon a real community need and should require the collective cooperation of all its members. This is to be in addition to the club's continuing its program for the stimulation of the club members to individual service within the community.

5) Each individual Rotary club has absolute autonomy in the selection of such Community Service activities as appeal to it and as are suited to its community; but no club should allow any Community Service to obscure the Object of Rotary or jeopardize the primary purpose for which a Rotary club is organized; and RI, although it may study, standardize and develop such activities as are general and make helpful suggestions regarding them, should never proscribe any Community Service activity for any club.

6) Although regulations are not prescribed for an individual Rotary club in the selection of Community Service activities, the following rules are suggested for its guidance:

a) Because of the limited membership of Rotary, only in a community where there is no adequate civic or other organization in a position to speak and act for the whole community should a Rotary club engage in a general Community Service activity that requires for its success the active support of the entire citizenship of the community, and where a chamber of commerce exists, a Rotary club should not trespass upon or assume its functions, but Rotarians, as individuals committed to and trained in the principle of service, should be members of and active in their chambers of commerce and as citizens of their community should, along with all other good citizens, be interested in every general Community Service activity, and, as far as their abilities permit, do their part in money and service;

b) As a general matter, no Rotary club should endorse any project, no matter how meritorious, unless the club is prepared and willing to assume all or part of the responsibility for the accomplishment of that which it endorses;

c) While publicity should not be the primary goal of a Rotary club selecting an activity, as a means of extending Rotary's influence, proper publicity should be given to a worthwhile club project well carried out;

d) A Rotary club should avoid duplication of effort and in general should not engage in an activity that is already being well handled by some other agency;

e) A Rotary club in its activities should preferably cooperate with existing agencies, but where necessary may create new agencies where the facilities of the existing agencies are insufficient to accomplish its purpose. It is better for a Rotary club to improve an existing agency than to create a new and duplicative agency;

f) In all its activities a Rotary club acts best and is most successful as a propagandist. A Rotary club discovers a need but, where the responsibility is that of the entire community, does not seek alone to remedy it but to awaken others to the necessity of the remedy, seeking to arouse the community to its responsibility so that this responsibility may be placed not on Rotary alone but on the entire community where it belongs; and while Rotary may initiate and lead in the work, it should endeavor to secure the cooperation of all other organizations that ought to be interested and should seek to give them full credit, even minimizing the credit to which the Rotary club itself is entitled;

g) Activities which enlist the individual efforts of all Rotarians generally are more in accord with the genius of Rotary than those requiring only the mass action of the club, because the Community Service activities of the Rotary club should be regarded only as laboratory experiments designed to train members of a Rotary club in service. (*January 2012 Mtg., Bd. Dec. 158*)

8.040.2. 1992 Statement on Community Service

Rotary Community Service encourages and fosters the application of the ideal of service to the personal, business and community life of every Rotarian. In carrying out this application of the ideal of service, a variety of activities developed by Rotary clubs have afforded significant opportunities for service by their members. For the guidance of Rotarians and to formulate a policy for Rotary toward Community Service activities, the following principles are recognized:

Community Service is an opportunity for every Rotarian to exemplify “Service Above Self.” It is the commitment and social responsibility of every Rotarian and Rotary club to improve the quality of life for those who live in the community and to serve the public interest.

In this spirit, clubs are encouraged to:

- 1) review regularly service opportunities within their communities and involve each club member in an assessment of community needs
- 2) capitalize on the unique vocational and avocational talents of members in implementing their Community Service projects
- 3) initiate projects in accordance with the needs of the community and commensurate with the club’s standing and potential in the community, recognizing that every Community Service activity, however small, is important
- 4) work closely with the Interact clubs, Rotaract clubs, Rotary Community Corps, and other groups which they sponsor in order to coordinate Community Service efforts
- 5) identify opportunities to enhance Community Service projects through Rotary programs and activities at the international level
- 6) involve the community, when desirable and feasible, in implementing Community Service projects, including the provision of required resources
- 7) cooperate with other organizations in accordance with RI policy, to achieve Community Service objectives
- 8) achieve proper public recognition for their Community Service projects
- 9) act as catalysts to encourage other organizations to work together in Community Service efforts
- 10) transfer responsibility for continuing projects, when appropriate, to community, service, or other organizations so that the Rotary club can become involved in new projects

As an association of clubs, RI has the responsibility to communicate news of Community Service needs and activities, and from time to time suggest programs or projects which advance the Object of Rotary and which would benefit from the concerted efforts of Rotarians, clubs and districts who wish to participate. (*May 2003 Mtg., Bd. Dec. 325*)

8.040.3. Participation in Community Service Activities by Clubs and Districts

As a basis for effective Community Service, all club presidents are encouraged to appoint Rotarians to serve on Community Service subcommittees, as needed, within the following groups: Human Development, Community Development, Environmental Protection, and Partners in Service. These subcommittees are urged to:

1. ascertain community needs by comprehensive survey and analysis of the particular relative circumstances in their respective localities;
2. encourage individual club members to supplement and strengthen such survey and analysis by exploring the locality of the club in their personal and vocational capacities for the purpose of discovering community needs;
3. meet with other community organizations for discussion and exchange of ideas where such meetings can be undertaken in harmony with established policy;
4. include as a factor in considering prospective members, their demonstrated active interest in and familiarity with community needs. (*November 2004 Mtg., Bd. Dec. 59*)

17.010. Rotary Districts, General

17.010.1. Role of the District

A district is a group of clubs within a geographical boundary established by the Board. The purpose of a district is to strengthen and support clubs. Districts are not required to complete a particular service project or program. *(April 2018 Mtg., Bd. Dec. 160)*

Source: January 1973 Mtg., Bd. Dec. 123; *Amended by* March 2005 Mtg., Bd. Dec. 199; June 2005 Mtg., Bd. Dec. 322; January 2015 Mtg., Bd. Dec. 118; September 2016 Mtg., Bd. Dec. 74; April 2018 Mtg., Bd. Dec. 160

17.010.2. Authority to Act

Districts are authorized to act only on their own behalf. A district does not have the authority to act, negotiate, or contract on behalf of Rotary International or The Rotary Foundation. *(April 2018 Mtg., Bd. Dec. 160)*

Source: September 2016 Mtg., Bd. Dec. 74; *Amended by* April 2018 Mtg., Bd. Dec. 160

17.010.3. Size of the District

Because districts that have a large membership base are more effective than districts with fewer clubs and Rotarians, the Board encourages all districts to strive to have at least 75 clubs and 2,700 members.

Larger districts have:

- A larger pool of qualified Rotarians from which to select governors, assistant governors, and other district leaders
- More resources for carrying out large-scale, sustainable service projects
- Greater potential for raising Rotary’s visibility
- Larger and more dynamic district conferences and meetings

–More effective training of club and district leaders (*April 2018 Mtg., Bd. Dec. 160*)

17.010.4. Establishment of Districts within Zones

At its first meeting of each year, the RI Board establishes Rotary's zones and any needed adjustments to the zone sections, for that year. (*April 2018 Mtg., Bd. Dec. 160*)

17.010.5. Districting

Through districting, the Board redraws district boundaries, either by dividing districts, by realigning clubs within districts, or by consolidating districts.

1. As stated in RI Bylaws section 16.010., the Board may eliminate or change the boundaries of any district with more than 100 clubs or fewer than 1,100 Rotarians. In conjunction with any such change, the Board may move clubs from such districts into adjacent districts, merge or divide such districts.
2. All districts are bound by RI Bylaws 16.010. to accept clubs from districts with more than 100 clubs or fewer than 1,100 members whose boundaries are redrawn.
3. District governors use the District Reorganization Form, available from the general secretary, to propose districting changes.
4. When districts are consolidated or divided, all of the affected districts' future governors who have already been selected (elected, nominated, or designated) are offered the opportunity to serve in the newly merged or divided district, although some may not serve during their originally selected term.
5. In districts with 1,100 or more members or fewer than 100 clubs, the governor(s) of the existing district(s) must share the districting proposal with the clubs. Clubs have 30 days from receipt of the proposal to discuss and vote on the proposal. If a majority of clubs in a district with 1,100 or more members or fewer than 100 clubs reject the proposal it does not move forward. Each districting proposal includes certification that the majority of clubs in the district(s) did not reject the proposal and signatures of the current and future elected governors.
6. The districting committee evaluates districting proposals and sends its recommendation to the Board.
7. The District Reorganization Form asks for:
 - a. The proposal
 - b. Description of the new district boundaries
 - c. Suggestions for the new district numbers. Consolidated or divided districts must have new numbers to ensure the accuracy of Rotary reports and historical archives. The consolidated district may not use the number of either of the merged districts. The Board ultimately assigns new district numbers.

- d. The desired effective date of the change
 - e. The current and future district leadership plans for the affected districts, including the number of assistant governors and number of clubs assigned to each
8. The general secretary will provide the following data to the districting committee for each districting proposal:
 - a. The affected districts' membership history, based on 1 July invoices for the past five years
 - b. A list of the affected districts' clubs, including their charter date and membership as of their most recent club invoice; the list will highlight the number and percentage of clubs with fewer than 20 members and clubs chartered in the past three years. (*April 2018 Mtg., Bd. Dec. 160*)

Source: April 2018 Mtg., Bd. Dec. 160

17.010.6. Districting Criteria

The procedures for districting shall be as follows:

1. Districting decisions are based on the official membership of the district as of 1 July or 1 January, whichever is the most recent at the time of the Board meeting.
2. Districting proposals may consider geographical boundaries, potential for district growth, and cultural, economic, language, and other relevant factors
3. New districts should:
 - Have at least 60 clubs or 2,100 members
 - Have demonstrated potential for growth to at least 75 clubs and 2,700 members within 10 years, based on their five-year membership history
 - Have at least 90 percent of its clubs be clubs that were chartered at least three years before the date of the proposal
 - Have more than 20 members in at least 80 percent of their clubs
4. For districts that have 1,200 members or fewer:
 - The districting committee will request an annual membership development plan from the district and share district consolidation information.
 - The director and the district's governor-elect, governor-nominee, and governor-nominee-designate will receive copies of all correspondence about the district's size and will be asked to work together on increasing membership.
5. Where district boundaries remain the same and the district boundary description changes involve only changes to the names of states, provinces, etc., the general secretary is authorized to approve the changes on behalf of the Board.
6. The general secretary is authorized to act on behalf of the Board to approve district boundary changes that involve the transfer of up to 10 clubs, or of an area where there is no Rotary club, from one district to another. The current governors of the districts that are involved must agree to the change.

The approved boundary modification will take effect the next 1 July if the affected districts agree to waive the two-year implementation period otherwise required by the RI Bylaws. The waiver must be made as described in point 7 of this section.

7. Districts may waive the two-year implementation period for changes to district boundaries by including a statement in the districting proposal that confirms that the involved districts wish to waive the two-year period. District governors from the affected districts must also confirm that:
 - The affected clubs in the affected districts have been notified of the waiver
 - The clubs have been given 30 days to object
 - The majority of the affected clubs do not object

Affected clubs are defined as all clubs that are being moved to a different district in accordance with point 6 or, in the case of proposals to merge or split districts, all the clubs in the new districts. The request to waive the two-year period may be included in the districting proposal to the clubs. The two-year period cannot be waived if the majority of the affected clubs, in any of the districts affected by the proposal, objects. (*October 2018 Mtg., Bd. Dec. 63*)

17.010.7. Additionally-Supported Districts

The board may authorize the general secretary to assign additionally-supported status to certain districts identified by the Board to provide additional support because of unique geographical, language, cultural, economic, social, political, or other factors.

Additionally-supported status allows the Board to maintain districts that do not meet the minimum numbers of clubs or members as designated in RI Bylaws section 16.010. The additional support lasts for a period of up to three years, unless the Board extends the timeframe.

The RI Board will provide the following:

- Up to a total of US\$200,000 for all additionally-supported districts annually for additional training, membership development, promotion of participation in The Rotary Foundation and other support as determined by the general secretary after consultation with the director and district leadership
- Tools, advice, and other resources needed to reach membership targets and other benchmarks designated by the general secretary
- An exemption from having to hold their district governor selection process 24 months in advance of the term of office

Additionally-supported districts will be reviewed annually at the Board's third meeting (January) each year. In the second year of the districts' additionally-supported status the

Board, at its January meeting, will decide on extending or removing the additionally-supported status. This includes the possibility to transfer clubs into another district, and if a governor-elect will attend the next International Assembly. (*January 2015 Mtg., Bd. Dec. 118*)

17.020. Incorporation of Districts

17.020.1. Incorporation Process

A district may seek the approval of the Board to incorporate upon the approval of at least two-thirds of the clubs in the district in a vote at a district conference, or in a ballot-by-mail. In either process, each club shall be entitled to one vote. Upon approval of the Board, the district may incorporate.

The incorporated district shall, in all respects, possess all of the powers, rights and privileges, and shall perform all of the obligations and requirements of a district under the constitution, bylaws, and policies of RI.

Insofar as the provisions of the laws of the local jurisdiction shall permit, the corporate documents of an incorporated district shall be consistent with the constitution, bylaws, and policies of RI. In the event that there is any amendment to the constitution, bylaws, or policies of RI that cause a district's corporate documents to be inconsistent with the amended constitution, bylaws, or policies of RI, the district shall immediately amend its corporate documents so that they shall again become consistent. District corporations shall act in accordance with the constitution, bylaws, and policies of RI, and shall not take any action inconsistent with the constitution, bylaws, and policies of RI.

A district shall immediately notify the general secretary if a provision of the laws of the local jurisdiction precludes the incorporated district from taking any action necessary or requires the incorporated district to take any action prohibited under the constitution, bylaws, or policies of RI.

The district must submit to the general secretary on behalf of the Board the corporate documents required to be submitted to the local jurisdiction in order to incorporate. Upon completion of the incorporation process, subsequent amendments to these corporate documents need not be submitted to the Board for review. However, any amendments must be consistent with the constitution, bylaws, and policies of RI.

The district governor shall be responsible for supervising the incorporation process.

The incorporated district should be structured in furtherance of the District Leadership Plan.

The corporate documents of each incorporated district shall include provisions assuring that the district corporations comply with the following requirements:

- 1) The name of the incorporated district shall be "Rotary International District (district number), (Inc., LLC, etc.)"

- 2) The corporation shall be a not-for-profit entity, and it shall pay no dividend and no part of its money, property or other assets shall be distributed to its members, directors, or officers
- 3) Where any provision of the corporate documents of the incorporated district is not in conformity with the constitution, bylaws, or policies of RI, the terms of the constitution, bylaws, or policies of RI shall prevail at all times
- 4) All Rotary clubs in the incorporated district shall be members of the incorporated entity
- 5) The initial membership of the district shall be the Rotary clubs in the district as of the time of the incorporation. The addition or removal of a club or clubs from a district pursuant to the RI bylaws shall immediately and automatically result in a corresponding change in the membership of the district corporation
- 6) Only Rotary clubs in the district may be members of the incorporated district
- 7) The district corporation shall immediately and automatically cease operations and begin dissolution upon directive of the RI Board or upon the approval of two-thirds of the clubs in a vote at the district conference or in a ballot-by-mail. The district governor shall provide the Board notice of a decision by the district to dissolve the corporation, and shall provide a final report upon the completion of the dissolution process
- 8) The board of directors and officers of the district corporation shall be limited to Rotarians who are members of clubs in the district
- 9) The directors of the district corporation shall include the current district governor, the district governor-elect, and the most recent past district governor who served in that district, and such other Rotarians, if any, as may be determined by the district. The number and terms of the directors shall be as required by local law and as provided for by the incorporated district's corporate documents
- 10) The current district governor shall be the highest officer of the incorporated district and shall serve as chairman of the board of directors. The district may elect such other officers as required by local law and as provided for in its corporate documents
- 11) The governor shall report annually to the clubs on the status of the district incorporation. (*January 2015 Mtg., Bd. Dec. 118*)

17.020.2. Districts with Clubs in More Than One Jurisdiction

A district with clubs in more than one jurisdiction may incorporate in any of the jurisdictions and shall take such further steps to register in the other jurisdiction(s) as appropriate.

No district with clubs in more than one jurisdiction shall incorporate in a jurisdiction that would favor one club or Rotarian over another, or would place any limitations on the ability

of any club or Rotarian to exercise all of the rights and privileges afforded them under the constitution, bylaws, or policies of RI. (*March 2005 Mtg., Bd. Dec. 199*)

17.030. District Leadership Plan

All districts are required to develop and adopt a District Leadership Plan (DLP) in conformity with sections 17.030.1.-17.030.3. of the *Rotary Code of Policies*.

The required components of the DLP are as follows:

- a. Common terminology such as "assistant governor," "district trainer," "district committees," and "club leadership plan"
- b. Defined responsibilities and duties for assistant governors, district trainers, district committee members, and club leadership
- c. District committees that ensure continuity of leadership within the district
- d. A clear statement of the duties and responsibilities that the governor cannot delegate
- e. A defined plan for assisting clubs in the implementation of a corresponding club leadership plan

The District Leadership Plan provides for the appointment by the governor of assistant governors to carry out much of the administrative work associated with club operations, thereby giving the governor more time to:

- a) emphasize the importance of membership attraction and engagement
- b) motivate Rotarians to participate in club and district activities and projects through attendance at specific events

- c) encourage participation in Rotary Foundation seminars, the programs of The Rotary Foundation, and financial support of the Foundation through Foundation recognition programs
- d) recognize the work of *individual* Rotarians, through personal recognition
- e) plan for the future of the district
- f) address the long term development of the clubs in the district through the Club Leadership Plan
- g) undertake the duties set forth in section 16.090 of the RI Bylaws

A District Leadership Plan must address the following issues:

- a) The number of assistant governors appointed based on the needs of each district, taking into consideration factors such as geography, language, culture, the balance of strong and weak clubs in each area, and the number of clubs an assistant governor can reasonably be expected to support. (It is recommended that between four and eight clubs be assigned to each assistant governor, but in no case shall an assistant governor be responsible for only one club.)
- b) How the assistant governors will be trained
- c) What committees the district will need
- d) Communication procedures between the governor, assistant governors and the district committees
- e) How the district will provide for continuity in leadership through the use of assistant governors
- f) How the district will provide for continuity within committees as appropriate or necessary
- g) Methodology used to appoint and/or remove assistant governors
- h) A corresponding Club Leadership Plan for clubs in the district

The current district governor, governor-elect, and governor-nominee should reach consensus on the following:

- a) District's strategic plan
- b) District appointments that last more than one year
- c) District service projects that last more than one year. (*January 2015 Mtg., Bd. Dec. 118*)

Districts are encouraged to form a district “Rules and Procedures” committee to advise and assist governors on nominations and elections and other matters involving RI’s constitutional documents. The committee shall consist of three members, each serving a staggered three-year term with the possibility of reappointment. Appointments to the committee are made by the governor at the conclusion of his or her year in office. Members should be knowledgeable about RI’s constitutional documents and election procedures.

Governors with questions concerning RI election policies and procedures that they cannot resolve within their districts with the assistance of their Rules and Procedures committee should contact their Club and District Support representative or the RI director from their area for assistance. *(January 2015 Mtg., Bd. Dec. 118)*

B. International Service Committee

It is recommended that districts and clubs establish an International Service Committee to help enhance the quality of the district’s humanitarian efforts by identifying resources and experts to advise on international service projects and global grants. The district international service committee chair shall be concerned with promoting greater awareness of resources and strategies for project planning, implementation, identifying key local subject matter experts, and establishing direct lines of communication and accountability for all types of international service, with a special emphasis on improving global grant applications and the development of partnerships between international Rotary clubs and districts. The district international service committee chair will confer and cooperate with other leaders from across the district including but not limited to the district Rotary Foundation, grants subcommittee, community service, vocational service and alumni committees, to identify and promote resources for improved projects and grants. The district international service committee will also collaborate with district Rotaract representatives, Rotarian Action Groups, the The Rotary Foundation Cadre of Technical Advisers, and other experts interested in assisting with global grant applications.

To be effective, the district international service committee chair must have continuity of leadership and success planning. A district’s governor-elect, in consultation with the immediate past district governor and district governor-nominee, is encouraged to appoint a past district governor, past regional Rotary Foundation coordinator, or a past assistant regional Rotary Foundation coordinator to chair this committee, to serve a term of three years without reappointment limits. *(October 2018 Mtg., Bd. C. District Youth Exchange Committee

To promote Youth Exchange as an opportunity for the development of international understanding, governors are encouraged to appoint Youth Exchange committees and officers. Governors are encouraged to observe a three-year limitation on the consecutive length of service of the district Youth Exchange chair. Recognizing that the special technical knowledge and experience required by the Youth Exchange program encourages

a multi-year tenure of the district Youth Exchange chair and may sometimes necessitate the continuation of the chair's length of service for a longer period than three years in order to provide for an adequately trained successor.

To be effective, the district Youth Exchange committee must have continuity of leadership and succession planning. If a change in the district Youth Exchange chair is desired, the governor-elect is highly encouraged to consider candidates with a general knowledge of Rotary and a strong enthusiasm for the Youth Exchange program. A minimum experience of three years in a key position on the district Youth Exchange committee is also strongly encouraged for established Youth Exchange programs. Ability to communicate in English and attendance at a Youth Exchange conference beyond the district level should be regarded as positive attributes. Consultation with the current district governor, the district Youth Exchange chair, and district Youth Exchange committee members as well as the governor-nominee can provide valuable insight into the selection process by the governor-elect. Such cooperative efforts are instrumental in ensuring success given the recommended district Youth Exchange committee experience of the person selected as well as the desired multi-year tenure of that position subject to the recommended three-year limitation on consecutive length of service. Governors are encouraged not to change more than 33 percent of the Youth Exchange committee at any time in order to ensure the continuity of the program.

The district Youth Exchange officers or committees are under the supervision of their respective governors. Each governor is urged to do everything possible to foster Youth Exchange activities in the district, while retaining authority and ensuring that no personal financial profit is being made from such activities. - 7) identify areas for cooperation between club Community Service projects and local non-Rotary service organizations, by sharing information and helping clubs to set goals
- 8) request regular reports on successful Community Service projects from club Community Service chairs, for promotion through the governor's monthly letter, and report to RI for possible publication

Article 21. Multidistrict Activities

21.010. Guidelines for Multidistrict Activities, Projects and Organizations

21.010. Guidelines for Multidistrict Activities, Projects and Organizations

Service activities, projects and organizations involving clubs in two or more districts are encouraged, subject to the following:

A) Multidistrict activities, projects and organizations:

1) shall be, in nature and scope, within the capability of the clubs and Rotarians in the districts to be undertaken successfully without interfering with or detracting from the scope and effectiveness of club activities in furthering the program of Rotary at the club level

2) shall not be undertaken initially unless each governor concerned has agreed to such a joint activity and then, only after approval of two-thirds of the clubs in each district. Any participating district that seeks to terminate its participation in a multidistrict activity, project or organization must secure the approval of two-thirds of the clubs in the district to withdraw.

3) shall be under the direct supervision of the governors concerned; the custody of all funds contributed or collected for such activities, projects or organizations shall be the responsibility of the governors concerned, though a committee of Rotarians from within the districts involved may be appointed to assist in administering any such activity, project or organization and related funds. The governors involved in any multidistrict activity, project or organization shall also be responsible for ensuring that an annual financial review by a qualified person or an audited financial statement of multidistrict finances is prepared for the activity, project or organization and distributed to the participating clubs. (Please see section 33.040.7., point 9 for a further definition of “full control of a Rotary Entity.”)

4) shall involve participation by Rotary clubs and/or individual Rotarians on a voluntary basis, clearly presented as such; the cost of participation by a club or individual Rotarian, if any, should be kept to a minimum, and not implicitly or directly be made an obligation in the form of a per capita assessment or otherwise

5) shall adhere to all applicable RI policies, including RI’s circularization policy and policies for use of the Rotary Marks.

6) in order to clarify that the activity, project or organization is not one of RI or TRF, the promotional materials, printed and electronic, and especially on any donation page, shall state that the activity, project or organization is one of a local nature.

B) This policy does not include projects involving cooperation between districts partnering for an international service project.

C) Multidistrict PETS organizations are exempt from these Multidistrict Guidelines. Rather, they are to be governed by the Multidistrict PETS Guidelines.

D) With the exception of a multidistrict PETS, which shall be under the direct authority and control of the governors-elect in cooperation with governors, the ultimate responsibility for multidistrict events, activities, projects and organizations lies with the governors of the districts involved.

E) Recognition of a multidistrict activity, project or organization by RI in no way implies legal, financial or other obligation or responsibility on the part of RI. A multidistrict organization may not act on behalf of RI, or represent or imply that it has authority to act on behalf of RI. A multidistrict organization is not an agency of RI. Multidistrict organizations must be self-sustaining financially, administratively, and otherwise.

F) In instances where multidistrict activities, projects and organizations are incorporated, the members of the corporation should be the governors of the districts involved or their appointees. The board of directors of any such incorporated activity, project or organization should be elected by the members of the corporation. Corporate structures not in harmony with these provisions will generally be considered as not in conformance with RI policy regarding supervision of multidistrict activities, projects and organizations by the governors. 26.060.4. Rules Regarding Campaigning, Canvassing and Electioneering

It is a fundamental principle in Rotary that the best qualified candidate should be selected for service in Rotary's elective offices. Therefore, any effort to influence the selection process in a positive or negative manner by campaigning, canvassing, electioneering or otherwise is prohibited under the RI Bylaws.

The following rules shall be followed concerning campaigning, canvassing and electioneering for any Rotarian considering election to the office of president, director,

Governor, or Council representative, or the nominating committee for any such office. These rules are designed to ensure that the best qualified candidate is selected for office:

- 1) Rotarians should at all times conform to the prohibitions of the RI Bylaws concerning campaigning, canvassing or electioneering. All Rotarians should observe both the letter and the spirit of the bylaws and refrain from any activity whose purpose or effect is to influence others by promoting or soliciting support for a candidate's or another Rotarian's candidacy. Such activity is repugnant to the spirit of the bylaws and the principles of Rotary and will be grounds for disqualification of a candidate.
- 2) Campaigning, canvassing or electioneering is any action seeking to promote, attack, support, or oppose a candidate, either directly or indirectly, in any medium, including, but not limited to, any action seeking votes, requesting support in a forthcoming election, distribution of literature or promotional materials or other overt actions intended to promote one's candidacy for an elected Rotary office.
- 3) The periods of candidacy for elective office begin when individual Rotarians begin to give serious consideration to submitting their names for a position covered by the RI rules for nominations and elections. Commencing at that time, candidates should be particularly careful to avoid any actions designed to publicize their names or achievements, to call attention to the applicable nominations or elections, or to give candidates an unfair advantage over other candidates for the same position.
- 4) The normal performance of duly-assigned Rotary activities would not be considered to be a violation of the policies related to campaigning, canvassing or electioneering.
- 5) Contacting clubs to inform them to request their concurrence for a proposed challenge or election complaint is not prohibited provided that such contact is limited to the exchange of factual information. (*September 2016 Mtg., Bd. Dec. 28*)

26.070. Election Complaint Procedures

The following procedures for review of RI elections shall be followed whenever a complaint is made and filed in accordance with the applicable sections of the RI Bylaws:

26.070.1. Advising the Parties of a Complaint

After receiving any election complaint, the general secretary shall inform the party in question of the allegation, request a written response with documentation by a certain date, and notify the parties of the proper procedure to be followed. (*June 2001 Mtg., Bd. Dec. 326*)

Source: March 1992 Mtg., Bd. Dec. 183. Amended by November 1995 Mtg., Bd. Dec. 81; February 1996 Mtg., Bd. Dec. 174; June 2001 Mtg., Bd. Dec. 326

26.070.2. Methods of Resolution

The president, or the general secretary acting on the president's behalf, shall resolve an election dispute in the following situations:

- a) there has been a misunderstanding about the requirements of the relevant constitutional documents;
- b) information has been received and certified by the general secretary that a candidate has appealed to a "non-Rotary agency" prior to completing the RI election review procedures. In such instances the president shall, in accordance with RI Bylaws section 11.070.5. and on behalf of the Board, send a "show-cause" letter by priority mail to the candidate requesting information within 15 days indicating that the lawsuit was not filed on the candidate's behalf. Upon the candidate's failure to provide adequate evidence that the action was not taken on the candidate's behalf, the President, on behalf of the Board, shall notify the candidate that he or she is disqualified for the election in question and from contesting any elective office of RI in the future for a period as determined by the board, without referral to the RI election review committee. The president shall also notify the executive committee of any action taken pursuant to this subsection.

In all other situations, the president shall, in consultation with the chair of the election review committee, select three members of that committee (one of whom shall be designated as convener) to serve as a panel to evaluate the complaint. Any member of the committee, however, may disqualify himself or herself from considering a particular complaint. Any vacancy on the panel shall be filled in the same manner. A member of the Election Review Committee should not serve on a panel that reviews any complaint from the committee member's own zone or country. The election complaint will be administered in accordance with the procedures set forth below. (*April 2016 Mtg., Bd. Dec. 157*)

26.070.3. Requirement for Cash Bond

At the time a club files a complaint with the general secretary, such club shall pay to Rotary International a cash bond. If such complaint addresses a district level office, e.g., governor, council representative, member of a nominating committee for governor or director, the amount of the cash bond shall be US\$2,000. If such complaint addresses the election of an individual to any other position, the amount of the cash bond shall be US\$5,000. The general secretary shall take no action with respect to any such complaint until the cash bond is paid. No complaint shall be considered as received by the general secretary until the cash bond is paid. If the cash bond is not received by the general secretary by the deadline provided in Article 11.070.1 of the RI Bylaws, the complaint shall be deemed invalid and will not be considered further. The general secretary shall cause the cash bond to be refunded without interest only if the complaint is upheld by the Board. Otherwise, the cash bond shall be forfeited and retained by Rotary International. (*September 2016 Mtg., Bd. Dec. 28*)

Any document submitted by the parties to the complaint may be made available to all parties upon request. (*July 2003 Mtg., Bd. Dec. 19*)

26.070.6. Review of Elections for President and Director

The panel of the election review committee shall evaluate a complaint by correspondence. However, should the election be for the general offices of president or director, the president (or the general secretary acting on the president's behalf) may, upon the recommendation of the committee and after consultation with the chair of the election review committee, authorize a meeting of the panel at a time and place determined by the general secretary. In the event that the general secretary or president become aware of alleged irregularities within the election process that require immediate resolution, but that are not the subject of an election complaint, including, but not limited to, such matters as the certification of votes by the district governor, the operational procedures utilized by a nominating committee or balloting committee, such issues shall be directed to the chair of the RI Election Review Committee, or his or her designee, for examination and decision. 27.010.2. Procedures for the Functioning of the Nominating Committee for President

The RI board has adopted procedures for the functioning of the Nominating Committee for RI president as follows:

Confidentiality

Members of the nominating committee, prior to and following the meeting of the committee, shall not discuss with other members of the committee or any other person the work of the committee, and shall at no time discuss or divulge any of the deliberations or discussions of the committee, except as they may participate in the deliberations of the committee at the time of its meeting. This confidentiality may be waived solely by the Board, or the RI Election Review Committee acting on its behalf, in order to investigate any duly filed election complaint.

Preparation for the Committee Meeting

1. The general secretary will assign a member of the Secretariat staff to work with and for the committee with instructions that all aspects of the work of the committee are to be kept in strict confidence.
2. Candidates for RI president shall be asked to submit a statement not to exceed 300 words outlining their vision and goals for Rotary.

3. In accordance with RI bylaws section 12.050.2., which provides for candidates for RI president to be given an opportunity to be interviewed by the committee, the RI Board will develop three to five questions annually that candidates will be asked to answer in writing. There shall be a 150 word limit on a candidate's answers to each of the three to five questions. At the same time, the Board shall approve a list of key issues facing Rotary that will be shared with the nominating committee.
4. The general secretary shall send the interview questions to those Rotarians who submit their names for consideration by the nominating committee. Answers to the interview questions must be returned no later than 10 July.
5. Written statements submitted by candidates that exceed the applicable word limits in the language submitted shall not be transmitted to the Nominating Committee for RI President.
6. In accordance with RI bylaws section 12.040.3., no later than 15 July the general secretary shall forward to committee members an alphabetical list of the past directors who have notified the general secretary that they wish to have their names listed as being willing and able to serve as president with the name of the Rotary club in which each holds membership indicated in capital letters. If there are more than six candidates, committee members will be required to vote on their top six candidates within the following five days. Any committee members not voting by the deadline shall not attend the committee meeting. The top six vote getters shall be considered the "finalists" and invited by the general secretary to be interviewed in-person by the committee. In the event of a tie for the sixth position, all candidates involved in the tie shall be invited to be interviewed in-person by the committee. The finalists' travel (economy class) and related expenses shall be paid by RI. Candidates who are not invited to be interviewed shall not be considered further by the committee. If there are six or fewer candidates, all candidates shall be considered finalists and invited to be interviewed.
7. With regard to the six finalists identified by the committee, the assigned staff person shall prepare the following materials for each committee member. These materials shall be delivered to members of the committee electronically five days before the meeting. A hard copy of these materials will be distributed to each member the day before the committee meeting.
 - a) an informational letter from the general secretary pertaining to procedures of the committee meeting
 - b) a copy of the "Procedures for the Functioning of the Nominating Committee for President"
 - c) a copy of RI bylaws Article 12
 - d) a copy of the RI President Job Description outlined in section 27.020. of this Code
 - e) an alphabetical list of candidates for the office of president
 - f) a list of key issues facing Rotary developed by the RI Board
 - g) a copy of the in-person interview questions developed by the previous year's nominating committee
 - h) one set of each of the following for each candidate

- 1) a copy of a current photograph submitted by the candidate
- 2) a copy of the submission form from the candidate containing a one-page background statement
- 3) a copy of written answers to interview questions developed by the RI Board
- 4) a copy of the written statement of vision and goals for Rotary
- 5) a chronological list of RI committees on which the candidate has served
- 6) a copy of the general biographical data on record in the secretariat

8. The committee meeting shall begin the evening before the meeting date for the purpose of electing a member of the committee as the chair and another member as the secretary. The chair and secretary shall be elected following the committee's welcome dinner in accordance with the procedure outlined in paragraph 9. below.

9. The election of the chairman and secretary shall be conducted under the direction of the general secretary, who shall prepare and distribute a ballot listing each member of the nominating committee. Each member of the committee shall cast one vote for the chairman. The general secretary, or a member of his staff, shall count the votes and announce the results. If nine (9) votes are not received by any member of the committee, a second ballot shall be held. Voting shall continue on successive ballots until nine (9) votes are received. After the election of the chairman, the procedure outlined above shall be used to select a committee secretary.

At the Committee Meeting

10. The members of the nominating committee shall be seated in alphabetical order.

11. The general secretary shall inform the committee that RI bylaws (section 12.050.1.) provide that "The committee shall meet and nominate from among the list of past directors who have indicated they are willing to serve as president the best qualified Rotarian available to perform the functions of the office."

12. Following the instructions provided by the general secretary, no one is to be in attendance during the meeting of the committee other than the duly elected members of the nominating committee and any interpreters needed for members of the committee, except that the general secretary or his assigned staff member may be called into the meeting upon the request of the chairman or other member of the committee. This staff person shall assist the committee during the course of its meeting, should any assistance be required, and shall work under the direct supervision of the chairman of the committee.

13. Before the committee begins its deliberations, the chairman shall inquire whether any member of the committee has been contacted by or on behalf of any candidate, or is aware of any effort to influence members of the nominating committee, either directly or indirectly, and, if so, to bring these to the attention of committee at this time. The chair shall at this time ask all committee members to review and sign a written disclosure statement of any attempt to influence members of the committee.

14. The questions to be asked each candidate shall be developed with the entire committee present on the morning of the meeting. The general secretary shall allow at least 90 minutes between the beginning of the meeting and the first interview for the committee to develop

and discuss its questions. In advance of the meeting, the general secretary will invite committee members to bring two suggested questions to the committee meeting to assist the committee in developing the questions it wishes to ask the candidates.

15. The committee shall conduct interviews of no more than 30 minutes with each of the six finalists previously identified by the committee. The finalists shall be interviewed in alphabetical order. The General Secretary shall provide a timing device that is visible to both the committee secretary and the candidate for timing the candidates' responses. The general secretary will inform candidates that they may bring and refer to notes during their interview.

16. Following the interviews, but before conducting a ballot for president, the nominating committee shall discuss the qualifications of each candidate. No member of the committee should leave the room once the committee has started the deliberation process until the nominee has been selected.

17. Following the discussion of all of the candidates, the chairman shall distribute ballots prepared by the general secretary containing an alphabetical list of candidates and instruct each member of the committee to vote for four candidates.

All voting conducted under this paragraph shall be conducted by secret ballot. After the secretary announces the results of this ballot, similar steps shall be followed to reduce the number of candidates to two and, finally, to one. Notwithstanding the foregoing, a candidate eliminated during a previous round of balloting may be reconsidered at any point if requested by at least six members of the committee. Voting must continue until there are two candidates remaining and one of the final two candidates receives at least ten votes, regardless of whether any candidate received ten or more votes in a previous round of voting. The committee shall not select an alternate, and the candidate who finishes second in the final vote shall not be considered to be an alternate.

18. In the event of a tie in voting for the final four or two candidates, the candidates involved in the tie shall proceed to the next round of voting. If there are more than two candidates in the final round of voting and no candidate receives 10 votes in the initial vote, the lowest vote-getter shall be removed from further consideration on subsequent ballots.

19. The RI bylaws (section 12.050.3.) provide that "Twelve members of the committee shall constitute a quorum. The transaction of all business of the committee shall be by majority vote, except that in the selection of the committee's nominee for president, the votes of at least ten members of the committee shall be cast in favor of such nominee."

20. The report of the committee naming its nominee shall be signed by the chairman on behalf of the committee and be delivered and certified to the general secretary. (In the past, this has been done before the committee adjourned.) This report is to be the only formal record of the committee. The general secretary will notify each club of the contents of the report and the names of the nominating committee in accordance with the RI bylaws.

21. Should the selection of another nominee for president be necessary, the general secretary shall contact those past directors who previously indicated to the general secretary that they wished to be considered by the nominating committee. The names of

the candidates who still wish to be considered shall be considered by the committee. The procedures to be used at any emergency meeting of the committee shall follow these procedures as closely as possible.

Subsequent to the Meeting

The president and president-elect, each, shall not participate in either the Executive Committee's discussion, drafting and approval of its report in regard to this matter as it pertains to each of them respectively, or in the discussion and adoption of the Executive Committee's report by the Board as it pertains to each of them respectively. 28.005. Policies Relating to the Board

The Board has adopted policies governing its work that are set forth in this Article 28.005. These policies should be reviewed at the Board's first meeting each Rotary year and are as follows:

A. The Structure of Rotary International

Rotary International is a not-for-profit association of member clubs. The association represents, protects, encompasses, and promotes the interests of its membership, and it exists to serve the membership. The association belongs not to its leaders, but to its members, who determine through a democratic process who the leaders will be and who will represent them at the association level.

The leaders in turn make policy and financial decisions that affect and best serve the interests of the membership. In RI, these leaders are the general officers of the organization -- the president, other members of the Board of Directors, and the general secretary. The Board receives advice and guidance through the committee structure of RI, and it is assisted in the implementation of its decisions by the general secretary and his staff.

The staff, organizationally, is not a part of the policy-making or decision-making structure of RI. Rather, it represents the operational structure of the association, directed by the general secretary. The staff nevertheless has a role to play in assisting the decision-making process by providing background to, and serving as a resource for, the decision-makers, and by making observations, suggestions, or recommendations, as appropriate.

Good management practice requires that the policy-making or decision-making structure should be differentiated from the operating structure, as each fulfills a different purpose and role in the administration. The best interests of the association are served when the two structures do not overlap or conflict. Indeed, the administration of the association runs most smoothly when each level of its structure functions as intended. (*July 2013 Mtg., Bd. Dec. 11*)

B. The Role of the Board of Directors of RI

The Constitution and Bylaws of RI place certain duties and responsibilities on the Board of Directors of the association, and give to the Board certain powers to carry out those duties and responsibilities:

The affairs and funds of RI, shall be under the direction and control of the Board, in conformity with the constitution and bylaws and the Illinois General Not-for-Profit Corporation Act of 1986, and any amendments thereto. (RI Constitution, art. 6, sec. 2).

The Board of Directors of Rotary International shall be responsible for doing whatever may be necessary for:

- the furtherance of the purposes of Rotary International
- the attainment of the Object of Rotary
- the study and teaching of its fundamentals
- the preservation of its ideals, its ethics, and its unique features of organization and its extension throughout the world

In order to fulfill the purposes of Article 3 of the RI Constitution, the Board shall adopt a strategic plan. The board shall oversee its implementation in each zone. The Board shall report on the progress of the strategic plan at each meeting of the Council on Legislation. (RI Bylaws section 5.010.) The Board shall review the strategic plan regularly.

The Board directs and controls the affairs of RI by: (a) establishing policy for the organization; (b) evaluating implementation of policy for the organization; (c) exercising such other powers conferred upon the Board by the constitution, by these bylaws, and by the Illinois General Not-for-Profit Corporation Act of 1986, and any amendments thereto. (RI Bylaws section 5.040.)

The Board shall exercise general control and supervision over all officers, officers-elect, and officers-nominee, and committees of Rotary International. (RI Bylaws section 5.040.)

The Board elects the general secretary. (RI Bylaws section 6.030.)

The administration of clubs shall be under general supervision of the Board. (RI Constitution, art. 8, sec. 2.)

In fulfilling its duties and responsibilities, the Board functions in a number of ways.

1. The Board functions as a policy maker for the association. While the Council on Legislation, Council on Resolutions, and the convention may consider and act on proposed legislation and resolutions, and thus constitute the legislative arm of the association, it is the Board of directors that more often is called upon to develop and establish new policy, review existing policy, and modify policy where appropriate.
2. The Board functions as the program planning body for the association. It establishes goals and objectives -- both short-range and long-range -- and it considers proposals for new programs or changes in current programs. It may establish new programs, review existing programs, or may discontinue programs that have served their purpose or are no longer viable.

3. The Board controls the finances and adopts the annual budget of the association (with per capita dues being determined by the member clubs through the Council on Legislation).
4. The Board serves as an advocate for the association in promoting the ideals and programs of Rotary. It not only creates policy and programs, it has a responsibility for serving as a representative for the association in promoting and extending the fundamental ideals and object of the association and in gaining acceptance for its programs.
5. The Board, and its individual members, also have a responsibility to motivate the leaders of the association, its officers and committees, the member clubs and Rotarians generally in furtherance of the purposes of the association. The Board, in this role, becomes an initiator of action.
6. The Board identifies problems or trends in Rotary that may warrant the attention of the Board. (*September 2016 Mtg., Bd. Dec. 28*)

C. The Board of Directors and the Legislative Process of RI

As provided in the RI Bylaws, RI Directors are non-voting members of the Councils. A director cannot serve at a Council as the representative of the clubs of his district. A director's primary responsibility is as a member of the Board (see section 59.030.1.).

1. It is the responsibility of the Board of Directors of RI to make its leadership effective in the legislative process of RI in harmony with the function of the Board as the policy-making body of RI.
2. Legislation and resolutions offered by the Board shall be limited to subjects that:
 - a. are administrative in nature and relate either to the functioning of the Board or to the organization of Rotary International, or
 - b. have broad impact on the program of Rotary.
3. The Board shall take steps to further in the deliberations of the Council proposed legislation or resolutions the Board has offered.
4. The Board may establish a position or organize members of the Board to speak in the Council on behalf of the Board, for or against pending legislation or resolutions, when:
 - a. items of proposed legislation or resolutions are offered by the Board, and
 - b. items are offered by others on matters which the Board considers to be of concern to the interests of the organization.

The Board shall actively participate in the deliberation of the Councils with respect to such matters.

5. Participation by Directors in the deliberations of the Council will be on behalf of the Board, rather than a reflection of individual views. Moreover,
 - a. if the chair of the Council on Legislation or Council on Resolutions feels that an item of proposed legislation or resolution from the Board requires clarification, the president may designate a director to speak on behalf of the Board;
 - b. in the event a criticism of the Board is made during a session of the Council on Legislation or Council on Resolutions, the Board may reply to such criticism through a designated spokesperson;
 - c. in the event the Board withdraws its proposal from consideration by a Council, an explanation of the Board's reasons for such withdrawal may be provided by a designated spokesperson.
6. With respect to proposed legislation or resolutions offered by the Board at the instruction of a Council, the Board shall make clear that it is offering such proposed legislation or resolutions in compliance with such instruction.
7. Proposed enactments and position statements offered by the Board as emergency legislation shall be limited to those matters which are clearly emergencies, and the Board shall provide to the Council on Legislation information with respect to the need for such emergency legislation. *(September 2016 Mtg., Bd. Dec. 28)*

D. Criteria for Items Coming to the Board

The primary role of the Board of Directors is to determine policies for RI and to evaluate their implementation by the general secretary, who shall be responsible to the Board for the implementation of its policies and for management and administration.

The Board functions most effectively when it is able to devote its time and attention to policy and program matters at the association level, and is not called upon to devote considerable time to matters of a routine, administrative character where authority has been delegated to the general secretary. To enable the Board to focus only on matters that require its attention, criteria exist to aid in determining items that may be included on a Board meeting agenda.

1. Items submitted for consideration by the Board may emanate from the following sources:
 - a. Individual Rotary clubs (by petition)
 - b. Rotary District Conferences
 - c. Rotary institutes for present, past, and incoming officers of RI
 - d. Councils on Legislation or Councils on Resolutions
 - e. RI committees
 - f. Trustees of The Rotary Foundation
 - g. General Council of RIBI
 - h. Current RI general officers, including the general secretary
 - i. Current RI officers
 - j. Past RI general officers
 - k. Any committee of the Board

Other than the above-named persons, individuals may not submit items for the agenda of Board meetings.

2. The Board considers items on the basis of written presentations and background statements, including, when appropriate, proposals and recommendations for action by the Board. Except in cases where the president may determine that a personal presentation will be beneficial to the Board's consideration of a matter, the Board does not receive groups or individuals who may wish to appear personally before the Board.
3. Items on which the president, or the Executive Committee, or the general secretary is authorized by the Board to act on behalf of the Board shall be reported to the Board.
4. Items included in the agenda for consideration at a meeting of the Board shall normally be limited to those that involve or relate to:
 - a. duties and responsibilities placed on the Board by statute and that have not been delegated by the Board;
 - b. establishing new policy or modifying or terminating existing policy;
 - c. short-range and long-range planning for the international association;
 - d. establishing a new program of RI, modifying an existing program, or terminating a program previously established by the Board;
 - e. authorizing an expenditure not provided for in the RI budget as adopted by the Board, or modifying a budget appropriation as previously approved by the Board;
 - f. a change in RI policy, procedures or programs that would require action by a Council on Legislation;
 - g. programs and expenditures of The Rotary Foundation;
 - h. internal audit matters.
5. All matters of an administrative nature that can properly be considered to fall within the duties and responsibilities of the general secretary, shall be referred to the general secretary for attention and, as needed, for decision, thus relieving the Board of the task of dealing with such matters and preserving to the Board the time at its meetings to consider and act on those matters of a policy-making nature that by statute or otherwise require consideration by the Board of Directors of the international association.
6. Program proposals from clubs or individuals requiring Board approval should be referred to appropriate advisory committees by the general secretary for consideration and report to the Board. (*September 2016 Mtg., Bd. Dec. 28*)

E. Decisions Made by the Board of Directors

In the consideration of any subject, RI Directors may consider themselves as individuals until a decision is reached by the Board, after which time the decision is to be deemed, reported, and discussed as a decision of the entire Board. The vote and utterances of individual Directors in arriving at the decision shall remain confidential and shall not be made public. Staff attending the

Board meeting shall also be expected to maintain confidentiality as above. A director, however, may have his vote recorded upon request, except when the vote has been taken by a secret ballot. On any motion to provide for a secret ballot, a director may record his opposition to having such secret ballot.

All decisions, unless specified otherwise, take effect immediately upon the adjournment of the meeting at which they are made. (*August 1999 Mtg., Bd. Dec. 43*)

Source: July 1999 Mtg., Bd. Dec. 9

F. Consent Items at Board Meetings

At each meeting of the Board for which an advance memorandum is prepared and which includes a listing of items for consideration at the meeting, the Board may take action on one or more agenda items by general consent, i.e., by agreeing to a draft decision without general discussion on an item.

The purpose of consent items is to enable the Board to act expeditiously on matters on which there is general agreement, making discussion of such items unnecessary.

The consent items procedure shall operate in the following manner:

1. Prior to each meeting, the general secretary or a designated member of the staff will develop from the list of agenda items a suggested list of items that might be acted on by the Board by consent. This list must be approved by the president and sent to Directors with the advance memorandum.
2. The list of consent items will be presented early in the Board meeting, at which time any director may ask to have an item removed. If a director wishes to ask for clarification of an item on the list, and if clarification can be provided without general discussion, the item need not be removed from the consent list. Items removed from the list are assigned to the appropriate committee of the Board for discussion and recommendation to the Board.
3. Items may be referred by the president to committees of the Board for discussion and recommendation to the Board. For each item considered, the committees should prepare for the Board a recommended draft decision.
4. Recommended drafts from the committees will be provided to the Board in advance of the Board coming together for consideration of such drafts. A second list of consent items from such recommended drafts will be prepared by the general secretary for consideration by the Board. Any director may ask to have one or more of the recommended decisions removed from the list for full discussion and decision by the Board.
5. On recommendation of the president or any other director, the Board may defer to a subsequent meeting any item or items for which it is felt that the Board does not have sufficient time to consider, or that additional information is needed by the Board before a decision can be taken. (*August 1999 Mtg., Bd. Dec. 43*)

G. Board Agenda Procedures

1. Approximately 45 days before the beginning of a Board meeting, the president shall meet with the general secretary to review all items suggested to be considered by the Board at that meeting.
2. All advance memorandum items presented for RI Board consideration which have any financial impact on capital or operating budgets of Rotary International must be submitted to Financial Services through the Chief Financial Officer prior to the Board meeting for analysis of that impact. (see section 68.010.5.)
3. The general secretary shall establish a deadline for the submission of items for consideration by the Board at a particular meeting. The general secretary shall see that the entire advance memorandum, in the form approved by the Board, is made available via Board governance software to each director in advance of the meeting, except for those few items which for good reason could not be prepared earlier and will be provided at the time of the meeting.
4. The president shall refer all items for the Board's consideration to the Administration, Programs, or Executive Committee of the Board, provided that the president may direct that an item be considered only by the full Board.
5. The committees shall recommend a draft decision for each item for the Board's consideration. If the recommendation of the committee is less than unanimous, the recommendation shall state the vote of the committee.
6. The Board's meeting agenda shall be established by the president or a person designated by the president. Agenda items may be suggested by individual directors, the general secretary, and any group or individual listed under paragraph D.1. of Rotary Code section 28.005. A director may place an item on the agenda during the course of a meeting. Every effort shall be made to distribute such late item(s) to the Board a day before its consideration or, at the request of any director, its consideration may be delayed until after a recess of at least one hour.
7. The president shall establish the order of consideration of agenda items, subject to revision by the Board.
8. A Board meeting committee shall make every effort to finish its consideration of its assigned items within the specified time period; items not considered by that time shall go to the full Board without a committee recommendation.
9. A director's primary responsibility is to his or her own committee. However, he or she is encouraged to attend other committee meetings when his or her interest or expertise on a particular subject would assist the committee in its deliberations. (*June 2017 Mtg., Bd. Dec. 149*)

28.010. Selection Methods for Directors

28.010.1. Declaration of Duties and Responsibilities of RI Directors

Each candidate for director, and conveners of director nominating committees, shall be provided with a summary of the duties and responsibilities of Directors as set out in the RI Bylaws and in the *Rotary Code of Policies*. The prescribed form used in suggesting candidates for director shall include a signed declaration by the candidate that he or she has read, understands, and is willing to comply with such duties and responsibilities as they may be amended from time to time. 28.010.2. No Eligible Past Governor Available to Serve on Nominating Committee

Where there is no past governor available for election in a district who meets the qualifications provided in RI Bylaws section 13.020.3., a past governor who is not otherwise ineligible for membership on the committee may serve if the current governor certifies to the general secretary in writing that there are no past governors available for election from that district who meet the qualifications of RI Bylaws section 13.020.3. (*November 2001 Mtg., Bd. Dec. 45*)

28.010.3. Submission of Names for Membership on Director Nominating Committees

Notwithstanding RI Bylaws section 13.020.6., the RI Bylaws deadline of 1 June for submission of names for membership on the director nominating committee is firm. Any individual whose name is submitted by a governor after that deadline (except as provided in RI Bylaws section 13.020.8.) may not serve as a member of the director nominating committee. 28.010.4. Expenses of Nominating Committee for Director

The general secretary shall budget US\$1,500 for each convener of a director nominating committee, which may be used to offset costs of meeting room rental, coffee breaks, and one meal for the committee during its meeting, as well as for out-of-pocket postage, copying, telephone and miscellaneous expenses incurred in making arrangements for the committee meeting, and which may be reimbursed upon submission of an expense report form.

RI will not reimburse the expenses of nominating committee members other than the convener. Each district is encouraged to meet expenses of nominating committee members. (*November 2007 Mtg., Bd. Dec. 52*)

28.010.5. Guidelines for the Functioning of the Nominating Committee for Director

A. Prior to the Meeting

1. The convener shall make the necessary arrangements for the committee to meet at the time (which shall be between the fifteenth and thirtieth days of September) and place decided by the Board of Directors of RI.
2. As soon as possible following the final date (1 September) for receipt by the convener of forms from clubs submitting the names of suggested candidates for consideration by the nominating committee, the convener shall send to the other members of the committee copies of the suggestion forms filed with the convener.
3. There should be no other communication or exchange of information between members of the committee regarding a suggested candidate, prior to the meeting of the committee.
4. Prior to the time of the meeting, members of the committee, in reviewing the qualifications of a suggested candidate, should consider only the information provided in the official suggestion form. So that candidates may be considered on an equal basis, the nominating committee, and the individual members of the committee, should not take into consideration supplementary brochures, circulars, statements, etc., which may be attached to the official suggestion form or otherwise received by the members of the committee.
5. In person interviews of all candidates are required; however, in the event that extenuating circumstances arise (such as sudden illness or a death in the family) that prevent a candidate from appearing in person before the committee, the committee shall make every effort to interview the affected candidate electronically. Any candidate who is not interviewed may not be selected by the committee.
6. The committee shall ensure that each candidate is asked the same questions and each interview is allowed the same amount of time. The committee shall also ensure that all interviews are conducted on the same day or on consecutive days if required by the number of candidates and at the same location, which shall be conveniently located within the zone.

B. The Meeting

1. After the convener has called the meeting to order and reviewed the responsibility of the committee and the work at hand, the first order of business should be the selection of a chair from among the members of the committee. The election of the chair shall be conducted by secret ballot. Each member of the committee shall cast one vote for the chair. The convener and an assistant appointed by the convener shall count the votes and announce the results. If a majority of votes is not received by any member of the committee, a second ballot between the top two vote-getters shall be held. It shall be the duty of the committee chair to ensure that the following criteria are carefully observed and adhered to by the committee.

2. Before the committee begins its deliberations, the chair shall inquire whether any member of the committee has been contacted by or on behalf of any candidate, or is aware of any effort to influence members of the nominating committee, either directly or indirectly, and, if so, to bring these to the attention of committee at this time.
3. No one is to be in attendance during the meeting of the committee other than the duly elected members of the nominating committee and any interpreters needed for members of the committee.
4. The questions to be asked each candidate shall be developed with the entire committee present at the beginning of the meeting.
5. The committee shall conduct interviews of no more than 30 minutes with each of the candidates. The chair shall appoint a timekeeper during the interview process.
6. Following the interviews, but before conducting a ballot, the committee should thoroughly review the qualifications of each candidate. Committee members are encouraged to share their personal knowledge of candidates with one another. The chair, or a committee member appointed by the chair, may contact a candidate to ascertain correct information concerning the candidate's qualifications. No member of the committee should leave the room once the committee has started the deliberation process until the nominee has been selected.
7. The committee should strive to select the best qualified candidate, and consider using the following in selecting its candidate:
 - a. The Qualifications, Primary Duties and Responsibilities contained in RI Director Job Description
 - b. The questions developed by the RI Board to be used that year by the Nominating Committee for RI President in selecting its candidate
 - c. The candidate's vision and goals for Rotary
 - d. How the candidate's skills, competencies, and experience could bring specific or unique talents to the RI Board
8. Following the discussion of all of the candidates, the chair shall distribute ballots containing an alphabetical list of candidates and instruct each member of the committee to vote for six candidates. All voting conducted under this paragraph shall be conducted by secret ballot. The chair and assistant shall tabulate the results and announce the six highest vote-getters. Each of these candidates shall be discussed further by the committee, and the chairman shall distribute another set of ballots with the names of all but the remaining candidates crossed out. Each member of the committee shall be instructed to vote for four candidates. After the chair announces the results of this ballot, similar steps shall be followed to reduce the number of candidates to two and, finally, to one. Notwithstanding the foregoing, a candidate eliminated during a previous round of balloting may be reconsidered at any point if requested by at least six members of the committee. Voting must continue until there are two candidates remaining and one of the final two candidates receives at least a 60% majority of votes, regardless of whether any candidate received a 60% majority of votes in a previous round of voting. The candidate who finishes second in

the final vote shall not be considered to be an alternate. If there are fewer than six candidates, the voting under this section shall commence with a vote for the number of candidates that is one fewer than the actual number of candidates.

9. To select the alternate, each of the five remaining candidates from the initial six who were selected shall be discussed further by the committee, and the chairman shall distribute another set of ballots with the names of all but the remaining candidates crossed out. Each member of the committee shall be instructed to vote for four candidates. After the chair announces the results of this ballot, similar steps shall be followed to reduce the number of candidates to two and, finally, to one. Notwithstanding the foregoing, a candidate eliminated during a previous round of balloting may be reconsidered at any point if requested by at least six members of the committee. Voting must continue until there are two candidates remaining and one of the final two candidates receives at least a 60% majority of votes, regardless of whether any candidate received a 60% majority of votes in a previous round of voting. If there are fewer than five candidates, the voting under this section shall commence with a vote for the number of candidates that is one fewer than the actual number of candidates remaining.
10. Prior to the adjournment of the meeting of the committee, the chair, on behalf of the committee, should contact the candidate selected by the committee to determine that person's willingness and ability to serve as director of RI if nominated and elected.

C. Subsequent to the Meeting

1. Immediately following the meeting of the committee, the chair shall notify all the candidates of its selection of the candidate for nomination as director of RI.
2. As soon as possible following the adjournment of the meeting of the committee, the chair shall send to the general secretary the name and address and acceptance of the nominee. The chair shall later file with the general secretary the written report of the committee naming its selection of a candidate for nomination as director, including an indication that the named candidate has been contacted by the committee and has indicated willingness and ability to serve as director of RI if nominated and elected. The report should also state that, to the best of the committee's knowledge, the selected candidate has not violated RI's rules against campaigning for office. The written report of the nominating committee must be filed with the general secretary no later than ten days following the meeting of the committee.
3. The proposal forms for the candidate selected and the alternate selection and the proposal forms for the remainder of candidates shall be transmitted to the general secretary. The name of the alternate candidate shall otherwise be kept confidential.
4. Members of the committee are not to discuss with anyone their deliberations within the committee at any time or reveal the name of the nominee until after all candidates have been notified. (*June 2017 Mtg., Bd. Dec. 156*)

The general secretary should include information regarding the legal and fiduciary responsibilities of members of a non-profit board, and update Directors as necessary throughout the year.

Each orientation program shall have a session on staff/volunteer roles and expectations and a director's ethical responsibilities. This session shall be presented by the chair of the Operations Review Committee, or his/her designee, in conjunction with the general secretary or a staff member designated by the general secretary. 28.070. Relationship Between Directors and Governors

Directors represent all clubs in the administration of Rotary. Governors are under the general supervision of only the Board. However, because of the director's place of residence and familiarity with the zone, a special relationship exists between the director and the governors of districts in the zone from which the director has been nominated or the zone that alternates with it. Consistent with the basic roles of RI officers, the special relationship between Directors and governors can enhance the program of Rotary. Individual Directors should advise the Board in matters coming to the Board for which familiarity with the associated locale, its customs, practices and individuals would be helpful. Directors and governors should exchange information on district activities and Board action. Governors should consult informally with appropriate Directors about such matters as interpretation of Board action, serious district or inter-district problems or possible future formal communication to the Board. 28.080. Relationship Between Directors and Regional Leaders

Directors serve as the elected leadership of Rotary and are responsible for executing corporate governance and fiduciary responsibility globally, in the zones they serve, and on behalf of Rotary. As such, Directors are expected to create an environment for success by facilitating teamwork, communication and collaboration at the club level through the district and regional leadership. Directors communicate a vision for their zones and lead action planning with regional leaders to achieve their goals.

Directors' responsibilities to their regional leader team include but are not limited to:

- Introduce the regional team(s) to the zone and district leadership as appropriate
- Schedule regular (at least quarterly) meetings with their regional leader team(s) to confer on regional strategies, celebrate accomplishments, and to solve challenges (Meetings may be conducted in person or in a virtual environment)
- Facilitate teamwork
- Mentor individual regional leader team members to be more effective, including remediation of poor performance as appropriate
- Advise on regional leader assistant selection
- Identify potential regional leader candidates from their zones and identify replacement regional leaders for terms that end early
- Promote Rotary's strategic plan
- Promote the use of regional leader team members within the zone
- Encourage district governors to invite regional leaders or their assistants to their events (*June 2018 Mtg., Bd. Dec. 172*)

28.090. Conflict of Interest Policy

The RI Board has adopted a "Conflict of Interest Policy" for general officers and RI committee members as follows:

I. Statement of Policy

A. No member of the Board of Directors of Rotary International or any member of an RI committee shall use his or her position, or the knowledge gained therefrom, in such a manner that a conflict between the interest of Rotary International and his or her personal interest arises.

B. Each Board member and RI committee member has a duty to place the interest of Rotary International foremost in any dealings with the organization and has a continuing responsibility to comply with the requirements of this policy.

C. The conduct of personal business between a member of the Board or of a committee and Rotary International is prohibited.

D. Loans or indirect extensions of credit by Rotary International to a member of the Board or of a committee are prohibited.

E. If a Board member or an RI committee member has an interest in a proposed transaction with Rotary International in the form of any personal financial interest in the transaction or in any organization involved in the transaction, or holds a position of trustee, director, or officer in any such organization, he or she must make full disclosure of such interest to the President (or in the case of the President, to the Executive Committee Chairman) before any discussion or negotiation of such transaction. If a director is aware that another director has an undisclosed potential conflict of interest in a proposed transaction with Rotary International he or she must inform the President (or if the other director is the President, to the Executive Committee Chairman) as soon as possible. If an RI committee member is aware that another RI committee member has an undisclosed potential conflict of interest in a proposed transaction with Rotary International he or she must inform the President as soon as possible.

F. Any member of the Board or of a committee who is aware that he or she has a potential conflict of interest with respect to any matter coming before the Board or a committee shall not be present for any discussion of or vote in connection with the matter. The existence and nature of the potential conflict of interest shall be recorded in the minutes of the meeting.

G. Each member of the Board and RI committee member must disclose any family or business relationship that he or she has with another member of the Board, Trustee of The Rotary Foundation, key employees or highest compensated independent contractors of Rotary International or The Rotary Foundation as those individuals or firms are identified annually by the general secretary.

II. Disclosure

To implement this policy, Board members of Rotary International will submit annual reports on the attached form entitled "Potential Conflict of Interest Statement" and, if not previously disclosed, will make disclosure of all potential conflicts of interest prior to any relevant Board or committee action.

These reports will be reviewed by the Executive Committee, which will attempt to resolve any actual or potential conflicts and, in the absence of resolution, refer the matter to the Board of Directors. A potential conflict of interest will be deemed to exist upon an affirmative vote of a majority of the directors voting in the decision. The director with the potential conflict of interest shall not be present for the vote.

RI committee members will submit annual reports on a form entitled “Potential Conflict of Interest Statement” and, if not previously disclosed, will make disclosure of all potential conflicts of interest prior to any relevant committee action. These reports will be reviewed by the President, who will attempt to resolve any actual or potential conflicts or take further action as appropriate. (*May 2011 Mtg., Bd. Dec. 193*)

28.100. Code of Ethics

1. Directors will adhere to applicable laws and regulations in the conduct of Rotary business as well as in their personal lives. As a corporate business entity, Rotary International is subject to the laws of the various jurisdictions in which it conducts business. The Board should adhere to applicable law in order to protect the assets and mission of the association. In addition, in conducting their private lives, directors should adhere to applicable law in order to preserve and protect the positive image of Rotary.

2. Directors will adhere to the provisions of RI’s constitutional documents. Board members have a legal obligation to follow the provisions of RI’s constitutional documents. Moreover, these documents embody the democratic will of Rotary’s membership as represented at the triennial Council on Legislation. Through these documents the membership has established standards expected of the Board. Adherence to their terms garners the trust of the membership and assures that actions are taken consistent with members' expectations.

3. Directors will adhere to the provisions of the policies established by the Board as documented in the *Rotary Code of Policies*. Over the years, the Board has established policies and procedures, documented in the *Rotary Code of Policies*, to further the aims of the association as well as to protect its mission. Many of these provisions are designed to assure good governance and promote an ethical image. Adhering to these policies demonstrates a commitment to these ideals while protecting the association.

4. Directors will serve for the benefit of Rotarians and the purposes of RI and will act independently of any inappropriate influence in the best interests of Rotarians and RI. Directors will follow the requirements of the Board’s Policy on Conflicts of Interest. Directors have a duty of loyalty to RI. They should put the interests of the association first. The Board has adopted a Conflicts of Interest Policy that is designed to preclude even the appearance of any impropriety as to Board action. For this reason, Directors must refrain from accepting any offers, gifts, or favors in exchange for influencing or taking a position on an item coming before the Board. This assures continued confidence by Rotarians in their Board.

5. Directors will not utilize their office for personal prestige and/or benefit. With the authority inherent in an office of importance comes access to special privileges not available to other Rotarians. Taking advantage of such privilege distracts from critical responsibilities and calls into question the commitment to the Objects of Rotary.

6. Directors will exercise due care in the diligent performance of their obligations to the association. By law, directors have a duty of care to the association. Directors should perform their responsibilities with such care, including reasonable inquiry, as ordinarily prudent persons in

like positions would use under similar circumstances. Directors should inform themselves, prior to making a business decision, of all material information reasonably available to them.

7. Directors will take actions based on an essential fairness to all concerned. Directors are often faced with decisions that will significantly impact various Rotarian groups and individuals. So as to maintain the confidence of Rotarians that the Board acts fairly and in the best interests of the association, Directors, in a manner consistent with the 4-Way Test, should weigh the potential impact of their decisions and treat equally all persons who will be affected.

8. Directors will promote transparency of important financial information. Directors are the stewards of the association acting on behalf of Rotary clubs and Rotarians. Rotarians have a right to access accurate information regarding the financial condition of the association. Transparency in financial operations encourages ethical behavior.

9. Directors will prohibit and restrict the disclosure, communication, and utilization of confidential and proprietary information. In fulfilling their responsibilities as members of the Board, directors necessarily have access to confidential and proprietary information. As part of their duty of loyalty, directors should utilize this information only for intended purposes, never for personal ones, and take precautions against accidental disclosure.

10. Directors will comply with expense reimbursement policies. The Board has adopted a policy on the procedures for reimbursement of Rotary related expenditures. Following these procedures ensures compliance with applicable laws and precludes the appearance of impropriety.

11. Directors will interact with RI and TRF staff in a professional and respectful manner and shall understand and abide by Rotary International's non-harassment policy. Directors come into regular contact with RI and TRF staff. Maintaining a professional and harassment free work environment is essential for staff to successfully perform their responsibilities in providing service to Rotarians. Moreover, harassment in the workplace can put the assets of the organization at risk. The general secretary has developed a policy for prevention of harassment in the workplace. What constitutes acceptable interaction may vary among the different cultures represented on the Board and in the Secretariat. The harassment policy provides guidance on what is proper interaction with staff. Board members should be familiar with and adhere to the policy so as to avoid even unintentional improper interaction.

12. Directors will adhere to this Code of Ethics, encourage other board members to do so as well and report any suspected or potential violations to the general secretary or the President. The efficacy of this Code of Ethics is dependent on compliance of the Board. By self-monitoring and encouraging other Board members to comply with the Policy, the Board can assure that the goals of the Policy will be accomplished. *(September 2017 Mtg., Bd. Dec. 30)*

28.100.1. Implementation

The Code of Ethics shall be distributed to and reviewed with directors-elect as part of their orientation session. It will also be provided to directors at least annually. Each director will annually acknowledge that he has read the Code and understands and will comply with his responsibilities hereunder. *(April 2016 Mtg., Bd. Dec. 157)*

28.100.2. Interpretation and Enforcement

When made aware of a potential or alleged violation of the Code of Ethics, the general secretary and the President will provide available details to the Executive Committee. The Executive Committee will then obtain all relevant information and take such action as it deems appropriate, including providing counsel to the alleged violator and providing recommendations to the Board for corrective action. Only the Board may take disciplinary action against a director, consistent with RI's constitution and bylaws and the *Rotary Code of Policies*. (June 2005 Mtg., Bd. Dec. 272)

28.110. Indemnification of RI Directors and Officers

The Board has adopted the following statement pursuant to its authority under Article 24 of the RI Bylaws:

Rotary International shall indemnify all of its present and former directors and officers to the full extent permitted by the Illinois General Not for Profit Corporation Act of 1986, or any successor legislation adopted by the State of Illinois of the United States of America, the relevant indemnification provisions of which act are hereby incorporated herein by reference. In addition, Rotary International may, upon approval of the directors, indemnify any committee member or agent of Rotary International to the full extent permitted under the said General Not for Profit Corporation Act. Rotary International shall also cause to be purchased insurance for such indemnification of its officers and directors to the full extent determined from time to time by the directors of Rotary International. 29.010. Regional Leaders

Regional leaders is the term used for the team of Regional Rotary Foundation Coordinator (RRFC), Rotary Coordinator (RC), Rotary Public Image Coordinator (RPIC) and the Endowment/Major Gifts Adviser (E/MGA) that works together in the districts they serve to improve membership, giving, program participation, and public image. (*June 2018 Mtg., Bd. Dec. 172*)

29.010.1. Teamwork

The regional leader team supports the interrelated priorities of Rotary's strategic plan and goals working under the direction of the RI Director with support from either a Trustee that resides in the zones of that Director or from a Trustee within the greater geographical region.

All regional leaders and their assistants need to work together as a team to successfully serve their districts. Regional leaders understand their role and the role of each member on their team. No individual regional leader role is more important than another and none holds a more senior level of Rotary office than any other regional leader. Each regional leader has individual responsibilities, however, in order to be successful, their work intersects and supports the work of the full team. Regional leaders approach their work collaboratively, identify team dysfunction, and work together to overcome it, while continuously communicating. Working as a team, regional leaders can better meet their goals and the needs of their districts.

The regional team is strongly encouraged to jointly:

- develop shared goals and visions for their districts and zones
- hold training events whenever possible in their geographic area of responsibility
- send communications to district leadership to facilitate better communication within the districts and zone
- encourage positive change in the districts they serve. (*June 2018 Mtg., Bd. Dec. 172*)

29.010.2. Coordinator Training

Newly-appointed coordinators attend a joint-training institute named "Regional Leaders Training Institute," (RLTI). RLTI is planned by a Moderator and two lead facilitators in consultation with the general secretary. The RLTI Moderator is selected jointly by the Incoming Trustee Chair-elect and the President-nominee. The Incoming Trustee Chair-elect and the President-nominee each select one of the two RLTI lead facilitators. Candidate selections for the RLTI Moderator and lead facilitator names are shared with the RI Board and TRF Trustees for review before appointments are finalized.

Second and third year coordinators are provided continued training, learning, and skill-building opportunities through a structured plan provided by the general secretary. (*June 2018 Mtg., Bd. Dec. 172*)

29.010.3. Regional/District Trainings

Regional leaders organize, lead, and/or participate in trainings year-round. Training events should be relevant and targeted for governors and other district leaders to use again at the club level. Training events include:

- Regional Team Training – Assistants and others are trained before 1 July in this meeting convened by the Director that will oversee the regional team in the coming Rotary year. Incoming regional leaders work in close collaboration and communication with both the current Director and the current regional leaders for all regional team training. E/MGAs are encouraged to provide training to District Endowment/Major Gifts Subcommittee Chairs.
- Governors-elect Training (GETS) and Rotary Institutes – Serve as an introduction of regional leaders as resources to district leaders and their district chairs. While not all regional leaders may be invited to be on the official GETS training team, all regional leaders are encouraged to attend GETS and Rotary Institutes to establish and strengthen relationships with district leaders.
- Regional Seminars – Held in collaboration with other regional leaders to inspire Rotarians, especially district leaders, with new information, resources, tools, and an opportunity to share best practices.
- President-elect Training Seminar and other District Seminars –Regional leaders and their teams should work with the governor and governor-elect to support the training of club presidents-elect and other district leaders, including helping with training program and curriculum development, and, if invited, providing training or participating in district training events.
- On-line – Use of webinars, on-line meetings, teleconferences, and videoconferences is strongly encouraged for the broadest reach and impact within clubs and districts. E-learning resources on Rotary’s website are also effective tools for distance learning. (*June 2018 Mtg., Bd. Dec. 172*)

29.010.4. Funding

Annual funding from available Rotary financial resources is provided to cover basic and necessary business expenses incurred directly by regional leaders in carrying out their role responsibilities. (*June 2018 Mtg., Bd. Dec. 172*)

Source: June 2018 Mtg., Bd. Dec. 172

29.010.5. Evaluation

Regional Leaders’ progress towards reaching their goals is regularly reported to the general secretary. Annually, regional leaders self-assess their performance in reaching outcomes, conducting activities, improving their competencies, and their qualitative contributions. These annual self-assessments are shared with RI Directors and Trustees for facilitating mentoring

opportunities. The general secretary consults with the Rotary President in the implementation of an independent remediation process for low or under-performing regional leaders. (*June 2018 Mtg., Bd. Dec. 172*)

29.020. Rotary Coordinators (RCs)

RCs serve as a resource to districts for membership attraction and engagement, club-strengthening strategies, new club creation, and promotion of Rotary programs for a term of three years, subject to annual review. Each of the 34 zones has at least one regional leader team that is assigned to the districts within the zone, zone section, or part of the zone. (*June 2018 Mtg., Bd. Dec. 172*)

- expertise in membership attraction and engagement, new club creation, strategic planning, or Rotary programs

Preference for RC candidates will be given to candidates with demonstrated:

- collaborative leadership styles

Additionally, RCs plan, communicate and collaborate with their regional leader team to have long-lasting impact in the districts they serve.

District Governors

RCs are a key resource to governors and their District Membership Committee Chairs to improve membership attraction and engagement, strategic planning at the club and district levels, new club and satellite club development strategy, and promotion of participation in Rotary programs. RCs need district governors to actively promote them as a resource to their district chairs.

Assistant Rotary Coordinators

Rotary coordinators select their assistants, in consultation with their Director based on demonstrated success and experience with regional membership attraction and engagement strategies, new club and satellite club development, strategic planning, and Rotary programs. Assistants are appointed annually, for up to three years to ensure maximum effectiveness in the districts they serve, especially in relation to geographic coverage, functional expertise, and language ability. Assistants should not serve concurrently with a significant regional or district-level role. Assistants help the RC with education, motivation and training about membership, strategic planning, and Rotary programs.

Candidates for assistant RCs must be vetted with the general secretary for compliance with Rotary policy related to stewardship, youth protection, financial and other obligations before the appointments are finalized. (*June 2018 Mtg., Bd. Dec. 172*)

The purpose of RPICs is to proactively promote Rotary's strategic plan by helping to build the capacity of clubs and districts to identify and effectively tell impactful stories that demonstrate Rotarians as people of action to the public and within Rotary. RPICs also advise on local and regionally-appropriate use of Rotary's brand and public image campaign materials. RPICs work in collaboration with the district structure to support and encourage clubs to have a robust media and social media strategy, an up-to-date website, and an engaging online presence in their local communities. As motivators, trainers, and advisors, RPICs work with districts to help them understand how to effectively secure local media coverage and promote Rotary special events and Rotary marketing in the districts they serve. *(June 2018 Mtg., Bd. 30.060. Guidelines for Aides to RI Officers

The RI Board has adopted "Guidelines for Aides to RI Officers." RI presidents, Directors, or Foundation Trustees may develop guidelines that are specific to their special travel needs and that vary from these guidelines.

The duties will vary depending on the duration of the stay and the type of activities planned. The overall responsibility is to be sure that the officer is comfortable, arrives on time for all events, and enjoys the visit.

The following guidelines are to be followed by the aide(s):

1. Before arrival, the aide's responsibilities are to:

- a. Send information to the officer giving details about himself/herself, such as contact information and name of spouse and photos, if possible
- b. Inform officer of any special dress obligations (formal wear, etc.) during the time of the visit; ask for any specific requests from officer
- c. Send the officer, or confirm that event organizers have sent, complete program for the entire time of the visit, including information on all presentations or speeches the officer will be expected to make and any other commitments, visits or activities in which he/she will be expected to participate, as well as general background on the host club(s) and/or district(s)

- d. Have information on hand as to medical help (hospital, doctor, dentist) for emergencies;
 - e. Inquire about any special accommodation needs or preferences the officer may have (type of beds, smoking/non-smoking, etc.) and any dietary restrictions or allergies
 - f. Check hotel arrangements
 - 1) Pre-register officer (and spouse, if appropriate)
 - 2) Have key to deliver to the officer personally
 - 3) Check room to make sure that it is ready for occupancy
 - 4) Check billing instructions, so there are no problems with checkout. Be sure that arrangements for payment are clear. If the officer is expected to pay directly, be sure the officer is aware of this prior to check-in. Review the hotel bill on behalf of the officer.
 - g. If there are registration materials and/or badges for the event, secure that material in advance and check to be sure names are spelled correctly and that all necessary material and information is included in the materials.
2. During the officer's stay, the aide's responsibilities are to:
- a. Meet the officer at the airport (or other point of arrival), assist with baggage as needed and provide transportation, as needed, throughout the visit
 - b. Be sure the officer knows how to contact you at all times during his/her stay
 - c. Be sure the officer knows the exact time he/she is to be picked up for any activity
 - d. Escort the officer and his/her spouse to each activity and stay with them at the activity. If possible, know the seating arrangements in advance and have your seats as close to them as possible
 - e. Introduce the officer to other participants and provide as many opportunities as possible for the officer to interact with other Rotarians and guests. However, it may also be necessary to be available to help move the officer through a crowd or prevent one person from monopolizing the officer
 - f. Be attentive to any need of officer and spouse during the activity; be protective and helpful, but not overbearing or intrusive
 - g. Handle any gifts or literature the officer may receive. If possible, make sure a business card is attached to these items. If necessary, send gifts to the officer's home or office following the event. Please also send a list of the gifts received with the complete name and address of the giver
 - h. Keep the event organizer(s) informed about any needs or desires of the officer
 - i. Do not plan any activities other than those already planned by the coordinator of the event, unless specifically asked to do so by the officer
 - j. Be ready for the unexpected; to the extent possible, anticipate situations; do not be afraid to ask officer what her/his wishes are
 - k. Be prepared to carry out various "ad hoc" responsibilities. For example, you may be called upon to serve as "photographer" for those wishing to have photos taken with the officer.
3. Following the event, the aide's responsibilities are to:
- a. Provide (or arrange) transportation back to the airport (or other point of departure) for the officer and spouse, including assistance with baggage
 - b. If needed, ship large gifts or mementos to the officer. (*April 2016 Mtg., Bd. Dec. 157*)

30.060.1. Guidelines for the Selection of Aides to RI Officers

The RI Board has adopted “Guidelines for the Selection of Aides to RI Officers.” RI presidents, Directors, or Foundation Trustees may develop guidelines that are specific to their special travel needs and that vary from these guidelines.

The role of the aide to the RI president or other RI officer is to provide assistance and information to the officer before, during and after the visit of the officer. The selection of the aide should be based on the ability of the individual(s) to fulfill the responsibilities of the assignment. Please take the following guidelines into consideration when appointing a Rotarian to serve as the aide to a visiting RI officer.

The aide must

1. be a knowledgeable and experienced Rotarian, preferably a past district governor or past director, with an understanding of Rotary protocol, and be well-versed in host club/district activities and information;
2. be available to the officer throughout the visit/event;
3. have the stamina to maintain the demanding schedule of the event;
4. be well organized, punctual and patient;
5. be fluent in the language of the officer and able to provide interpretation if the officer is not conversant in the language used in the host area;
6. provide/arrange transportation for the officer, if needed;
7. be fully informed on the officer's schedule and needs;
8. be able to carry out all duties outlined in the "Guidelines for Aides to Rotary International Officer." (*April 2016 Mtg., Bd. Dec. 157*)

32.010.5. Procedures For Selection/Resignation/Termination of General Secretary

The Board of Directors of Rotary International shall be the sole body which is authorized to employ, review, terminate or accept the resignation of the general secretary. Pursuant to its authority under the RI Constitution, RI Bylaws, and laws of the State of Illinois, the Board has adopted the following “Procedures for the Selection/Termination of the general secretary.” These steps must be handled sequentially.

Selection

1. One year prior to expiration of the contract, the general secretary will notify the Executive Committee of the Board in writing as to whether or not he/she wishes to renew the contract as general secretary.
 - a. If a renewal is desired, the Executive Committee shall review the performance of the general secretary, including past performance reviews. The Executive Committee shall then report to the full Board who will decide whether to extend the contract. Before reaching a decision, the Board also may decide to open the position to a search;
 - b. If the Board agrees to extend the contract with the general secretary, the Executive Committee shall negotiate the new agreement as directed by the Board.
2. If the general secretary decides not to seek renewal of the contract, or if the Board does not extend the contract or desires to consider other candidates, the Executive Committee shall serve as a Search Committee. A member of The Rotary Foundation Board of Trustees shall be invited to serve as a member of the Search Committee.
 - a. The Search Committee shall retain an external executive recruiting and search firm to assist with the selection of the next general secretary;
 - b. Resumes will be sent to and collected by the external search firm. All resumes or summaries of the resumes will be forwarded to the Search Committee along with an analysis and recommendation of each candidate;
 - c. The Search Committee will determine which candidates will be interviewed. Such candidates’ expenses associated with the interview process will be covered pursuant to the RI Travel and Expense Policy;
 - d. Working with the committee chair, the external search firm will schedule interviews with no fewer than five candidates;
 - e. The Search Committee shall review the candidates’ resumes, interview the candidates, and through its chair, present no fewer than three candidates to the Board. These three or more candidates shall be invited to appear before the full

Board. The chair of the Executive Committee shall chair the interview process in full Board session;

- f. The full Board elects a new general secretary prior to 31 March pursuant to RI Bylaws section 6.030. The Executive Committee or a sub-group of the Executive Committee, plus other Directors as determined by the Executive Committee, shall form a committee to negotiate the contract. The General Counsel will work with the Executive Committee to engage a U.S. employment law attorney to assist the committee in its negotiations with the new general secretary. After negotiation, the contract shall be shared with the full Board.
- g. The contract must be signed by 30 April and becomes effective the following 1 July.

Resignation

In the event that the general secretary tenders his/her resignation from office, the letter of resignation shall be addressed and forwarded to all members of the Executive Committee of the Board. The Executive Committee shall then forward such resignation letter to the members of the Board. The Board shall direct the Executive Committee pertaining to such resignation. The Executive Committee shall represent the Board in all matters pertaining to the resignation, and report its actions to the Board.

Termination

(Illinois is an “at-will” state in which an employee can be terminated or resign without reason or notice. However, employment contracts may define procedures for termination by either party.)

1. Any member of the Board can make a written recommendation to the Executive Committee Chair to terminate employment of the general secretary. The Chair must pass the recommendation(s) to the Executive Committee.
2. If the Executive Committee decides not to act upon the recommendation for termination, it will inform the member of the Board of its decision in writing.
3. If the Executive Committee decides to seek termination, it shall, in accordance with procedures outlined in RI bylaws section 5.040., invite the general secretary to appear before the full Board. The general secretary shall notify the president whenever a Service Above Self Award is rescinded. (*November 2008 Mtg., Bd. Dec. 66*)

33.010.18. Standard of Conduct for Interactions with Secretariat Staff

RI is committed to maintaining a professional work environment for its employees. Rotarians are expected to interact with staff members in a professionally respectful, collaborative, and courteous manner, whether such interaction be in person, or by

telephone, email, or other form of communication, and whether the interaction occurs in an RI office, at a Rotary event or function or elsewhere. If an employee believes that he/she has been mistreated or observes mistreatment of another staff member by a Rotarian in connection with Rotary business then the employee is encouraged to report the alleged mistreatment to his or her manager or another manager within Rotary.

Furthermore, RI is also committed to maintaining a work environment that is free of any form of harassment, whether harassment is initiated by Rotarians, other volunteers, employees, vendors, or others with whom employees have contact while performing their jobs. RI will take appropriate measures to prevent and/or stop any such harassment. 33.020.2. Attendance of Staff at Rotary Events

The policy for staff attendance at Rotary events is as follows:

All invitations for RI staff members to attend any Rotary institute, club or district function or any other Rotary meeting or event shall be sent to the general secretary, who shall determine whether such invitations should be accepted and which staff member(s) should attend which meeting or event. In making such determinations, the general secretary shall be satisfied that the requested attendance could enhance the work of the staff member(s) assigned or that the meeting or event itself is of such significance that staff representation could be considered complementary to the public relations, field service or other program objectives or the association.

For Rotary institutes, RI normally will pay the expenses of only one staff member to such institute, except for staff attending to conduct seminars or other events arranged by RI, or when the attendance of additional staff is consistent with the achievement of any authorized program activity for which funds have been appropriated and are available. The expenses of other staff invited and assigned by the general secretary to an institute shall be borne by that institute. Staff attendance at club or district functions shall be at no or minimal expense to RI.

Where practical, staff attendance at all club, district, regional/zone or other Rotary meetings or events shall be combined with other official travel by such staff. (*June 1998 Mtg., Bd. Dec. 348*)

34.005. Definition of Rotary Marks

The "Rotary Marks" include all of the below listed word and design marks, plus the annual RI Convention logos, the RI Presidential themes and theme logos, among numerous others. These marks are trademarks and service marks owned by Rotary International and used by Rotary clubs, Rotary districts, and other Rotary Entities under guidelines promulgated by the Board, which is entrusted with authority to maintain, preserve and otherwise protect the use of RI's intellectual property marks under section 19.010. of the bylaws of the association. Rotary clubs, Rotary districts, and other Rotary Entities are encouraged to use the Rotary Marks under RI guidelines. However, global ownership rights remain with RI in accordance with the bylaws in order to maintain the integrity and exclusivity of ownership of the Rotary Marks and to preserve and protect them for use by Rotarians throughout the world. (RIB 19.010.) The registration of RI's intellectual property by RI enhances the association's exclusive use of the marks and strengthens RI's position to prevent misuse by other individuals and entities. Rotary clubs and Rotarians are therefore asked not to apply for trademark registration of the Rotary Marks or any abbreviations or portions thereof.

34.020. Permission to Use Rotary Marks

The Board has adopted the following regulations and conditions for use of the Rotary Marks by those seeking to do so:

- 1) All dies, stamps, mold, cuts or other impressions of the Rotary Marks shall conform exactly to the description and specifications of the official emblems authorized and adopted by RI. The Rotary Marks shall not be mutilated in any way nor shall they have anything superimposed upon them.
- 2) For correct color reproductions of the Rotary emblem, current guidelines are found in the Brand Center at <https://brandcenter.rotary.org> and in “*Voice and Visual Identity Guidelines*,” which give further specifications for reproducing the Rotary emblem and guidelines for maintaining a standardized, coordinated identity for all Rotary materials (547A).

- 4) The Rotary emblem shall not be printed or used in any manner on the business stationery or business cards of any person, firm, or corporation (except RI and the member clubs of RI which may make such use of the emblem).
- 5) The Rotary emblem shall not be used by any person, firm or corporation as a trademark, nor shall the word "Rotary" be used as a trade name or brand or as descriptive of any article of merchandise. (*October 2015 Mtg., Bd. Dec. 37*)

34.030. Use of Emblem

34.030.1. Rotary Emblem Specifications

The official emblem of RI is a gear wheel of six spokes or arms, 24 teeth or cogs and a keyway; one tooth is placed on the center line of each arm and three in between the center lines of arms. The wheel is designed in accordance with the proportions given in the table below. The two words “Rotary International” appear in depressed spaces in the rim. With the wheel standing on edge, the word “Rotary” appears in the depression at the top which occupies a space of about five teeth, and the word “International” appears in the depression at the bottom which occupies the space of about nine and one-half (9 1/2) teeth. On each side and between these two depressions are two other depressions without lettering. The space between any two of these four depressions is about two units in accordance with the proportions given below and the space between the depressions and either edge of the rim is one and one-half (1 1/2) units. The arms are tapered and elliptical in cross-section. When the wheel is standing on edge with the word “Rotary” at the top, the center lines of two opposing arms form a vertical diameter of the wheel, and bisect the keyway which has reached the highest point in its revolution. The sides of the teeth are slightly convexed

outward, so that the space left between teeth is approximately mechanically correct. The proportions for the correct design are

- Overall diameter 61 units
- Center to base or root of teeth 26 units
- Width of rim (inside edge to base of teeth) 8½ units
- Hub diameter 12 units
- Shaft diameter 7 units
- Arms or Spokes
 - Width where they join the rim (sides projected) 5 units
 - Width at center of shaft (sides projected) 7 units
- Vertical section of keyway
 - Width 1¾ units
 - Depth 7/8 units
- Teeth or cogs
 - Width at base 4¼ units
 - Width at tip 2¼ units
 - Height 4½ units
- Lettering
 - Width of depressed space 5½ units
 - Height of letters 4 units

It should be noted that in order to make the wheel more emblematic of service, a keyway has been added to the above description. In a one-dimensional reproduction, the hub of the gear wheel should be demarcated by a circle surrounding the keyway. If it is a three-dimensional reproduction, the hub should be raised. And furthermore, the position of the spokes has been established. For correct color reproductions of the Rotary emblem, current guidelines are found in the Brand Center at <https://brandcenter.rotary.org> and in “*Voice and Visual Identity Guidelines*,” which give further specifications for reproducing the Rotary emblem and guidelines for maintaining a standardized, coordinated identity for all Rotary materials (547A). The following constitute improper usage:

- a) As a trademark or special brand of merchandise
- b) When used in combination with any other emblem or name, except in accordance with RI's sponsorship, partnership, cooperative relationship and other third party relationship policies and under the provisions of RI's licensing system and RI's member benefit program
- c) On business stationery or business cards of individual Rotarians
- d) When used for any commercial purposes

The following use of the emblem, while not encouraged, is permissible: On articles for personal use of or greetings from Rotarians and their families.

Accordingly, the use of such regalia is disapproved except in those countries where local custom dictates otherwise, with the understanding that the simple and temporary nameplates and ribbon badges used at Rotary conventions and conferences are not included in this disapproval. 34.030.6. Use of the Rotary Emblem or other Rotary Marks by Rotary Entities

When used by itself, the word "Rotary" or the Rotary Emblem normally refers to the entire organization, Rotary International. It also means the ideals and principles of the organization. All club, district, multidistrict and other Rotary Entity activities, projects and

organizations must include identifiers of the club, district, multidistrict group or other Rotary Entity when using the Rotary Emblem or other Rotary Marks. In limited instances and in RI's sole discretion, a geographic identifier may be used, provided it accurately represents the interests of each club in that area and appropriate approvals are sought from the district governors and/or the club presidents. Such identifier must be in close proximity to and in equal prominence with the Rotary Emblem or other of the Rotary Marks.

The Rotary Marks must always be reproduced in their entirety. No alterations, obstructions or modifications of the Rotary Marks are permitted. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with "Rotary" as part of the "digital and small space signature lock-up" or with "Interact" or "Rotaract" as part of the digital and small space simplified signatures for the Programs logos. To accommodate the embroidery medium, the modified Rotary emblem may be used on licensed and other RI authorized articles of clothing in replications greater than 0.5 inches (1.27 cm) but only in sizes too small to accommodate accurate reproduction of the Rotary emblem, provided the modified Rotary emblem is always used together with "Rotary," "Interact," or "Rotaract" in the simplified signature format. RI allows for overwriting of the Rotary emblem or other Rotary mark (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed.

For correct color reproductions of the Rotary emblem or other of the Rotary Marks, current guidelines are found in the Brand Center at <https://brandcenter.rotary.org> and in "*Voice and Visual Identity Guidelines*," which give further specifications for reproducing the Rotary emblem and guidelines for maintaining a standardized, coordinated identity for all Rotary materials (547A). Rotarians are reminded that Rotary is both a local and a global organization and even local uses may enjoy global recognition through the use of the Internet and other electronic communications. Different cultures have different standards and different sensitivities. Any use of the Rotary Marks under these guidelines should attempt to be culturally sensitive and in concert with the Object of Rotary. RI reserves the right to review and approve any uses of the Rotary Marks. The Rotary Marks may not be depicted in combination with images of guns, weapons, or other armaments. 34.030.7. Use of the Rotary Emblem with Program Emblems

The Rotary emblem may be incorporated in insignia which include names or other emblems descriptive of a Rotary program, provided that the insignia are under the exclusive control of the Board and that no such insignia will be used in a pin that can easily be mistaken for the RI emblem lapel pin reserved for Rotarians and honorary Rotarians.

All program logos currently used by RI and its Foundation, and all such logos deemed necessary in the future, should include the Rotary emblem.

The general secretary is authorized to approve, on behalf of the Board, specific insignia for Rotary-sponsored programs that incorporate the Rotary emblem for use by program participants, provided that such actions meet the requirements of the RI Constitution (article 13) and Bylaws. 34.030.8. Deviation from Official Emblem

No deviation from the official RI emblem shall be authorized. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with “Rotary” as part of the “digital and small space signature lock-up” or with “Interact” or “Rotaract” as part of the digital and small space simplified signatures for the Programs logos. To accommodate the embroidery medium, the modified Rotary emblem may be used on licensed and other RI authorized articles of clothing in replications greater than 0.5 inches (1.27 cm) but only in sizes too small to accommodate accurate reproduction of the Rotary emblem, provided the modified Rotary emblem is always used together with “Rotary,” “Interact,” or “Rotaract” in the simplified signature format. 34.030.9. Symbolic Representations of Rotary

No statue, icon or other permanent symbolic representation purporting to express or interpret the spirit of Rotary shall be adopted, accepted, authorized or recognized. Only the established official emblem of Rotary International shall be recognized. All other efforts to express the spirit of Rotary in symbolism should be and are discouraged. (*June 1998 Mtg., Bd. Dec. 348*)

34.030.10. Official Flag

The Official Flag of Rotary consists of a white field with the official emblem of the organization emblazoned in the center of the flag. The entire wheel should be of gold, with the four depressed spaces in the rim of royal blue. The words "Rotary" and "International" in the depressions should be of gold. The hub and the keyway white. A Rotary club displaying this flag as a club flag may use in large blue letters above the wheel the words "Rotary Club" and below the wheel the names of the city and State [state], or province, or country. 34.030.11. Rotary Flag and Banners

The general secretary shall create and update from time to time, flag and banner prototypes that are in alignment with current brand guidelines to be used by the membership, in order to create a standardized, coordinated identity for all Rotary materials. (See “Voice and Visual Rotary Guidelines.”) (*October 2015 Mtg., Bd. Dec. 84*)

34.030.12. Official Colors

The official colors of RI are royal blue and gold. *(Note: Gold can be represented as a metallic color or as a yellow. The following specific PMS colors are used when printing the Rotary Emblem and the Rotary Foundation logo: PMS 286 Blue; PMS 871 Metallic Gold or PMS 129U / 130C Yellow. (June 2013 Mtg., Bd. 34.030.13. Commercialization of the RI Name and Emblem

Sponsorship, partnership and cooperative relationships and participation in RI's member benefit program are not commercialization of the RI emblem and other Rotary Marks. The second sentence of RI Bylaws section 19.020. is sequential to the first, and hence would not prohibit,

- a) for sponsorship purposes, the use of the RI emblem and other Rotary Marks with the mark of another organization
- b) for partnership purposes, the use of the RI emblem and other Rotary Marks with the mark of another organization
- c) for cooperative relationship purposes, the use of the RI emblem and other Rotary Marks with the mark of another organization
- d) for the purposes of RI's member benefit program, the use of the RI emblem and other Rotary Marks with the mark of another organization

Each sponsorship relationship should terminate with the completion of the sponsored event.

Any contract with a sponsor, partner or other cooperating organization of RI or TRF or a participant in RI's member benefit program must contain restrictive language in concert with current Board policy regarding the use of the Rotary Marks. *(September 2016 Mtg., Bd. Dec. 28)*

34.030.14. The Rotary Marks in Combination with Other Marks for Commercial Purposes

Except as specifically allowed under RI's licensing system, and under RI's member benefit program or the provisions of RI's sponsorship, partnership and other cooperative relationship policies, the use of the Rotary Marks in combination with any other name or emblem for any commercial purpose is not recognized by RI. None of the Rotary Marks may be combined with or incorporated into the logo or insignia of another organization or for any program not under the exclusive control of RI, no matter how worthy. *(September 2016 Mtg., Bd. 34.030.15. RI and TRF Guidelines for Use of the Rotary Marks by Other Organizations

1. For the limited use granted herein, Rotary International (hereinafter "RI") (or The Rotary Foundation (hereinafter "TRF")) [strike out whichever does not apply] recognizes that [name of sponsor, or other third party organization] (hereinafter "Other Organization") may use the Rotary Marks, as defined below, in the following manner(s) and subject to the following provisions.

2. Other Organization recognizes that RI is the owner of numerous trademarks and service marks throughout the world, including, but not limited to, "Rotary," the Rotary emblem, "Rotary International," "RI," "Rotary Club," "The Rotarian," "The Rotary Foundation," the Rotary Foundation logo, "Rotarian," "Rotaract," "Rotaract Club," the Rotaract emblem, "Interact," "Interact Club," the Interact emblem, "Interactive," "Paul Harris Fellow," the image of Paul Harris, "PolioPlus," the PolioPlus logo, the convention logo, the Presidential Theme logos, "Service Above Self," among others (the "Rotary Marks").

3. Nothing in the limited use granted herein will constitute an assignment or license of any of the Rotary Marks by RI to Other Organization.

4. Other Organization recognizes that RI (or TRF) retains control over where recognition materials are allowed to be displayed in the various venues of RI authorized meetings, RI or TRF events or publicly displayed otherwise in connection with the sponsorship, partnership or other third party relationship.

5. Other Organization recognizes that RI (or TRF) reserves the right to pre-approve publications and other media in which Other Organization wishes to advertise using the Rotary Marks, and to approve all uses of the Rotary Marks in any materials connected with the sponsorship or partnership or other third party relationship in any and all media, including, but not limited to, for publicity and promotional purposes. Other Organization further recognizes that each use contemplated herein will be subject to a pre-publication review and approval process by Rotary or Rotary's legal counsel. RI retains the sole right to specific denial or authorization of such use or, in the case of alteration (of copy or layout), to be mutually agreed upon by the parties.

6. Other Organization agrees that any use of its logo in any advertisement or promotional materials directly related to a sponsored Rotary event or project (including, but not limited to, recognition materials such as banners or signs) must be of equal or lesser unit size to the Rotary emblem (or other Rotary Marks, at the sole discretion of RI (or TRF)), unless the Rotary emblem or other Rotary Mark is part of a repetitive background screen. RI allows for overwriting of the Rotary emblem or other Rotary Mark (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed. RI agrees that in cases where the Other Organization might wish to highlight its role in sponsoring a Rotary event or project in conjunction with its regular advertising, the Rotary emblem may be smaller than the Other Organization's logo.

7. Other Organization recognizes that, without altering the provisions set out in paragraph 6 above, the Rotary Marks may not be altered, modified or obstructed but must be reproduced in their entirety. No abbreviations, prefixes or suffixes such as "Rota" are permitted. To accommodate digital media and enhance an accurate reproduction of the

Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with “Rotary” as part of the “digital and small space signature lock-up” or with “Interact” or “Rotaract” as part of the digital and small space simplified signatures for the Programs logos. To accommodate the embroidery medium, the modified Rotary emblem may be used on licensed and other RI authorized articles of clothing in replications greater than 0.5 inches (1.27 cm) but only in sizes too small to accommodate accurate reproduction of the Rotary emblem, provided the modified Rotary emblem is always used together with “Rotary,” “Interact,” or “Rotaract” in the simplified signature format.

There should be no overlap between Other Organization’s logo and the Rotary emblem or other Rotary Mark; the two images should be clearly spaced so as to be two separate and distinct images.

8. For correct color reproductions of the Rotary emblem and other of the Rotary Marks, current guidelines are found in the Brand Center at <https://brandcenter.rotary.org> and in “*Voice and Visual Identity Guidelines*,” which give further specifications for reproducing the Rotary emblem and guidelines for maintaining a standardized, coordinated identity for all Rotary materials (547A).

9. Other Organization recognizes that the Rotary Marks may only be reproduced by a vendor authorized by RI to do so. Whenever possible, reproductions of the Rotary Marks should be done by an RI officially licensed vendor. If the desired goods are not reasonably available from a RI licensee, a release must be obtained from the RI Licensing Section.

10. If goods are being produced in connection with an alcohol industry sponsor, the Mark of Excellence should not be included on the labels of the alcohol products.

11. Rotary is both a local and a global organization and even local uses may enjoy global recognition through the use of the Internet. Different cultures have different standards and different sensitivities. Any use of the Rotary Marks under these guidelines should attempt to be culturally sensitive and in concert with the Object of Rotary. RI reserves the right to review and approve any uses of the Rotary Marks. The Rotary Marks may not be depicted in combination with images of guns, weapons, or other armaments. 34.030.16. Rotary Marks on Publications

It is improper for the Rotary Marks to be used on a pamphlet, on a website, or in any other promotional materials issued by anyone other than RI or another Rotary Entity, except in accordance with RI’s sponsorship and cooperative relationship policies and under the provisions of RI’s licensing system and RI’s member benefit program. 34.040.2. Use of Rotary Marks in Connection with Buildings and Other Permanent Structures

The use of the Rotary Marks without the further identifying language of the Rotary club, Rotary district or other Rotary Entity involved in connection with any project implies financial or moral RI obligation in connection with such project. Therefore, to avoid any future RI involvement, either directly or by implication, any Rotary club, Rotary district or other Rotary Entity which contemplates the construction or acquisition of a building or other permanent structure:

a) should ensure that neither the name of such venture nor any legal documents in connection therewith reference either the name, “Rotary,” without the further identifying language of the Rotary club, Rotary district or other Rotary Entity involved or the name, “Rotary International.”

b) should not affix any of the Rotary Marks thereto in any permanent manner, such as etching the Rotary name or emblem into the facade of a building or inlaying the Rotary name or emblem into a floor. The Board will not require the removal of any Rotary Marks which have been permanently affixed to a building prior to 2001 where the removal of such

would cause permanent and irreparable damage to the building, and/or incur unreasonable costs to a Rotary club, Rotary district or other Rotary Entity. (*See Rotary Code of Policies section 34.040.6.*) (*July 2015 Mtg., Bd. Dec. 16*)

34.040.3. Use of Rotary Marks by RI Officers in Publications

Incoming, current, and past officers of RI and those Rotarians appointed by the president or the Board to serve in various capacities are authorized to use the Rotary Marks in publications, printed or electronic, in connection with their roles as RI leaders. In each such instance, the use shall include a clear indication of the capacities in which they have served and the years of such service to RI. Rotary senior leaders may publish and sell books about their Rotary experiences without being licensed by RI, provided that all net proceeds from the book sales are donated to TRF and the book publisher is either licensed or released by RI to reproduce the Rotary Marks, with the approval of the general secretary. Each such publication shall include in a prominent location a statement that it is not an official publication of RI. (*January 2010 Mtg., Bd. Dec. 107*)

34.040.4. Use of Rotary Marks on Websites of RI Officers

Incoming, current, and past officers of RI and those Rotarians appointed by the president or the Board to serve in various capacities are authorized to use the Rotary Marks on websites developed in connection with their roles as RI leaders. In each such instance, the use shall include a clear indication of the capacities in which they have served and the years of such service to RI. Every consideration shall be made to ensure that it is clear that the website is that of the Rotarian and not a RI site, so as to avoid confusion among Rotarians and potential liability for RI. If necessary, the general secretary may require a disclaimer to be placed on such websites. Use of the Rotary Marks in domain names should comply with Board policy set forth in section 52.020.1. 34.040.5. Use of Name "Rotary" in Connection with Club or District Foundations

A Rotary club or group of clubs may use the name "Rotary" in connection with club or district foundation activities, provided:

1. such use relates the activity to the club or clubs concerned and not to RI;
2. the word "international" is not used in connection with or in the name of a club or district foundation activity;
3. the name of the club or district foundation activity begins with the name of the club or the district designation;
4. the words "Rotary" and "foundation," when used in connection with a club or district foundation activity, be separated in the name of the activity;

The general secretary may act in behalf of the Board in authorizing Rotary clubs to use the name "Rotary" in incorporating club or district foundation activities in accordance with the foregoing. For the purposes of this section the definition of "incorporate" is the same as for incorporation of a club or district. (*November 2008 Mtg., Bd. Dec. 104*)

34.040.6. Use of Name "Rotary," or other Rotary Marks by Rotary Entities

When used by itself, the word "Rotary" or the Rotary Emblem normally refers to the entire organization, Rotary International. It also means the ideals and principles of the organization. All club, district, multidistrict and other Rotary Entity activities, projects or organizations must include identifiers of the club, district, multidistrict group or other Rotary Entity when using the name "Rotary," or other Rotary Marks. In limited instances and in RI's sole discretion, a geographic identifier may be used, provided it accurately represents the interests of each club in that area and appropriate approvals are sought from the district governors and/or the club presidents. Such identifier must immediately follow or precede "Rotary." Such identifier must be in close proximity to and in equal prominence with the Rotary Emblem or other of the Rotary Marks.

The Rotary Marks must always be reproduced in their entirety. No abbreviations, prefixes or suffixes such as "Rota" are permitted, except for use in "Interota" for the periodic Interota meetings. No alterations, obstructions or modifications of the Rotary Marks are permitted. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with "Rotary" as part of the "digital and small space signature lock-up" or with "Interact" or "Rotaract" as part of the digital and small space simplified signatures for the Programs logos. To accommodate the embroidery medium, the modified Rotary emblem may be used on licensed and other RI authorized articles of clothing in replications greater than 0.5 inches (1.27 cm) but only in sizes too small to accommodate accurate reproduction of the Rotary emblem, provided the modified Rotary emblem is always used together with "Rotary," "Interact," or "Rotaract" in the simplified signature format. RI allows for overwriting of the Rotary emblem or other Rotary mark (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed.

For correct color reproductions of the Rotary emblem and other of the Rotary Marks, current guidelines are found in the Brand Center at <https://brandcenter.rotary.org> and in "*Voice and Visual Identity Guidelines*," which give further specifications for reproducing the Rotary emblem and guidelines for maintaining a standardized, coordinated identity for all Rotary materials (547A). RI reserves the right to review and approve any uses of the Rotary Marks. The Rotary Marks may not be depicted in combination with images of guns, weapons, or other armaments.

Rotary Entity activities, projects or organizations that are to include the name “Rotary,” or other Rotary Marks without a further qualifier, must first seek an exception to policy from the Board. Rotarians coordinating existing activities, projects and organizations should review and make necessary changes consistent with this policy. (*September 2017 Mtg., Bd. Dec. 24*)

34.040.7. Requests for Exception to Guidelines for Use of “Rotary” Name

When considering requests for exception to policy set forth in section 34.040.6., the Board may consider:

1. The organizing group’s attempt to work with the general secretary to bring the name of the project or activity into compliance with Board policy
2. The ease or difficulty with which the organizing group could bring its name into compliance with Board policy
3. The length of time the organizing group has been using the non-compliant name, with greater consideration given to projects, activities or organizations with a longer, demonstrated period of use
4. The merit of the project, activity or organization and the benefit it brings to the Rotary movement as a whole
5. Whether the proposed non-compliant name in some other way accurately identifies the organizing group involved
6. Whether the proposed non-compliant name could create a likelihood of confusion with Rotary International or with any other Rotary Entity or with a project, activity or organization of Rotary International or any other Rotary Entity
7. Whether the organizing group is a recognized Rotary Entity
8. Whether the organizing group is otherwise compliant with Board policy
9. The degree to which the project or activity or the name of the project, activity or organization could expose RI to liability

If the group is not a Rotary Entity and/or the project, activity or organization is not under the full control of a Rotary Entity, then the Board may grant an exception for the group to enter into a license agreement with RI for use of the Rotary name, based on the above criteria. The agreement shall include RI’s standard licensing terms, including, but not limited to, terms requiring insurance and indemnification.

If the group is a Rotary Entity and the project, activity or organization is under the full control of the Rotary Entity, then a Board exception may be granted for use of the “Rotary”

name without a further identifier of the name of the Rotary Entity and a license agreement is not required.

Under the “full control of a Rotary Entity” shall be defined as follows:

- a. A Rotary club, Rotary district or group of Rotary clubs or Rotary districts is solely responsible for the governance of the project, activity or organization
- b. This level of Rotary Entity governance must be demonstrated by the requesting group to the satisfaction of RI and may come in a number of different forms, including, but not limited to:
 - i. the Rotary club, district or other Rotary Entity is responsible for the direct, daily operational administration and control of the project, activity or organization, including, but not limited to, review and approval of the budget, including the expenditures for any project, activity or organization, or
 - ii. the Board of Directors or equivalent governing body of the project, activity or organization consists solely of every Rotary club President (or President’s designate) or every Rotary district governor (or governor’s designate) of all Rotary clubs or districts involved and/or present in the geographic region, and
 - iii. such governing body shall have operational and administrative control, including, but not limited to, review and approval of the budget, including all expenditures for any programs or other endeavors and selection of the Rotary Entity’s projects, activities or organizations.
- c. Rotarian involvement and/or support in the form of monetary donations and/or volunteer time does not establish governance of the project, activity or organization, even if the support comes from every club in a district or from every district in a region and even if every club president or district governor in the applicable region supports the project, activity or organization.

An exception for use of the “Rotary” name does not also carry with it an exception to use the Rotary emblem or any other of the Rotary Marks.

The general secretary is asked to bring any existing projects, activities and organizations into compliance with current policy. (*July 2015 Mtg., Bd. Dec. 16*)

34.040.8. Use of Word "Rotary" by Other Groups

Except as concerns groups organizing to form Rotary clubs under the direction of the governor, the use of the word "Rotary" by any group in such manner as to indicate or imply status as a Rotary club or as an affiliate of a Rotary club or of RI is not authorized and shall not be permitted. Therefore, the Board instructs the general secretary to take such steps as may be practicable or necessary to stop any such unauthorized use of the word "Rotary." (*October 2015 Mtg., Bd. Dec. 75*)

34.040.9. Use of Name "Rotary " and Rotary Emblem by Former Rotarians

Except as concerns groups organizing to form Rotary clubs under the direction of the governor, the use of the word "Rotary" or any abbreviation or portion thereof by any group

in such manner as to indicate or imply status as a Rotary club or as an affiliate of a Rotary club or of RI is not authorized and shall not be permitted.

Inasmuch as the constitution and bylaws contain no provisions to cover the situation, it is manifestly impossible for the Board to recognize an organization of involuntary past Rotarians as a body having any connection with RI and particularly it is impossible for the Board to permit or encourage the use of any name by an organization which would indicate connection with RI which does not exist and cannot exist until such time as the constitution and bylaws of RI are amended so as to provide for it.

Notwithstanding its sympathetic understanding and appreciation of the interest and motives which may prompt former or involuntary past members of Rotary clubs to associate themselves in fellowship groups or other groups, the Board instructs the general secretary to call the foregoing policies to the attention of any group of former or involuntary past members of Rotary clubs, which may be making use of, or wish to use, the name "Rotary," "Rotarians," and/or the Rotary emblem, advising that the group does not have official status and that its use of the Rotary name (or any abbreviation or portion thereof) and/or emblem is not authorized and further, calling upon such group not to use or to discontinue immediately use of the name "Rotary," "Rotarians," and/or the Rotary emblem. *(September 2017 Mtg., Bd. Dec. 24)*

34.040.10. Use of Rotary Name and Emblem by Other Organizations

No matter how worthy may be the purposes of such organizations or groups or the ambitions of such individuals, RI cannot permit them to appropriate the name or emblem of Rotary without thereby endangering the preservation of the name and insignia of Rotary for the exclusive use and benefit of Rotarians. RI does not seek to discourage organizations or groups desiring to emulate the example of Rotary clubs but believes that suitable names and insignia can be devised by such organizations and groups without infringing upon the terminology and insignia of Rotary, and all Rotarians are encouraged to give their sympathetic assistance and encouragement to any group seeking to emulate the example of Rotary. *(June 1998 Mtg., Bd. Dec. 348)*

34.040.11. Use of Name "Rotary" in Connection with Club Activities

Use of the word "Rotary" in connection with or in the name of an activity of a club or group of clubs must relate the activity directly to such club or group of clubs and neither directly or indirectly to Rotary International. Use of the word "Rotary" (or any abbreviation or portion thereof) is not authorized in connection with or in the name of an activity that is not under full control of a Rotary club or group of Rotary clubs or in connection with or in the name of any organization, the membership of which includes non-Rotarian individuals or organizations. *(See Rotary Code of Policies section 34.040.6.) 34.040.12. Use of the Name “Rotary,” the Rotary Emblem or other Rotary Marks in Multidistrict Activities

All club, district, multidistrict and other Rotary Entity activities, projects and organizations must include identifiers of the club, district, multidistrict group or other Rotary Entity when using the name “Rotary,” the Rotary Emblem or other Rotary Marks. In limited instances and in RI’s sole discretion, a geographic identifier may be used, provided it accurately represents the interests of each club in that area and appropriate approvals are sought from the district governors and/or the club presidents. Such identifier must be in close proximity to and in equal prominence with the Rotary Emblem or other of the Rotary Marks. In order to clarify that the activity, project or organization is not one of RI or TRF, its promotional materials, printed and electronic, and especially on any donation page, shall state that the activity, project or organization is one of a local nature.

The Rotary Marks must always be reproduced in their entirety. No abbreviations, prefixes or suffixes such as “Rota” are permitted, except for use in “Interota” for the periodic Interota meetings. No alterations, obstructions or modifications of the Rotary Marks are permitted. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with “Rotary” as part of the “digital and small space signature lock-up” or with “Interact” or “Rotaract” as part of the digital and small space simplified signatures for the Programs logos. To accommodate the embroidery medium, the modified Rotary emblem may be used on licensed and other RI authorized articles of clothing in replications greater than 0.5 inches (1.27 cm) but only in sizes too small to accommodate accurate reproduction of the Rotary emblem, provided the modified Rotary emblem is always used together with “Rotary,” “Interact,” or “Rotaract” in the simplified signature format. RI allows for overwriting of the Rotary emblem or other Rotary mark (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed.

Rotary Entity activities, projects or organizations that are to include the name “Rotary,” the Rotary Emblem, or other Rotary Marks without a further identifier must first secure an exception to policy from the Board. Rotarians coordinating existing doctor banks and similar club, district, multidistrict and other Rotary Entity activities, projects or organizations should review and make necessary changes to the activity, project or organization names and materials, consistent with this policy. 34.040.13. Use of the Rotary Marks by Rotary Alumni Associations

When used by itself, the word “Rotary” refers to the entire organization, Rotary International. It also means the ideals and principles of the organization. Rotary Alumni associations that are chartered by the general secretary are permitted to use the name “Rotary” in their organizational name but only together with identifiers of the Rotary district or Rotary zone. Such identifier must immediately precede or follow “Rotary.” An acceptable example would be “Rotary District XXXX Alumni Association.” (*June 2017 Mtg., Bd. Dec. 149*)

34.040.15. Use of Geographic Designations with “Rotary International”

No club or group of clubs should adopt and operate under any name other than that under which it or they are organized under the RI Constitution. Every district should use the name “Rotary International,” thereby indicating the universality of the ideals, principles and objects of Rotary. *(June 1998 Mtg., Bd. Dec. 348)*

The use of the RI letterhead is restricted to incoming, current and past officers of RI, or those Rotarians appointed by the president or the Board to serve in various capacities, with the understanding that, as to such capacities as may be listed, the years of service to RI should be clearly indicated. RI letterhead may only be used for Rotary-related business. No incoming, current, or past RI officer nor any Rotarian appointed by the president or the Board to serve in various capacities is authorized to use the Rotary Marks in conjunction with the trademarks or on the letterhead of any other organization or for any commercial purpose. *(October 2003 Mtg., Bd. 34.060.1. Rotary Programs Logos

The general secretary shall create and update from time to time, logos and other indicia that are in alignment with current guidelines to be used for the various Rotary Programs, in order to create a standardized, coordinated identity for all Rotary materials. 34.060.2. Use of Logo With RI or TRF Programs

The general secretary is, when reviewing future proposed logos for a program or activity of RI or its Foundation, to consider including the Rotary emblem in the logos if such can be done without lessening RI's legal trademark rights or creating a badge that could be understood to identify a non-Rotarian as a Rotarian. 34.060.3. Rotary Program Logos and RI Emblem

The design of Rotary program logos that do not in some manner incorporate the RI emblem weakens and impedes the communication to the public of the association of Rotary with successful programs and projects. Therefore, all program logos currently in use by RI and its Foundation, and all such logos deemed necessary in the future, should include the Rotary emblem. The public relations value of incorporating the Rotary emblem with program logos of RI and its Foundation outweighs the possible mis-identification of a non-Rotarian as being a Rotarian. The annual theme logo shall be the Rotary wheel along with the annual theme. (*October 2015 Mtg., Bd. Dec. 37*)

34.060.4. Interact and Rotaract Marks

The Interact and Rotaract Marks are for the exclusive use of the Interact and Rotaract clubs bearing those names and the members of those clubs:

- a. When displayed by individual club members, the Interact and Rotaract emblems may be used without further information.
- b. When the Interact and Rotaract emblem is used to represent an Interact or Rotaract club, the name of the club should appear with the emblem, as shown in the RI Brand Center at <https://brandcenter.rotary.org> and in "Voice and Visual Identity Guidelines." "Interact," "Rotaract," the Interact emblem, and the Rotaract emblem must always be reproduced in their entirety. No alterations, obstructions or modifications of "Interact," "Rotaract," the Interact emblem, or the Rotaract emblem are permitted. No abbreviations, prefixes or suffixes such as "Rota" are permitted, except for use in "Interota" for the periodic Interota meetings.

The Interact emblem and the Rotaract emblem should be reproduced in the colors and manner shown in the RI Brand Center at <https://brandcenter.rotary.org> and in "Voice and Visual Identity Guidelines."

- c. When the Interact or Rotaract emblem is used to represent district Interact or Rotaract activities the district number should appear with the emblem, as shown in the RI Brand Center at <https://brandcenter.rotary.org> and "Voice and Visual Identity Guidelines."

No publication may bear the Interact or Rotaract emblem without the name of the club or number of the district except those published by or under the authority of Rotary International for the use of Rotary, Interact or Rotaract clubs in establishing or carrying out the affairs of one of the sponsored clubs.

No other use of the Interact and Rotaract emblems is permitted by Rotary International which has legal control of all the Rotary Marks. (*October 2015 Mtg., Bd. Dec. 37*)

35.010.2. Prohibition Against Altering Rotary Marks

Note: "Rotary Marks" are any emblems or names registered and owned by Rotary International. (See Section 34.005.)

The Rotary Marks should not be altered, modified or obstructed in any way, or reproduced other than in their complete form. No abbreviations, prefixes or suffixes such as "Rota" are permitted. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with "Rotary" as part of the "digital and small space signature lock-up" or with "Interact" or "Rotaract" as part of the digital and small space simplified signatures for the Programs logos. To accommodate the embroidery medium, the modified Rotary emblem may be used on licensed and other RI authorized articles of clothing in replications greater than 0.5 inches (1.27 cm) but only in sizes too small to accommodate accurate reproduction of the Rotary emblem, provided the modified Rotary emblem is always used together with "Rotary," "Interact," or "Rotaract" in the simplified signature format. RI allows for overwriting of the Rotary emblem or other Rotary mark (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed. The general secretary should strictly enforce the prohibition of licensing products that alter, modify or obstruct the Rotary Marks, including situations where the general secretary becomes aware of products that do not reproduce the Marks in their entirety. 35.010.5. Limitation on RI Merchandise Solicitation

Individuals or companies who are not licensed to sell merchandise bearing the Rotary Marks may not solicit districts, clubs or Rotarians to purchase merchandise bearing the Rotary Marks. Only vendors properly licensed by Rotary International may solicit districts, clubs or Rotarians to purchase merchandise bearing the Rotary Marks.

On occasion, Rotarians will need to produce customized merchandise bearing the Rotary Marks for a specific event or purpose. All Rotarians should always first seek out licensed Rotary vendors for such customized merchandise. In the event that such customized merchandise is not reasonably available from a RI Licensee at a competitive price, RI shall issue a one-time release to a non-licensed vendor, provided that those goods are subject to the equivalent review and pre-approval process as Licensed Products. In each case, the non-licensed vendor must obtain the specific approval of RI to use any of the Rotary Marks. (*June 1998 Mtg., Bd. Dec. 348*)

36.010. General Guidelines

Rotary International and The Rotary Foundation actively seek to develop partnerships with other organizations that will increase our capacity to provide service. There are four types of partnerships: Strategic, Resource, Service, and Project. All potential partnerships must at a minimum do one or more of the following:

- a) align with the strategic plan
- b) address one or more areas of focus
- c) provide opportunities for positive public image
- d) attract new members, contributions, or project volunteers

Given the extreme variety among potential partners, these guidelines are not exhaustive. All potential partners shall enter into an agreement with RI/TRF, and the nature of each agreement may be different.

While Rotary and/or The Rotary Foundation may, from time to time, partner with organizations whose mission states or implies a religious orientation, results of such partnerships must not promote any particular religious entity, activity, or viewpoint. All proposed partnerships with an organization whose mission states or implies a religious orientation will be carefully researched by staff (including financial considerations and accountability), reviewed by a Foundation committee, and approved by the Trustees and the RI Board to ensure the proposed partnership is appropriate. Any such partnership is open to review and possible termination if analysis determines the collaboration to no longer be appropriate.

Rotary does not endorse its partners, their products or services, policies or positions. Partnership does not imply endorsement or approval of the partner's products or services, policies or positions by Rotary. A partnership does not imply any exclusive arrangement with Rotary. A partnership does not imply any grant of control or influence to the partner over the content of any Rotary activity, publication, position or policy, nor does it imply that Rotary will exert any influence to advance the partner's interests outside the particulars of the arrangements made for the joint initiative, event, or activity. Promotional materials and communications cannot include any wording or design that suggests endorsement or approval of a product or service, policy or position by Rotary.

The Joint Committee on Partnerships, or in its absence the general secretary shall provide an annual report on all partnerships to the Board and the Trustees at their second meetings each year. (*April 2018 Mtg., Bd. Dec. 159*)

36.010.1. Criteria for Evaluation

Reviews of partnership proposals should consider the following:

- a) Mission, scope, geographic presence and status of potential partner, including compatibility with RI's diverse membership structure
- b) The number of countries or regions the potential partner serves
- c) Reputation of the potential partner in the Rotarian community and community at large
- d) Success and financial health of the potential partner
- e) Willingness of potential partner to make full and continuing financial and operational disclosures
- f) The financial impact of the relationship on RI and TRF, including administrative costs
- g) The potential of relationship to enhance RI's public image and recognition
- h) The effect of the relationship on club or district projects
- i) The effect of the relationship on RI/TRF programs
- j) Level of participation offered by the potential strategic partner to clubs and districts and the number of Rotarians likely to participate
- k) Disclosed conflicts of interest
- l) Planned recognition for RI/TRF from the potential partner

RI/TRF shall not enter into partnerships with other organizations that:

- a) Conflict with Rotary's values
- b) Support the use of addictive or harmful products and activities
- c) Promote a particular political or religious viewpoint through the partnership's activities and results
- d) Discriminate based on race, ethnicity, age, gender, language, religion, political opinion, sexual orientation, national or social origin, property, or birth or other status through the partnership's activities and results (See Rotary Code section 4.010.1. for Rotary's Statement on Diversity.) 36.010.2. Benefits Provided to Other Organizations

All partners are eligible for one or more of the following services on a graduated basis, with specific benefits defined in each agreement:

- a) Promotion on the RI website and in *The Rotarian* magazine and the licensed regional magazines
- b) Information about the organization shared with Rotarians
- c) Invitation to apply for booth space at the RI Convention, consistent with section 57.110.7. of the Rotary Code of Policies

- d) Invitation to attend or participate in the RI Convention, based on established registration fees and guidelines
- e) A license to use one or more of the Rotary Marks, consistent with section 33.030.15. of the Rotary Code of Policies and/or the terms of partner's license agreement with RI/TRF

RI/TRF will not provide partners with any of the following:

- a) Membership or donor data
- b) Support for fundraising initiatives of other organizations
- c) An endorsement of the other organization or its programs
- d) Guarantees or commitments on behalf of Rotary clubs or districts to participate or support the other organization or its programs. (*January 2019 Mtg., Bd. Dec. 80*)

36.010.3. Contact with Other Organizations

No officer of Rotary International or The Rotary Foundation shall enter into any agreement on behalf of the organization unless approved by the appropriate authority and any non-approved agreement shall be null and void. The general secretary may assign responsibility for officers, staff, and other individuals to open discussions with other organizations.

The general secretary maintains a “no contact list” of individuals, foundations, corporations, governments and other entities with which Rotary International or its Foundation is working to develop relationships and obtain funding at an international level. No representative of any Rotary Entity other than Rotary International or its Foundation shall contact or solicit any organizations on the “no contact list” for the purpose of obtaining funds or cooperation for their projects. Written requests for exceptions to this policy must be submitted to the general secretary, who will consult with the RI president and Trustee chair as appropriate, before responding to the requestor.

This should not be construed as prohibiting clubs, districts and multidistrict groups from developing partnerships with local organizations; on the contrary, they are encouraged to develop these local relationships. Rotary does not endorse its partners, their products or services, policies or positions. Partnership does not imply endorsement or approval of the partner's products or services, policies or positions by Rotary. A partnership does not imply any exclusive arrangement with Rotary. A partnership does not imply any grant of control or influence to the partner over the content of any Rotary activity, publication, position or policy, nor does it imply that Rotary will exert any influence to advance the partner's interests outside the particulars of the arrangements made for the joint initiative, event, or activity. Promotional materials and communications cannot include any wording or design that suggests endorsement or approval of a product or service, policy or position by Rotary. (*April 2018 Mtg., Bd. Service partnerships are global, flexible, scalable, and may range from small to large in scope, and from short to long term in duration. Article 37. RI Guidelines for Sponsorship and Cooperation

37.010. Guidelines for Sponsorship of RI Meetings, Events, Projects and Programs

37.020. Cooperation with United Nations

37.030. Cooperation with Other Organizations and Groups

37.010. Guidelines for Sponsorship of RI Meetings, Events, Projects and Programs

The Board, acknowledging that RI meetings, events, projects and programs are supported in part through sponsorships by business entities and governmental agencies, has adopted the following terms for acceptance of sponsorship of RI meetings, events, projects and programs:

1. Sponsorships are relationships with other organizations which benefit RI, TRF, and Rotary projects(s) and Rotary program(s), in image-enhancing, promotional, monetary or other ways. Club and district events, such as conferences, PETS, etc., should be permitted to accept sponsorships; however the Council on Legislation is not an acceptable sponsorship venue. Each sponsorship relationship should terminate either within a defined period of time or with the completion of the sponsored event. It is important to maintain the appropriate level of decorum at any Rotary event.
2. RI does not endorse its sponsors, their products or services, policies or positions. Sponsorship does not imply endorsement or approval of the sponsor's products or services, policies or positions by RI. A sponsorship does not imply any exclusive arrangement with RI. A sponsorship does not imply any grant of control or influence to the sponsor over the content of any RI activity, publication, position or policy, nor does it imply that RI will exert any influence to advance the sponsor's interests outside the particulars of the arrangements made for the sponsored event or activity. Promotional materials and communications cannot include any wording or design that suggests endorsement or approval of a product or service, policy or position by RI.
3. RI will not accept a sponsorship that:
 - a. Conflicts with Rotary's ethical and humanitarian values
 - b. Undermines internationally recognized standards for human rights
 - c. Supports the use of addictive or harmful products and activities, including but not limited to alcohol (when inappropriate in a specific cultural context), tobacco, gambling, and guns, weapons or other armaments
 - d. Promotes a particular political or religious viewpoint through the partnership's activities and results
 - e. Discriminates based on race, ethnicity, color age, gender, language, religion, political opinion, sexual orientation, national or social origin, property, or birth or other status through the partnership's activities and results (See Rotary Code section 4.010.1. for Rotary's Statement on Diversity.)
 - f. Weakens the autonomy, independence, reputation, or financial integrity of Rotary International, The Rotary Foundation, or the specific Rotary club, district or other Rotary Entity
 - g. Involves any subject matter which is not in accord with the Object of Rotary
4. Cultural and legal variances in business practices among nations should be identified and honored whenever possible in matters of RI meeting, event, project and program sponsorship. In realization that business practices are not universal, ethical guidelines appropriate to a given

culture should be developed, published, and applied by those responsible for the solicitation and/or acceptance of RI meetings, events, projects or programs-related sponsorship.

5. Any sponsorship must comply with relevant laws.
6. Any sponsorship revenue or donations-in-kind (the value thereof, see paragraph 7, below) received will be subject to the terms of any agreement between RI and any local organizing entity.
7. Sponsorships that would appear in revenue projections for RI meetings, events, projects or programs of necessity shall be guaranteed in writing by the intended sponsor. Moreover, such written intent shall clearly state what, if anything, the sponsor expects in return for its assistance.
8. Donations-in-kind shall be considered as sponsorship to the extent of their lowest reasonable fair market financial value.
9. Recognition for sponsorships shall occur--primarily during the actual meeting, event, project or program--in the form of published attribution and acknowledgment of thanks, verbal expression of gratitude, signage anywhere within meeting facilities, and to the extent that the planning committee for that meeting, event, project or program finds acceptable. In no instance, shall a sponsor name be included in the name, title or logo of any meeting, event, project or program. Sponsors of specific events or projects of Rotary may be identified in the following manner “[Rotary event or project name] presented by [sponsor’s name].”
10. All sponsorship proposals, whether obtained by RI or by a local organizing entity, shall require the approval of the general secretary in consultation with the president. Such approval shall include but not be limited to the following aspects of each sponsorship proposal:
 - a) Appropriateness of the sponsor
 - b) Nature of the sponsorship plan
 - c) Extent of the sponsorship relationship
 - d) Share of the sponsorship revenue between RI and any local organizing entity
 - e) Nature of the sponsorship recognition

11. “Official Sponsorship Designations”: The general secretary will review applications and bids for companies that will be designated “official.” For example, an “official” air carrier, and where appropriate, an “official” rental car company and other services, may receive a similar designation. Competitive firms are sought for the designations, and proposals are obtained and analyzed by the general secretary. For the air carrier, the general secretary considers not only the fare proposed but also the capacity of the carrier, the complimentary tickets and freight offered to RI.

The selection of “official” service firms should be recommended by the general secretary’s staff assigned to convention activities and approved by the general secretary and the president who will preside over the convention. Transparency in the bid process is important.

12. “Exclusive Sponsorship Categories”: Unless permission from RI is sought and obtained in advance of any solicitation on the part of a local organizing entity, RI reserves exclusive rights to solicit and accept sponsorships with airline companies and banking/financial institutions, due to RI’s long term agreements and relationships with such entities.

13. First aid/medical sponsorships: The specifics and details involved with a medical/first aid sponsor must be approved by the general secretary, in consultation with the president, at least three months before the meeting, event, project, or program to ensure that the sponsoring organization can comply with RI's contractual requirements, including but not limited to insurance and indemnification requirements. First aid/medical sponsors sent to the general secretary later than three months before the meeting, event, project, or program will not be considered.

14. Internet sponsorships: The specifics and details involved with an internet sponsor must be approved by the general secretary, in consultation with the president, at least three months before the meeting, event, project, or program to ensure that the sponsoring organization can provide the internet services RI requires at its events and also comply with RI's contractual requirements, including but not limited to insurance and indemnification requirements. Internet sponsors sent to the general secretary later than three months before the meeting, event, project or program will not be considered.

15. Each RI sponsorship relationship should terminate either within a defined period of time or with the completion of the sponsored meeting, event, project or program.

16. Except by Board authorization, individual member data must not be used for sponsorship purposes and must stay within the control of RI. However, any determination to allow access to individual member data must respect the individual rights of Rotarians, including relevant legal restrictions. All sponsorships must follow the Rotary Privacy Statement (Rotary Code section 26.080.)

17. All uses of the Rotary Marks for the sponsorship purposes contemplated herein must be governed by the "RI and TRF Guidelines for Use of the Rotary Marks by Other Organizations" (Rotary Code Section 33.030.15.). A copy of these Guidelines must be attached to and incorporated in any contract entered into between RI or any local organizing entity and any Sponsor. (*April 2018 Mtg., Bd. Dec. 159*)

Representatives from each national section should meet during a general assembly to be held once a year, alternating from country to country. Leadership of the intercountry committee should rotate among the national section chairs on an annual basis. National sections must abide by the rules governing organizations in their country and should have officers including a chair, secretary, and treasurer. 41.020.9. Relationship with Rotary International

The organization and functioning of intercountry committees is the independent activity of individual districts and is not a part of the program of RI. Clubs and districts are encouraged to use established intercountry committee relationships to enhance their participation in Rotary Foundation programs, especially in the development of grants.

41.040. Rotaract

Rotaract is a program of Rotary International, adopted by the Board in 1968.

Rotaract Statement of Policy

1. The Rotaract program was created by and is an activity of Rotary International, and the authority for the establishment and enforcement of constitutional provisions, organizational requirements and standards of procedure, and for the preservation of the Rotaract name and logo is retained by Rotary International.
2. A Rotaract club is a Rotary club-sponsored organization of young adults ages 18 to 30, whose purpose is to provide opportunity for them to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship and service.
3. A Rotaract club is organized, sponsored, and counseled by Rotary club(s) and is established following the endorsement of the governor and upon certification and recognition by Rotary International; it can be created and sustained in no other way, and its existence depends upon the active sponsorship of its sponsor Rotary club(s) and continued recognition by Rotary International.
 - a) Rotaract clubs shall be sponsored only by Rotary clubs within the boundaries of the district in which they are located.
 - b) A Rotaract club may be organized and sponsored jointly by up to three Rotary clubs or Rotaract clubs may be sponsored jointly by more than three Rotary clubs with the governor's approval if, in the governor's considered judgment, the best interests of the district, the Rotary clubs, and the Rotaract club concerned would be effectively served. A joint Rotaract committee should be created with representation from each of the sponsor Rotary clubs.
4. Where the Rotaract club is university-based, control and counsel by the sponsor Rotary club(s) shall be exercised in full cooperation with the university authorities, with the understanding that such clubs are subject to the same regulations and policies established by the university authorities for all student organizations and extracurricular activities of the university (or other institution of higher education.)
5. All Rotaract club activities, projects and programs shall be conducted in harmony with the policies of Rotary International.
6. There shall be a "Standard Rotaract Club Constitution" prescribed by Rotary International and subject to amendment only by the Board of Directors of Rotary International. As a prerequisite of its organization and certification, each Rotaract club shall adopt the "Standard Rotaract Club Constitution" and shall automatically adopt all amendments thereto subsequently made.
7. Each Rotaract club shall adopt bylaws not inconsistent with the "Standard Rotaract Club Constitution" and with policy established by Rotary International. Such bylaws shall be subject to the approval of the sponsor Rotary club(s).
8. An individual's Rotaract membership will end upon reaching 31 years of age.

9. The Rotaract name and logo are the property of Rotary International and shall be preserved for the exclusive use of those involved in the Rotaract program. When the logo is used to represent a club, the name of the club should appear with the logo, as shown in the “Visual Identity Guidelines: Young Leaders.” Where a Rotary district exists, it may use the respective emblem but only in conjunction with reference to the district and its number, as shown in the “Visual Identity Guidelines: Young Leaders.”
10. Rotaract club members shall be entitled to use and display the Rotaract name and logo in an appropriate and dignified manner during their period of membership in a Rotaract club and shall relinquish such entitlement upon termination of membership in a Rotaract club or upon the termination of the Rotaract club.
11. A Rotaract club may be terminated:
 - a) By Rotary International, with or without the consent, approval or concurrence of the sponsor Rotary club, for:
 - 1) failure to function in accordance with its constitution
 - 2) initiating, or maintaining, or retaining in its membership an individual who initiates or maintains litigation against a Rotary district, Rotary International, or The Rotary Foundation, including their directors, trustees, officers, and employees, or
 - 3) for other cause
 - b) By its sponsor Rotary club(s) or
 - c) By the Rotaract club itself upon its own determination.
12. All rights and privileges relating to the name and logo shall be relinquished by the club and by its members individually and collectively.
13. As a matter of policy, the Board does not recognize the right of any individual or organization except RI to circularize Rotaract clubs for any commercial purpose, except in the case of Rotaractors who are responsible for organizing Rotaract club, district and multidistrict meetings and only within the districts directly involved.
14. Governors should appoint one joint district Rotaract committee composed of equal numbers of Rotarians and Rotaractors. The district Rotaract committee chair (a Rotarian) and the district Rotaract representative (a Rotaractor) should serve as co-chairs of this committee. Where feasible and practicable in the appointment of district Rotaract committees, there should be provision for continuity of membership by appointing one or more members for a second term. The district Rotaract committee should assist the governor in publicizing the Rotaract program, promoting the organization of new Rotaract clubs, and administering the program of Rotaract within the district.
15. Rotaract organization beyond the club level:
 - a) A district with two or more Rotaract clubs must elect a district Rotaract representative from among their membership. The method of election shall be determined by the Rotaract membership and approved by the district Rotaract committee and district governor in

- a) No meeting of members of Rotaract clubs beyond the club level shall have any legislative authority nor shall be so organized as to give the appearance of having such authority. Nevertheless, such a meeting may include ideas which might be of value as advisory observations to those involved at the district or other levels of Rotaract administration.
- b) At a district Rotaract meeting, a three-fourths majority of the Rotaract clubs in a district may vote to undertake a district service project and to establish a district Rotaract service fund to raise funds for this project. Contributions to such a fund must be voluntary. Such a project and service fund must be approved by the governor, and specific plans and instructions for the administration of the district project and use of the fund must also have the approval of the governor and three-fourths of the Rotaract clubs in the district. The governor must appoint a district fund committee to be responsible for collecting and administering the district fund, such committee to be composed of at least one Rotaractor and one Rotarian from the district Rotaract committee. The district service fund must be kept in a bank account which clearly indicates that the fund is the property of the district Rotaract organization and not the personal property of any individual Rotaractor or Rotaract club.
- c) All district Rotaract activities shall be financed by the Rotaract clubs in the district. No expenses of district Rotaract club meetings shall be paid by Rotary International. The cost of such meetings shall be minimal and within the financial means of those participating.

17. Rotaract activities beyond the district level

- a) Rotaract Multidistrict Service Projects. Rotaract service projects involving clubs in two or more districts may be implemented provided that such projects
 - 1) are, in nature and scope, within the capability of the clubs and Rotaractors in the districts to undertake successfully without interfering with or detracting from the scope and effectiveness of club activities;

 - 5) shall involve the participation by Rotaract clubs and/or individual Rotaractors on a voluntary basis, clearly presented as such; the cost of participation by a club or individual Rotaractor, if any, should be kept to a minimum, and not be implicitly or directly made an obligation in the form of a per capita tax, or assessment or otherwise;

- b) Rotaract Multidistrict Information Organizations. Districts may develop a multidistrict organization for the purpose of disseminating information and facilitating communication between Rotaract clubs in the districts concerned, provided that

 - 7) the organization shall establish a voting mechanism to be reviewed by the district governors.

- c) Multidistrict Rotaract Meetings
 - 1) Meetings of Rotaract club members from more than one district, particularly from districts in more than one country, are to be held under the guidance of the host governor and the district Rotaract committee, and in conjunction with the host district Rotaract representative. The district Rotaract representative should organize a Rotaract district conference to promote service, increase international understanding, enhance professional development, and build friendship and connection. Where possible, the Rotaract district conference should occur in conjunction with the Rotary district conference and include at least one joint session.

The chair of the district Rotaract committee and the district Rotaract representative shall facilitate a one to two-day leadership training seminar for all incoming Rotaract club officers, directors, and committee chairs.

- c) The Rotaract Preconvention Meeting brings Rotaractors together to inspire and inform them to develop strong clubs and districts, build international friendships, and enhance the connections between Rotaract and Rotary at an international level. Through a variety of sessions, the preconvention meeting:

- Provides training, encouragement, and motivation to Rotaract leaders to advance Rotaract in their districts and to strengthen their connection to Rotary
- Facilitates sharing between Rotarians and Rotaractors, including past club presidents, district Rotaract representatives, and multidistrict leaders as well as those new to Rotaract

Rotary districts shall pay for the attendance of district Rotaract representatives at district, multidistrict, or international leadership training meetings. District governors are encouraged to defray all or part of the costs associated with the attendance of district Rotaract representatives-elect at the Rotaract Preconvention Meeting.

19. Financing the cost of the Rotaract program:

A thorough audit by a qualified person shall be made once each year of all the club's financial transactions.
- d) It is the responsibility of the Rotaract club to raise the funds necessary to carry out the program of the club.
- e) Rotaract clubs should not make general solicitations for financial assistance from Rotary clubs or from other Rotaract clubs. Sponsor clubs may provide financial support when mutually agreed upon.
- f) Contributions to fund district Rotaract service projects must be voluntary and cannot be made enforceable upon the individual Rotaractor or Rotaract club.

- i) The district should make provisions to fund the administrative activities of the district Rotaract committee.
- j) Rotaract clubs should establish financial guidelines to ensure that all funds are managed in a responsible and transparent manner, including all monies collected to support service

projects, consistent with laws and banking regulations in the country, including plans for disbursement of funds should the Rotaract club disband or be terminated.

20. Rotaract clubs are not authorized to assume membership in or merge with other organizations regardless of the purpose of such organizations.
21. Rotaract club presidents shall update club and membership information to RI each year no later than 30 June through the website. Rotaract clubs that do not submit updated club and membership information to RI in a two-year period will be terminated. (*January 2018 Mtg., Bd. Dec. 103*)

41.060. Rotary Friendship Exchange

Rotary Friendship Exchange is a program of Rotary International, adopted by the Board in 1988.

Note: The Board regularly reviews and, as necessary, amends the “Rotary Friendship Exchange Guidelines,” which are as follows:

Rotary Friendship Exchanges give participating Rotarians, their families, and their friends the opportunity to host and visit one another internationally. The goal of an exchange is for participants to experience cultural immersion and intercultural exposure, foster greater international understanding, or to allow those who are new to their career to enhance their vocational skills, while making new connections and friendships, and, when possible, building a foundation for collaborative service projects.

Exchange teams should identify the purpose of each trip, such as but not limited to, a vocationally-oriented exchange, culturally-oriented exchange, service-oriented exchanges, and establishing a twin club or service partner relationship.

Rotary Friendship Exchanges have the following characteristics:

They are reciprocal

They are funded entirely by the participants and their respective districts

They are open to Rotarians, their family members, and non-Rotarians

They have an identified purpose and goals

Vocational Exchanges for Young Professionals

Rotary Friendship Exchange may also be used to provide a unique educational opportunity for young business and professional people in the initial years of professional life. These exchanges are designed to develop professional and leadership skills among young people to prepare them to

address the needs of their communities and an increasingly global workplace. These vocational exchanges will follow an extensive and rigorous program of international travel and participatory activities involving:

Vocational Activities that provide opportunities to observe vocations as practiced in another country and participate in a reciprocal exchange of ideas in their respective fields, which ultimately will benefit all communities involved;

Cultural Experiences that allow participants to study another country, its people and institutions and to promote an appreciation of cultural diversity worldwide.

Fellowship Opportunities that encourage team members and hosts to meet, communicate and live with each other in a spirit of fellowship and goodwill, to consider each other's problems, aspirations and community concerns, and to foster lasting friendships and international understanding; and

Rotarian Involvement in providing young, formative professionals an experienced perspective of their vocation in another country and culture and participating in the process of sending, receiving and sharing educational experiences of study teams that will enhance the worldwide mission of Rotary.

Districts that engage in these exchanges should consider the following factors:

- a) The district should cite a clear purpose and goal to be achieved by the exchange.
- b) The district should develop a draft host itinerary.
- c) The district should present a plan for accommodation of the incoming team members in Rotarian homes or in other alternative housing with an explanation thereof.
- d) The district should present a well-rounded plan for preparation and orientation of outgoing team members to include language, culture, and other appropriate subjects, the duration of which must be not less than 12 hours.

District governors from participating districts appoint a district Friendship Exchange chair, who is responsible for helping interested participants coordinate exchanges through an email contact list of chairs from around the world. This list is posted on the RI website for Rotarians to use. The general secretary creates resources to promote the program and help districts find exchange partners. (*January 2017 Mtg., Bd. Dec. 87*)

41.070. Rotary Youth Exchange

Rotary Youth Exchange is a program of Rotary International, adopted by the Board in 1974.

The Rotary Youth Exchange program provides young people with the opportunity to meet individuals from other countries, experience new cultures through life in another country. Host clubs, host families, and communities are enriched by extended, friendly contact with someone from a different culture. The program instills in young people the concept of international understanding and goodwill.

These policies assist clubs and districts to implement Youth Exchange activities effectively and responsibly, and pertain to both long-term and short-term exchanges, unless otherwise indicated.

Any other provisions consistent with these policies may be adopted by clubs or districts. Districts may reassign some responsibilities specified in these policies from one role to another. (*January 2017 Mtg., Bd. Dec. 87*)

41.070.1. District Governor Authority

Each governor is responsible for the supervision and control of the Youth Exchange program within the district. The district Youth Exchange officers, or committees, are under the supervision of their respective governors and should report to them.

Governors are encouraged to use the period between their nomination and assuming office to learn as much as possible about the Youth Exchange program in the district and the qualifications and skills of those who administer it. (*January 2017 Mtg., Bd. Dec. 87*)

41.070.2. District Certification Program

The general secretary shall administer a district certification program. All club and district Youth Exchange programs shall comply with RI youth protection policies and other requirements set forth by the general secretary in order to be certified. In order to participate in the Youth Exchange program a district must be certified by the general secretary.

The certification process requires all district Youth Exchange programs to provide RI with evidence that they have adopted the certification requirements in their Long-term and Short-term exchange programs (including any tours or camps).

The general secretary may grant waivers to districts that have implemented alternative policy and alternative procedures that meet the intent of RI policy in instances when RI policy or certification requirements are contrary to local law. If local circumstances are such that a district cannot legally meet any of the requirements, districts must provide the general secretary evidence of the specific circumstances that prohibit compliance and a written explanation of alternative procedures that maintain the intent of the policy or requirements. The general secretary will evaluate and determine whether the alternatives posited by districts meet the intent of the policy, and may bring matters to the Board should circumstances warrant.

Other certification policies include:

A. Certification of Districts for Sending Students Only

Districts wish to send outbound students without serving as hosts for inbound students, the general secretary may waive certification requirements related to hosting inbound students.

B. Certification of Multi-country Districts

In multi-country districts where not all countries within the district wish to participate in the Youth Exchange program, the general secretary may waive certification requirements for non-participating countries. (*January 2017 Mtg., Bd. Dec. 87*)

41.070.3. Incorporation

Districts must establish a corporation or similar formal legal entity that includes the district Youth Exchange program. This requirement may be met by incorporating the district Youth Exchange program, a group of programs that includes Youth Exchange, or the district as a whole in accordance with *Rotary Code of Policies* 17.020.

Districts may also meet this requirement by affiliation with an incorporated multidistrict Youth Exchange program for the districts' activities that are conducted within the scope of the multidistrict program. (*January 2009 Mtg., Bd. Dec. 152*)

Source: February 2007 Mtg., Bd. Dec. 163

41.070.4. Liability Insurance

Districts must secure liability insurance for the district Youth Exchange program with coverage and limits appropriate for their location. Clubs and districts are strongly encouraged to consult legal counsel regarding liability issues before undertaking Youth Exchange activities.

Youth Exchange programs in districts located entirely within the United States meet this requirement through participation in the U.S. Rotary Club and District General Liability Insurance Program.

The general secretary is authorized to grant an exception to the liability insurance requirement to districts where it has been demonstrated that such insurance is not available. (*January 2017 Mtg., Bd. Dec. 87*)

41.070.5. International Travel by Youth

No individual Rotarian, club, or district shall undertake an alternative program structure to send minors abroad that circumvents RI youth protection policies, the foregoing Youth Exchange policy, or the immigration and travel policies of any nation or government.

No individual Rotarian, club, or district shall assist or cooperate in sending a young person abroad on an international travel activity unless careful plans are made in advance covering every aspect of the proposed trip, including approval from the district youth protection officer and district Youth Exchange chair. In districts without a youth protection officer, the district governor and the district Youth Exchange committee chair must approve the arrangements.

No club should provide an identification card, letter of introduction, request for assistance or other credential or document intended to identify or introduce a young person to a club or clubs in another country, unless complete mutual agreement has been reached in advance with respect to the hospitality or assistance to be provided by the host club.

No club is obliged to provide hospitality or assistance to any young person from another country, despite any documented or claimed sponsorship of a Rotary club, unless the host club has specifically agreed in advance to provide such hospitality or assistance. (*June 2009 Mtg., Bd. Dec. 242*)

41.070.6. District Youth Exchange Finances

Funds for district Rotary Youth Exchange activities shall be held separately from other district funds, and the chair of the district Youth Exchange committee and a member of the district finance committee, or their proxies, shall be signatories. The district Youth Exchange committee shall prepare and submit a budget to the governor and the district finance committee for approval. The district Youth Exchange committee and district treasurer shall prepare and distribute a financial report on Youth Exchange to the district governor on a semi-annual basis. 41.070.7. Reporting to Rotary International

Districts shall provide to RI student data according to certification requirements determined by the general secretary for each inbound student hosted by the district prior to the beginning of an exchange.

All serious incidents, including but not limited to, accidents, death, early returns, and crimes, and any allegations of abuse or harassment shall be reported by the district to RI within 72 hours of the time a district officer learns of the incident. Districts must identify a person within the district who will be responsible for reporting to RI. (*January 2017 Mtg., Bd. Dec. 87*)

41.070.8. Types of Exchanges

The Youth Exchange program includes two distinct program types:

A. Long-term Exchange Program

Long-term exchanges should be for one academic year but may be extended to include part or all of the holiday periods immediately preceding and immediately following the academic year. Students are required to attend school in the host country.

Students must have more than one host family; placement with three successive host families is preferable. In the event that circumstances prevent multiple host family placements, both the sponsor and host district must agree in advance and alert the student's parent or guardian. At least one back-up host family must be available.

Parents of outbound students shall not be required to host inbound students. However, parents of outbound students may volunteer to host or may be asked to assist in finding suitable host families.

Host clubs must select individual Rotarian counselors from their clubs with whom each student is to be in regular contact and to serve as a liaison between the student and the club, the student's parents or guardians, host family and community at large. Sending clubs and/or districts select an individual Rotarian to serve as a resource to an outbound student. The club counselor must not be a member of the student's host family and must be trained in responding to any problems or concerns which may arise during the exchange, including the prevention of physical, sexual and emotional abuse.

The host club should provide for all educational expenses, arrange an appropriate academic program, and provide a program of orientation and continued contacts to familiarize the student with the host community.

The host club or district should provide a monthly allowance for the student in an amount determined by the parties concerned. The monthly allowance shall be sufficient to cover meals eaten at school or elsewhere.

B. Short-term Exchange Program

Short-term exchanges vary from several days to several weeks. They often take place when school is not in session and may not include an academic program. Short-term exchanges generally involve a homestay experience with a family in the host country, but may be organized as international youth camps or tours.

Host clubs must select individual Rotarian counselors from their clubs with whom each student is to be in regular contact and to serve as a liaison between the student and the club, the student's parents or guardians, host family and community at large. Sending clubs and/or districts select an individual Rotarian to serve as a resource to an outbound student. The club counselor must not be a member of the student's host family and must be trained in responding to any problems or concerns which may arise during the exchange, including the prevention of physical, sexual and emotional abuse. 41.070.9. Eligibility

Participation in Youth Exchange is open to students aged 15 to 19 years at the beginning of the exchange unless the laws and regulations of a specific country deem otherwise. Students 18 years or older may participate by mutual agreement by the participating clubs and districts.

Youth Exchange welcomes any young people who meet the requirements of the program and who are recommended and sponsored by a Rotarian, a club, or a district. They should be above average in their schoolwork.

People with disabilities may participate where and when this is possible and agreed upon between the sending and host clubs or districts. (*January 2017 Mtg., Bd. Dec. 87*)

41.070.10. Application

Candidates must submit a written application and must undergo a selection process including personal interviews with the applicant and the applicant's parents or legal guardians at the club level and at the district level.

Clubs and districts are encouraged to use standard Youth Exchange applications which are maintained and updated by networks of district and multidistrict Youth Exchange officers. (*January 2017 Mtg., Bd. Dec. 87*)

41.070.11. Selection and Placement

The sending district is responsible for ensuring that each student is accepted and hosted by a club in a partner district. Districts are urged to utilize written agreements with their exchange partners to delineate responsibilities to ensure that all expectations of the exchange relationship are met, such as certification of exchange partners, logistics, and student selection and orientation.

All individuals involved in the exchange, including students and their parents or legal guardians, host family members and Rotarian counselors, must agree in writing to all the requirements of the program as determined by the sending and host clubs or districts.

Student travel itineraries must be agreed upon by the students' parents or legal guardians and the host club or district. (*January 2017 Mtg., Bd. Dec. 87*)

41.070.12. Travel Insurance for Rotary Youth Exchange Students

Partner districts shall determine where there may be gaps in coverage, in any national insurance plans or travel insurance coverage, and identify and purchase supplemental coverage to meet the minimums.

Evidence of student travel insurance coverage shall be submitted to, received by, and accepted by the host district prior to the student's departure from home. As the host Rotary district must be in a position to arrange immediate and emergency medical attention when it is needed, the host district must approve that the insurance coverage carried by the student is with a responsible insurance company and will ensure that any service providers receive complete and prompt payment. The parent or legal guardian of the Youth Exchange student is responsible for the payment of all medical and accident costs.

The parent or legal guardian of each student shall obtain travel insurance, including, but not limited to, medical and dental coverage for accidental injury and illness, repatriation of remains, emergency evacuation, 24-hour emergency assistance services, and personal legal liability. Such amounts shall not be less than the following minimum limits and benefits per student:

- a) Provide coverage on a 24-hour basis from the time the student leaves their home until they return home inclusive of any personal travel before and/or after the agreed exchange period

- d) Minimum US\$1,000,000 for expenses related to injury or illness such as hospital, doctors/physicians, dentist, ambulance or other usual and customary medical services
- e) Minimum US\$50,000 for necessary emergency transport or evacuation of student in the event of severe illness or bodily injury
- f) Minimum US\$50,000 for repatriation of student's remains or cremation expenses in the event of the death of the student

- h) Minimum US\$500,000 for personal legal liability for liability arising from the student's actions or omissions that cause bodily injury to a third party or damage to a third party's property.

Parents or legal guardians may also consider obtaining the following additional travel insurance coverage options:

- a) Accidental death, dismemberment, or disability
- b) Emergency Visitation. Provides reimbursement for emergency visitation expenses for the cost of reasonable transport and accommodation incurred by any one close relative or friend to travel to, travel with, remain with, or escort the student as a result of serious injury, illness, or death of the student
- c) Trip Cancellation or Curtailment. Provides reimbursement for trip cancellation or curtailment expenses provides coverage for travel expenses incurred because of an unexpected cancellation due to injury or illness
- d) Property Coverage. Provides reimbursement for personal property losses, including student's loss of money or for theft or total loss of property such as baggage

e) Kidnap & Extortion coverage. Provides access to trained specialists that respond to incidents of kidnap or threats to kill, injure, or kidnap a student where ransom is demanded and pays for costs of ransom.

Where it is a statutory or legal requirement for travel insurance to be purchased in the host country, such insurance shall be in accordance with these limits and benefits. In all other cases dual insurance should be avoided unless agreed to by all parties.

Clubs and districts are strongly encouraged to consult insurance counsel for advice on obtaining liability insurance and other coverage and should be fully informed about government's policies and regulations regarding foreign students, including insurance coverage requirements.

Participation in extreme sports, such as hang gliding, rock climbing, and bungee jumping, is discouraged. If students are allowed to participate in extreme sports, these activities should be undertaken with the host districts' and parent or legal guardian's written permission, and additional adequate insurance should be obtained. 41.070.13. Travel by Youth Exchange Students

Youth Exchange students may undertake approved travel with host parents or for Rotary club or district events. The host district shall obtain written permission from the parents or guardians of students for travel outside their local community as defined by the host district in advance.

For all other travel, host districts must ensure that parents or legal guardians are provided with specific details about the program, location, travel itineraries, sleeping accommodations, and contact information. Tours and travel operated by or on behalf of host districts are subject to the Rotary Code of Policies section 2.120.3. (*June 2010 Mtg., Bd. Dec. 210*)

41.070.14. Preparation

The parents or legal guardians of the student are responsible for providing appropriate clothing and round-trip transportation to and from the host district.

It is not customary for host districts to charge inbound student fees. However, all in-country and optional costs, such as language courses, tours, and insurance, must be outlined and agreed to in advance of the exchange. Sending districts shall provide parents or guardians of outbound students with itemized invoices outlining how funds paid to participate in Youth Exchange are used. Copies of these invoices should also be provided to the sending Rotary club.

The host and sending club or districts must provide students with a list of individuals to contact in the case of a problem or emergency. These lists must include the name and contact information for the student's Rotarian counselor, club presidents, district chairs, governors, and two non-Rotarian resource persons (one male and one female). This list must also include local resources for medical, dental and mental health care and law enforcement. Where available, this list should also include local resources, suicide prevention hotlines, rape crisis hotlines, and local child protection agencies. (*October 2018 Mtg., Bd. Dec. 56*)

41.070.15. Orientation

The sending club or district must organize a mandatory orientation for outbound students and their parents or legal guardians prior to departure. This orientation must inform the participants about the rules, procedures and expectations associated with the Youth Exchange program, provide abuse prevention and awareness training for both students and parents or legal guardians, and should include a briefing about the local Rotary club and its activities.

The host club or district must organize a mandatory orientation for inbound students. This must include guidance for students should they encounter any aspects of neglect, physical, sexual, or emotional abuse, and contact information for local resources and their appointed counselors. Orientation must include information on local laws and customs as these can differ from one country to another greatly. (*January 2017 Mtg., Bd. Dec. 87*)

Students should not under any circumstances be permitted to operate or drive a motorized vehicle of any kind during the exchange, nor to own a motorized vehicle in the host country.

Students should not travel outside the immediate area of the host club community without the consent of the host club and district, the students' parents or legal guardians.

41.070.17. Student Debriefing

Due to the likely effects of reverse culture shock, following their return, students and their parents or legal guardians should be encouraged to attend a debriefing meeting for the

purpose of assisting them to transition to their home, school, and community environment. *(January 2009 Mtg., Bd. Dec. 152)*

41.070.18. Volunteer Selection and Screening

Careful selection of all individuals involved in Youth Exchange should be of paramount concern and be done with the utmost care and consideration.

All adults (Rotarian and non-Rotarians) involved in the program, including but not limited to committee members, host family members, club counselors, and others who have significant or unsupervised contact with youth, must be interviewed to determine suitability to work with youth, complete and sign a Youth Program Volunteer Application, and agree to undergo criminal background checks, including law enforcement public record checks and a reference check.

The host club or district must conscientiously screen and select host families on the basis of a written application, criminal background checks for all adults in the home, including law enforcement public record checks and reference checks, personal interview, and home visits.

44.020. Guidelines for Rotary Clubs, Rotary Districts and Other Rotary Entities for Interacting with Other Organizations

1. These guidelines govern the actions of Rotary clubs, Rotary districts and other Rotary Entities when interacting with other organizations.

2. Rotary does not endorse its partners, their products or services, policies or positions. Partnership does not imply endorsement or approval of the partner's products or services, policies or positions by Rotary. A partnership does not imply any exclusive arrangement with Rotary. A partnership does not imply any grant of control or influence to the partner over the content of any Rotary activity, publication, position or policy, nor does it imply that Rotary will exert any influence to advance the partner's interests outside the particulars of the arrangements made for the joint initiative, event, or activity. Promotional materials and communications cannot include any wording or design that suggests endorsement or approval of a product or service, policy or position by Rotary.

3. Clubs, districts and other Rotary Entities may support and cooperate with other organizations in projects and activities provided that:

- a) such initiatives are consistent with Rotary ideals and purposes
- b) the cooperative activity is approved by the club, district or other Rotary Entity membership concerned
- c) the cooperation involves direct participation and responsibility by a committee appointed by a club president, district governor or chair of a Rotary Entity designated for the duration of the activity, with provision for annual review
- d) club, district or other Rotary Entity autonomy as an independent organization is preserved
- e) the club, district or other Rotary Entity does not become a member of the cooperating organization
- f) appropriate recognition for club, district or other Rotary Entity is obtained, to the extent that it is warranted by the nature of the cooperation, in the interest of keeping the public informed about Rotary and its service activities
- g) the club, district or other Rotary Entity and the cooperating organization share in the responsibility of communicating to the public the nature of the joint project or activity
- h) the club, district or other Rotary Entity does not accept an ongoing
 1. obligation to participate in the joint project, or
 - 2.) financial obligation to the organization, but provides opportunities for Rotary clubs, Rotary districts or other Rotary Entities to review and decide upon continuing participation or financial support of such projects or activities at board meetings, district conferences, annual meetings or by other appropriate means
- i) such activity or cooperative agreement entered into by a club, district or other Rotary Entity does not in any way bind or commit Rotary International or The Rotary Foundation to said activity or agreement.

4. Except as may otherwise be set forth in Article 36, Partnerships, these Guidelines govern the use of the Rotary Marks, including the Rotary International emblem (the "Rotary Marks" are defined in paragraph 6, below) by any Rotary club(s), Rotary district(s) or any other Rotary Entity when used in combination with the name or logo of another organization.

5. "Rotary Entities" includes Rotary International, The Rotary Foundation, a Rotary club or group of clubs, a Rotary district or group of districts (including a multidistrict activity), a Rotary Fellowship, Rotarian Action Group, and administrative territorial units of Rotary International. Entities not included in this definition are not permitted to enter into sponsorship or cooperative relationships which use the Rotary Marks without seeking prior Board approval. Individual RI Programs are not considered Rotary Entities.

6. The information in these Guidelines should be referenced in any agreement between any Rotary club(s), Rotary district(s) or any other Rotary Entity and another organization, including, but not limited to, a sponsor or other cooperating organization, especially the information contained in paragraphs 6, 8, 10, 11, 12, 13, 14, 15, 16, 17 and 18, below.

7. RI is the owner of numerous trademarks and service marks throughout the world, including, but not limited to, "Rotary," the Rotary emblem, "Rotary International," "RI," "Rotary Club," "The Rotary Foundation," the Rotary Foundation logo, "Rotarian," "The Rotarian," "Rotaract," "Rotaract Club," the Rotaract emblem, "Interact," "Interact Club," the Interact emblem, "Interactive," "Paul Harris Fellow," the image of Paul Harris, "PolioPlus," the PolioPlus logo, "Service Above Self," "One Profits Most Who Serves Best," and the Rotary Centers for Peace and Conflict Resolution logo (the "Rotary Marks"). RI extends the right to use these Marks to Rotary clubs, Rotary districts and other Rotary Entities under certain limited guidelines for specific authorized uses as further set forth throughout this *Code of Policies* (see Article 33, Rotary Marks, generally).

8. When interacting with other organizations, such as for sponsorship and other cooperative relationship purposes, RI permits Rotary clubs, Rotary districts and other Rotary Entities to use the Rotary Marks in the following manner(s) and subject to the following provisions.

9. Nothing in the limited use granted herein will constitute an assignment or license of any of the Rotary Marks to any other organization.

10. In situations where Rotary clubs, Rotary districts and other Rotary Entities are interacting with other organizations, RI will only allow the use of the Rotary Marks in combination with the name or logo of another organization for the limited and specific purpose of promotional materials for the event or project of, or cooperative relationship with, the Rotary club(s), Rotary district(s) or other Rotary Entity, as further set out in paragraph 10, below.

11. When one of the Rotary Marks is used in combination with the name or logo of another organization, further identifying language of the name of the Rotary club(s), Rotary district(s) or other Rotary Entity must also be used in close proximity to and in equal prominence with the Rotary Marks. (See Sections 33.030.6.; 33.040.12.; 33.040.6.)

12. Whenever any of the Rotary Marks are used in combination with the logo of another organization for sponsorship or cooperative relationship purposes, including any advertisement or promotional materials directly related to a sponsored Rotary event or project (including, but not limited to, banners or signs) the logo of the other organization must be of equal or lesser unit size to that of the Rotary emblem (or other Rotary Marks, at the sole discretion of the Rotary club(s), Rotary district(s), other Rotary Entity or RI), unless the Rotary emblem or other Rotary Mark is part of a repetitive background screen. RI allows for overwriting of the Rotary emblem (or other

Rotary Marks) (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed. RI agrees that in cases where a sponsor might wish to highlight its role in sponsoring a Rotary event or project in conjunction with its regular advertising, the Rotary emblem may be smaller than the sponsor's logo.

13. The Rotary Marks may not be altered, modified or obstructed in any way but must be reproduced in their entirety. No abbreviations, prefixes or suffixes such as "Rota" are permitted. To accommodate digital media and enhance an accurate reproduction of the Rotary emblem, a specially modified emblem may be used for replications smaller than 0.5 inches (1.27 cm), such modified emblem to be used only together with "Rotary" as part of the "digital and small space signature lock-up" or with "Interact" or "Rotaract" as part of the digital and small space simplified signatures for the Programs logos. To accommodate the embroidery medium, the modified Rotary emblem may be used on licensed and other RI authorized articles of clothing in replications greater than 0.5 inches (1.27 cm) but only in sizes too small to accommodate accurate reproduction of the Rotary emblem, provided the modified Rotary emblem is always used together with "Rotary," "Interact," or "Rotaract" in the simplified signature format. RI allows for overwriting of the Rotary emblem or other Rotary mark (watermarked, printed, screened or embossed), provided the Rotary emblem or other Rotary Mark is not otherwise partially covered and/or obstructed.

There should be no overlap between another organization's logo and the Rotary emblem or other Rotary Mark; the two images should be clearly spaced so as to be two separate and distinct images.

For correct color reproductions of the Rotary emblem, current guidelines are found in the Brand Center at <https://brandcenter.rotary.org> and in "*Voice and Visual Identity Guidelines*," which give further specifications for reproducing the Rotary emblem and guidelines for maintaining a standardized, coordinated identity for all Rotary materials (547A). Rotarians are reminded that Rotary is both a local and a global organization and even local uses may enjoy global recognition through the use of the Internet. Different cultures have different standards and different sensitivities. Any use of the Rotary Marks under these guidelines should attempt to be culturally sensitive and in concert with the Object of Rotary. RI reserves the right to review and approve any uses of the Rotary Marks. The Rotary Marks may not be depicted in combination with images of guns, weapons, or other armaments.

14. The Rotary Marks may only be reproduced by a vendor authorized to do so. Whenever, possible, therefore, reproductions of the Rotary Marks should be done by an officially licensed vendor. If the desired goods are not reasonably available from a RI licensee, a release must be obtained from the RI Licensing Section.

15. Each use of any of the Rotary Marks in combination with the name or logo of another organization should be subject to a pre-publication review and approval process on the part of the Rotary club(s), Rotary district(s) or other Rotary Entity or by RI. RI, the Rotary club(s), Rotary district(s) or other Rotary Entity should retain the sole right to specific denial or authorization or, in the case of alteration (of copy or layout), to be mutually agreed upon by the parties.

16. The Rotary club(s), Rotary district(s) or other Rotary Entity should retain control over where promotional materials are published in any medium, including where banners or signs are allowed to be displayed when any of the Rotary Marks are used in combination with the name or logo of another organization.

17. The Rotary club(s), Rotary district(s) or other Rotary Entity should reserve the right to approve publications or other media in which any other organization wishes to advertise or otherwise promote a relationship using the Rotary Marks.

18. Membership lists, except by Board authorization, must stay within the control of RI, the district(s), the club(s), and/or other Rotary Entity(ies) involved. However, any determination to allow access to membership lists must respect the individual rights of Rotarians, including relevant legal restrictions.

19. Any use of the Rotary Marks in combination with the name or logo of another organization should

- A. Be consistent with Rotary's values and local cultural norms
- B. Be in accord with the Object of Rotary, and
- C. Enhance Rotary's public image and reputation. (*April 2018 Mtg., Bd. Dec. 159*)

50.020. Public Relations Guidelines for Pro Bono Relationships with Corporate Entities

The Board has set forth the following public relations guidelines to effectively manage a pro bono relationship with a corporate entity to safeguard the integrity and reputation of RI/TRF, while allowing public relations opportunities for all parties to the agreement.

Definition of Pro Bono Public Relations Relationship

Pro bono relationships do not involve compensation. Predetermined "out-of-pocket" costs are agreed to in advance of securing pro bono assistance. A pro bono public relations relationship involves a private communications agency supplying promotional work without compensation. In turn, RI/TRF agrees to publicize the pro bono relationship as appropriate in RI/TRF's sole discretion.

Establishment of Relationship

When an appropriate corporate entity that may provide pro bono public relations services to RI has been identified, such entity shall be referred to the general secretary for immediate review to ensure that RI/TRF's credibility remain intact, and that current Rotary publicity initiatives will be enhanced. The review will include, but not be limited to, the following elements:

- 1) Shared mission/interest: A review of the corporation's policies and positions on issues relevant to RI/TRF will be assessed to ensure that no conflict of interest exists with the Object of Rotary.
- 2) Background search: An extensive news search of the corporation and back review of annual reports will be researched to study current and past media placements.

Upon completion of the satisfactory review, the general secretary will negotiate a pro bono agreement with the corporate entity. Terms of the agreement will include, but not be limited to, the following:

- 1) Message development: Standing key messages exist within RI/TRF. Altering or adapting these messages must gain approval by the general secretary to deter the release of misinformation to the general public and RI membership.

- 2) **RI Spokespeople:** The general secretary in consultation with the RI president and/or Trustee chair, will designate appropriate RI/TRF spokespeople for all events and interviews, a RI/TRF spokesperson must be incorporated into all media interviews, either live or by telephone. RI will approve all media interviews related to the pro bono relationship.
- 3) **Editorial Review:** RI/TRF staff retains full editorial review of all material released by the corporate entity. This activity will ensure the release of factual information to the media, general public and membership audiences of the corporate entity and RI/TRF. These Guidelines do not authorize corporate entity to reproduce any of the ROTARY Marks for any purpose without the prior written, express consent of RI/TRF except as expressly set forth herein.
- 4) **Media placement:** All press releases, media advisories and media placements must be reviewed by RI to ensure accuracy and proper RI/TRF mention and copies of the media placements provided to RI.
- 5) **Placement in RI/TRF publications:** Efforts will be made to ensure proper recognition of the pro bono services donated by the corporate entity in Rotary publications including but not limited to: *The Rotarian*, *Rotary Leader*, and the RI website.
- 6) **Photo credit/video credit:** All material provided by RI/TRF must be credited to Rotary International and include appropriate copyright information, if owned by RI. Appropriate copyright notice would be : "© 2000 Rotary International."

51.010.3. Goals of the Official Magazine

The Rotarian utilizes its broad policy directive to delineate and work to achieve the following goals:

- 1) To provide a channel of communication to disseminate and support the theme and philosophy of the president and special programs approved by the Board.
- 2) To promote and report on the major meetings of RI and the various official Rotary weeks and months.
- 3) To serve as an educational and program resource tool for clubs and district leaders.
- 4) To help build service by motivating and inspiring Rotarians through reportage of outstanding examples of activity in the five Avenues of Service by clubs and Rotarians around the world.
- 5) To help build international fellowship by providing Rotarians with regular and effective contact with the wide world of Rotary which lies beyond their individual clubs and by informing Rotarians of the accomplishments of their fellow Rotarians.
- 6) To provide a forum in which the views and concerns of Rotarians--both on Rotary and non-Rotary topics of significance--can serve to challenge, develop, and strengthen their beliefs in Rotary. In addition, to broaden the horizons of Rotarians and other readers by focusing attention upon the problems of the cultural, ethical, and moral framework within which Rotary works and serves, with the understanding that there will be no comments published, no matter by whom submitted, which might reasonably be expected by the

editors to be offensive to the citizens of any nationality or be adverse to the best interests of any country.

7) To help strengthen the fabric of society by treating family-life topics, including helpful art-of-living resources, which are of interest to the official magazine's prime audience, Rotarians and their families.

8) To provide comprehensive and effective leadership in maintaining a network of Rotary communication around the world through cooperation with Rotary regional magazines, district publications, and club bulletins.

9) To illuminate and enhance the image of RI by publishing a high-quality magazine which informs and educates non-Rotarians about Rotary ideals and activities.

10) To generate reader interest by producing a magazine which is attractive, lively, topical, and relevant to Rotarians and their lives--and, therefore, in a position to compete successfully with the many demands upon readers' time. (*June 2010 Mtg., Bd. Dec. 223*)

- c. The Board, the general secretary acting on its behalf, is responsible for administering this policy and making the final decision on questions of advertising acceptance.
- d. It is recognized that Rotarians are of necessity in competition with each other in their business and professional interests and that such competition should not be the basis for rejection of legitimate advertising.
- e. RI does not endorse any advertiser and does not assume financial responsibility or obligation in connection with advertised goods and services.

II) *Standard for Acceptance*

- a. The value of goods or services offered must be reasonably stated and product, service, copy, and illustration must be acceptable by the standards of aesthetics and good taste one would expect in a prestige magazine.

- d. The Board shall develop and periodically review categories of acceptable and unacceptable advertising to guide the general secretary in administering this policy.
- e. Vendors who seek to customize merchandise that is in competition with merchandise provided by official licensees must apply for a license from RI when seeking to sell such merchandise through advertising in *The Rotarian* magazine and the licensed regional magazines. Alternatively, vendors seeking to advertise in *The Rotarian* magazine and the licensed regional magazines to sell goods which may be customized and which may compete with officially licensed products shall be required to use the following disclaimer in any of their advertising, "Not licensed to reproduce the Rotary Marks," or other such disclaimer as the general secretary finds appropriate. The general secretary reserves the right to determine which advertisements shall require a disclaimer.

Customized, competing goods are any goods that directly compete with goods offered by Rotary International's officially licensed vendors ("Licensed Products"). A complete list of Licensed Products is available on RI's website, www.rotary.org.

The general secretary reserves the right to determine which goods compete with Licensed Products.

V) *Unacceptable Advertising*

- 9) Unfairly discriminates based on race, ethnicity, gender, language, religion, political or other opinion, national or social origin, property, or birth or other status
- 10) Promotes a particular political or religious viewpoint
- 11) Advertising by clubs or Rotarians offering to act as intermediaries for other Rotarians in making business contacts
- 12) Advertising which too closely resembles the magazine's editorial content. (Any advertisement which, in the opinion of the publisher, may be mistaken for editorial content will be labeled "advertisement.")
- 13) Weaken the autonomy, independence, reputation, or financial integrity of Rotary International or The Rotary Foundation

51.020.4. Guidelines for Rotary Regional Magazine Licensing

The Board has approved the following guidelines for Rotary regional magazine licensing:

a) Qualifications

1. Only regional magazines that have been approved for their country(ies) by the RI Board are eligible to be licensed.

2. Regional magazines with circulation of 5,000 or more must be directly supervised by an advisory board consisting of at least six members, including a current governor or designate, a current incoming governor or designate, the magazine's editor in chief, and three past RI officers (preferably media professionals or members with communications experience). Regional magazines with circulation of less than 5,000 must be directly

supervised by an advisory board consisting of a minimum of three members, including a current governor or designate, a current incoming governor or designate and the magazine's editor in chief. Members will serve for a period of at least one year, and the advisory board must meet at least once a year. The advisory board shall fairly and equally represent the region it serves.

3. To become licensed and maintain their licensed status, regional magazines must consistently publish the mandatory Rotary content as supplied by RI. Editorial content must reflect that the regional magazine serves all Rotary countries or districts within its territory, and is published in the primary, officially recognized language.

i) The editors and advisory boards of regional magazines shall ensure adherence to RI policy on political and religious matters and strive to promote the Rotary principle of welcoming men and women of all races, nations, religious faiths, vocations, and political persuasions to membership.

ii) Regional magazines shall not express an editorial opinion on any pending controversial public measure.

iii) Regional magazines shall not endorse, recommend, or otherwise express an editorial opinion about any candidate for public office or Rotary office, or publish any letter, speech, or other content supporting or otherwise commenting on any such candidate.

iv) Regional magazines shall not express an editorial opinion on international political affairs or publish any letter, speech, or other content on such affairs.

4. Licenses will be issued to only one regional magazine per country or geographic area, except in countries or geographic areas where the number of languages spoken warrants more than one regional magazine, as determined by the RI Board.

5. The Communications Committee will determine if magazines meet the requirements for licensing. Following RI Board approval, all regional magazines must enter into an agreement with RI delineating the nature of the relationship and setting forth the guidelines for publishing a licensed Rotary regional magazine. Once the agreement is signed, the regional magazines may announce or publish news of their licensed status.

6. RI shall review every regional magazine. Should any noncompliance with RI guidelines be discovered, the regional magazine may be placed on probation or terminated, as set forth in the license agreement with RI.

b) Procedures

1. Regional magazines must comply with RI's report filing requirements, as set forth in the license agreement with RI.

2. Regional magazines must adhere to RI Board guidelines for reproduction and use of the Rotary Marks.

3. Regional magazines must comply with the payment obligations, as set forth in the license agreement with RI.
4. Recognizing that Rotarians must subscribe to either *The Rotarian* magazine or one of the regional magazines (RI Bylaws section 21.030.), licensed magazines are required to bill separately for the regional magazine subscription, making clear that any other services or products they offer are optional, and because these other services and/or products are not covered by the terms of the license agreement with RI.
5. Pursuant to Article 22.020.1. of the RI bylaws, licensed regional magazines shall be responsible for establishing a mechanism for billing and collection of subscription fees. RI recognizes that this sometimes involves the cooperation of the local clubs and districts.
6. Further to Article 22.020.2. of the RI bylaws, revenue received by the licensed magazines shall be applied to the publication and improvement of the magazines and any other licensed communications vehicles, wherever possible, and in accordance with the terms of the license agreement with RI.
7. Regional magazines must submit the following information to RI:
 - i) A detailed content summary and Table of Contents in English of each issue, plus at least three copies of each issue immediately upon publication;
 - ii) a list of advisory board members, including each member's name, title (if any), and length of term, and an annual schedule of advisory board meetings;
 - iii) basic circulation information, including the number of paid and complimentary subscriptions and the annual subscription cost;
 - iv) verification that standard circulation requirements (two or more Rotary districts or at least two Rotary countries) are being met;
 - v) verification of publication frequency (at least six times per year);
 - vi) a current magazine editorial calendar and a projection of any major changes or planned improvements for the licensed period;
 - vii) a report of advertising policy and rates;
 - viii) a financial stability letter, signed by the chair of the regional magazine advisory board. The statement will verify that the regional magazine is financially viable and in a position to maintain publication.
 - ix) Regional magazines shall also submit profit and loss statements and other financial documents that illustrate financial solvency and revenues and expenses, as set forth in the license agreement with RI. Regional World Magazine Publications shall provide audited financial statements to RI on an annual basis and publish same to their subscribers annually.

8. Failure to comply with the terms of the license agreement with RI will result in probation and/or termination, at RI's discretion, in accordance with the terms of the license agreement with RI. (*January 2019 Mtg., Bd. Dec. 80*)

51.020.5. Required Subscription

RI Bylaws Article 21.030.1. require that each member of a club not located in the United States or Canada shall become a paid subscriber to the official magazine of RI or to a Rotary magazine *approved and prescribed* for that club by the board. A district that contends that the magazine that is approved and prescribed by the board for its country or geographic area does not meet its needs may appeal to the board to have its approved and prescribed magazine changed by submitting to the general secretary a written resolution that is approved by two-thirds of the district's member clubs and endorsed by at least three of the district's current governor, governor-elect, governor nominee and immediate past governor. Such resolution should:

1. State the reasons why the board's approved and prescribed magazine for that country/region does not meet the needs of that district.
2. State what steps have been taken by the district to resolve the issue directly with the prescribed regional magazine.
3. State the response and outcome of each step cited in point 2, above.
4. Indicate an alternate choice of licensed magazine.
5. State why the desired alternate choice of licensed magazine would better suit its needs.
6. State the circulation/number of subscribers that would be affected.

Upon receipt of such resolution, the general secretary will forward a copy to the potentially impacted magazine (to both the publisher and the advisory board chair) and solicit its response within sixty (60) days. Thereafter, the resolution will be researched and considered by the general secretary. At the general secretary's discretion, once sufficient information has been gathered and if a meritorious case exists, the general secretary will bring the matter to the board for its consideration. The board, in deciding the issue, will consider the information included in the resolution and supporting materials, the response (if timely received) from the impacted magazine, the impact such a change would have on the existing approved and prescribed magazine, the ability and willingness of the proposed new licensed magazine to handle the increased subscription, the political climate in the region and any other facts or circumstances that may be relevant. 52.020. Internet and Electronic Communications

52.020.1. Guidelines for Rotary Club, District, and other Rotary Entity Electronic Publications

a) A Rotary Entity's website is a "publication," just as a Rotary Entity's newsletter is a "publication." The primary purpose of any Rotary publication, printed or electronic, is to advance the Object of Rotary.

b) Content and design of such publications should be under the direct supervision of the publishing entity's highest officer, whether it be the Rotary club president, governor, or Fellowship chair, and must conform to current RI policies. (Of particular note are those policies pertaining to Rotary Mark and Emblem usage and those prohibiting circularization.) (See Article 34, Rotary Marks, generally, and section 11.010. Circularization.) In particular, whenever the name "Rotary," the Rotary Emblem or other of the Rotary Marks are used, Rotary Entities should use the further identifier of the name of the Rotary Entity involved. When selecting a domain name that includes the word "Rotary," Rotary Entities should also include further identifying language of the name of the Rotary Entity and not solely the word "Rotary." Members are reminded that no abbreviations of the Rotary Marks, such as "Rota," are permitted. (See section 33.040.6.) (Proper naming examples are: "www.AnytownRotaryClub.org," "www.rotarydistrict0000.org," "www.AnytownRotaryVillage.org," and "www.Rotary [Insert Name of Rotary Entity Here].org." Examples of generic, improper naming examples that only use "Rotary" by itself or refer to RI and not a specific Rotary Entity would be "www.rotaryvillage.org," "www.rotarian.org," "www.RIactivity.org" and "www.rotarywomen.org.") Rotary International accepts no responsibility for the content of any non-RI publication.

c) Rotary International maintains a site on the World Wide Web (www.rotary.org) to provide Rotarians with timely and accurate information about the programs of Rotary International and The Rotary Foundation. Editors of Rotary publications in all media are encouraged to use this information in their respective Rotary organs, provided they adhere to the copyright policies posted on the RI site. Furthermore Rotarians in charge of club,

district, and other Rotary Entity websites shall, when feasible, include a link to the RI website for the benefit of those wishing to learn more about Rotary.

d) Top Level Domain (“TLD”) and Domain Name Registration and Maintenance Policy

I. Purpose of Policy

The purpose of this policy is to define the TLD and domain name registration policy for Rotary International. It should also serve as a guide to Secretariat Staff as various departments take advantage of the Internet to promote Rotary International and its programs and to Rotary Entities seeking to purchase domain names as they establish websites to advance the Object of Rotary.

II. TLDs and Domain Names Reserved for the Exclusive Use of Rotary International and The Rotary Foundation

A. TLDs and Domain Names

Rotary International reserves the following of the Rotary Marks for the exclusive use of Rotary International and The Rotary Foundation as TLDs or domain names (the below to include the plural, as well as the singular uses thereof):

- a) interact
- b) interactclub
- c) interactive
- d) paulharris
- e) paulharrisfellow
- f) polioplus
- g) RI
- h) rotaract
- i) rotaractclub
- j) rotarian
- k) rotary
- l) rotaryclub
- m) rotaryfoundation
- n) rotaryinternational
- o) rotaryintl
- p) therotarian
- q) therotaryfoundation
- r) TRF
- s) serviceaboveself

To the extent possible, each Rotary Mark should be maintained as a domain name (in conjunction with each major TLD such as .com, .org, .net, .info, .biz and others, as they become available), a TLD or other major identifier of Rotary on the Internet.

B. Country Code Domains

“ROTARY” should also be protected in conjunction with country code (“cc”) domains as much as possible based on the following order of priority:

- a. Any domain name and/or country mandated by the RI Board or TRF Trustees.
- b. Countries in which RI has an international office.
- c. Countries in which RI is scheduled to hold an upcoming Convention and/or the home countries of elected and/or nominated RI presidents.
- d. Countries in which there have historically been or in which RI is currently having problems, either because of those who infringe RI's marks or because other individuals, companies or organizations have filed numerous applications for same or similar marks requiring RI to file oppositions against these applications.
- e. Countries in which RI has either a significant number of licensees or major licensees.
- f. Countries in which RI has established a prominent presence, either because of large numbers of Rotarians or countries in which RI and/or the programs of RI are very active.

Rotarians, Rotary clubs, Rotary districts and other Rotary Entities are asked to support this Policy and transfer ownership rights in any of the above designated TLDs and/or domain names they may currently own to RI, at RI's request. Due to budget limitations, cc level domain names featuring any of the Rotary Marks other than ROTARY are not in line for purchase at this time, but this is subject to change at any time at the discretion of the general secretary.

C. Other TLDs and Domains

1. The general secretary shall determine whether there are any TLDs or domain names, other than those set forth above, which it would be in RI's best interest to protect and maintain for its exclusive use and/or benefit.
2. The general secretary shall determine whether and when the use of any of the Rotary Marks in a TLD or domain name by a Rotary Entity does not comply with Board policy or for an individual, company or organization not affiliated with RI constitutes infringement and shall pursue the matter accordingly.

III. Registration and Maintenance of TLDs and Domain Names

The general secretary shall purchase TLDs and domain names meeting the current goals of TLD and domain name protection, listing Rotary International as the owner. The Intellectual Property area of the Office of the General Counsel shall handle the registration, renewal and maintenance of TLDs and domain names for Rotary International and The Rotary Foundation, with technical and substantive support from IT, Communications and CDS, as necessary.

IV. Rotary Clubs, Rotary Districts and Other Rotary Entities

A. Rotary clubs, Rotary districts, other Rotary Entities and individual Rotarians should be advised that RI reserves the right to request that TLDs and domain names featuring any of the Rotary Marks be assigned to RI now and in the future, pursuant to this policy.

B. Rotary clubs, districts, other Rotary Entities and individual Rotarians are encouraged to purchase domain names that comply with the RI Board policy concerning the use of the Rotary Marks as outlined in the *Rotary Code of Policies*. (See sections 33.040.6. Use of Name "Rotary," or other Rotary Marks by Rotary Entities; 33.040.12. Use of the Name "Rotary," the Rotary Emblem or other Rotary Marks in Multidistrict Activities). Rotary Entities are encouraged, before registering domain names, to check with their CDS

representative to ensure their proposed domain name complies with Board policy for use of the Rotary Marks.

C. The purchase and/or administration of any TLDs which may become available using any of the Rotary Marks is reserved exclusively for RI.

D. The general secretary may require a disclaimer that limits RI's liability to be placed on websites of Rotary Entities.

E. The general secretary reserves the right to take any necessary action against any Rotary club, district or other Rotary Entity or individual Rotarian or group of Rotarians whose actions are not consistent with RI Board policy concerning the use of the Rotary Marks. *(September 2017 Mtg., Bd. Dec. 24)*

52.020.2. RI's Website

The general secretary shall maintain the RI website at the www.rotary.org address on behalf of the Board. The website shall include information pertinent to the programs and activities of Rotary International and The Rotary Foundation as well as applications to assist Rotary clubs and districts in doing their Rotary business online including such things as membership updates, Foundation donations, purchasing of Rotary products, etc. The general secretary shall provide or make accommodation for reasonable space (up to 10 pages each) for the president and the president-elect to communicate with the Rotary world as an integrated part of RI's website. *(May 2011 Mtg., Bd. Dec. 252)*

52.020.4. Social Business Strategy

Rotary will increasingly use digital social strategies to engage Rotarians, the "family of Rotary," and the general public. The tools we choose to implement will be worthy of Rotarians' trust. These tools will make it easier for Rotarians to build and deepen relationships with one another and to discuss and collaborate on Rotary-related business. We will encourage the use of social technologies consistent with these goals and development of new technologies where gaps exist. *(May 2012 Mtg., Bd. Dec. 244)*

As an exception to its policy regarding the circularization of Rotary clubs, the general secretary shall annually provide to the Rotary Rose Parade Float Committee, Inc. an electronic mailing list of Rotary club presidents and presidents-elect and RI district governors in the United States and Canada to be used by that committee only for Rose Parade float fundraising purposes, provided that the committee enters into an agreement with RI that includes:

- a. a provision allowing the committee to circularize Rotary clubs and districts up to three times annually in connection with its Rose Parade float fundraising efforts;

57.020.3. Relationship of the Host Organization to RI

The host organization cooperates with the Board and the convention committee to assist with the convention program and to provide hospitality for attendees. The general secretary, acting through the convention manager, serves as liaison between the host organization and the convention committee and Board. The general secretary, who is responsible for the operational aspects of Convention management, fulfills these responsibilities through the convention manager with the advice and cooperation of the host organization.

The above statement shall be provided to all host organization committees for their information and guidance in connection with plans for the convention. (*January 2012 Mtg., Bd. Dec. 201*)

A manual for the general guidance of the convention committee has been approved and is revised from time to time by the Board and distributed as detailed in the manual for conventions. 57.040. Site Selection

57.040.1. Convention in Successively Different Locations

The international convention shall not be held in any one country for more than one consecutive year. If possible, Conventions should be held successively in different parts of the world, with the qualification that cost factors be given careful consideration. The eastern and western regions of the United States, as divided by the Mississippi River, are to be considered two distinct regions for this site selection purpose. (*November 2007 Mtg., Bd. Dec. 87*)

57.040.2. Minimum Standards For Convention

The Board will consider a proposal only if the general secretary has explicitly confirmed that the city currently meets all of the requirements for holding a convention. If the general secretary and/or Rotary senior leader involved in the site inspection reports that a city does not meet all of the critical site specification criteria as described in the current *Manual for Conventions* and the Board proceeds to select that city, the Board shall provide an explanation of how any deficiencies will be addressed in its respective Board decision. The general secretary shall inform the Board of potential sites which vary slightly from the standards, or preferred criteria, when such variances would not inhibit the full capability of a city to hold a convention. Should no city be certified by the general secretary from among those submitting invitations, the Board will postpone any selection until a city has been so certified or solicit proposals from another group of cities. International conventions shall not be allocated to cities that do not have sufficient and proper facilities. (*January 2011 Mtg., Bd. Dec. 150*)

57.040.3. Cost Control Measures in Convention Site Selection

To control Convention expenses, negotiations to reduce costs in the following areas may be conducted before the selection of the convention city: housing, meeting places, and other facilities. The number of official meals should be limited as much as possible. Any gratis items to be offered, including complimentary hotel rooms for various officers, should be established. 57.040.4. Funding of Convention Meeting Space

When considering districts' invitations to hold conventions in their cities, RI will expect the city to provide without expense to RI a suitable and convenient auditorium for the convention's general sessions and additional meeting places for other sessions. No district of any city should have to pay rental or other expenses for convention venues for RI's use. Rather, the city shall furnish such facilities, or the city government, tourist association, chamber of commerce, or a similar group of business people should provide any necessary funds for such a meeting place. 57.040.5. Convention Cancellation

The general secretary shall continue to monitor factors which could interrupt International Conventions and make contracts, wherever possible, in such a way as to minimize any liability to RI in the event of any interruption in plans for a Convention. (*June 1998 Mtg., Bd. Dec. 348*)

57.040.6. Procedures for Selecting RI Convention Sites

Procedures have been established for the selection of sites to hold RI's annual convention and are detailed in the Manual for Conventions. No city can host a convention sooner than every 20 years. 57.040.7. Changing Location of Convention Site

Having selected a convention city, the general secretary will update future Boards on the progress being made with several cities and districts scheduled to host conventions in future years. The general secretary will alert the Board to any serious problems encountered in convention planning.

In the event information is received which indicates that the location of a meeting which has already been determined has become inaccessible, the Board shall consider changing such location. (*June 2002 Mtg., Bd. Dec. 266*)

- a) no other city in the country meets the criteria for conventions
- b) there are no more than three modifications to the critical criteria
- c) the total financial impact of the applied modifications does not exceed US\$1.5 million
- d) the accepted bids are further subject to limits on the number of registrants or to other convention product modifications as defined by the general secretary
- e) such an exception occurs no more than once every seven years

D. Organization

1. The president-nominee is authorized by the Board to act on its behalf to approve the sites and dates of Rotary institutes. No action should be taken by potential conveners to secure institute dates or locations until they are formally appointed by the president-nominee. Conveners are required to obtain such approval before committing to a time and location. When there is no president-nominee yet declared, the Executive Committee of the Board is authorized to appoint conveners and approve institute dates and locations. The general secretary shall advise all current and future conveners of Rotary institutes to make every effort to ensure that the meeting does not conflict with any other institute in the region or major religious holiday celebrated in that zone.
2. The organization and program of each institute shall be directed by the convener, who is the president's representative to the institute and who remains responsible to the president for the conduct of the institute;

3. The convener, while retaining complete control of the agenda, program, and finances of the institute, shall appoint a
 - a. chair, who is responsible for the arrangements for and organization of the institute meeting;
 - b. treasurer, who should be a past RI officer, responsible to the convener and the zone for the preparation of the institute budget, use and disbursement of the funds;
4. In order to promote the best attendance and participation at reasonable expense, institutes should not be planned for areas exceeding the equivalent of four zones.
5. RI directors, directors-elect, directors-nominee, other conveners, and their respective Institute planning committees are encouraged to visit, at their own expense, other Rotary Institutes to obtain ideas on more meaningful engagement of past governors in Rotary Institutes;
6. Rotary institutes, presidential conferences, and district conferences may be held in conjunction with each other or simultaneously at the same venue provided that:
 - a. separate budgets and separate registration fees are established and maintained for each meeting;
 - b. funds will be maintained separately for each meeting;
 - c. prior consent is obtained from the governor where the district conference will be held and from the convener of the Rotary institute to be held. (*January 2012 Mtg., Bd. Dec. 159*)

E. Program

1. Institutes shall normally last two to three days, not counting the time for any separate sessions or seminars, and be held at times that are reasonably convenient for younger participants;
2. Conveners must not allow speeches and presentations to take up most of the program time at institutes but rather plan ample time (approximately 40-50 percent) for the exchange of views among participants through panels, question and answer sessions, group discussions and the like;
3. Conveners shall, when convenient, arrange an intercity meeting for institute participants and local Rotarians;
4. Conveners may, as appropriate, avail themselves of the assistance of any RI and TRF staff assigned to the institute by the general secretary for information and participation to support pre-institute or institute programs. Where possible, the assignments should be made from the international office serving the zone.
5. In the year of the Council on Legislation, conveners are requested to:
 - a. conduct a training session to last at least one-half day limited to representatives and alternates and conducted by highly experienced Rotarians, to discuss the operation and procedures of the

Council, but not the substance of the proposals, with training materials to support such training sessions provided by the general secretary;

- b. schedule a plenary session to discuss the substance of the selected proposals to be considered at the next Council, for the purpose of allowing voting representatives the opportunity to hear the views of Rotarians from their area of the world.
6. The Board recommends including an open forum of least one-hour during the institute program for an exchange of ideas between the participants and Rotary senior leadership.
 7. A director, or other representative of the Board, shall present the five-year forecast to each Rotary institute for discussion, pursuant to RI Bylaws section 18.060.4.
 8. Each Rotary institute should schedule a status report on PolioPlus until polio eradication is achieved. (*January 2010 Mtg., Bd. Dec. 248*)

F. Promotion

RI directors-elect, directors-nominee and their respective Institute planning committees, should consider promoting

1. emerging information about RI and our Rotary Foundation;
2. fellowship opportunities, especially re-connecting with one's governor-class;
3. opportunities to interact with senior Rotary leaders regarding Rotary policies. (*June 2010 Mtg., Bd. Dec. 248*)

G. Adjunct Meetings

1. GETS are considered the only mandatory adjunct meetings. Separate sessions or seminars shall, with the permission of the convener, be held at (or near) the same time and location of the institutes, which may include training for governors-elect, governors-nominee, spouses of incoming governors, district trainers, and the One Rotary seminar. Adjunct meetings must
 - a. not interfere with, and should not duplicate, the main program of the institutes, which is primarily for past RI officers;
 - b. therefore be also under the direction of the convener;
 - c. not duplicate the program at the International Assembly;
 - d. be consistent with RI policy and information developed by RI;
 - e. be promoted and financed as quite distinct from the institute itself.

2. However, any events coming before or after an institute - such as governors-elect training seminars (GETS), the One Rotary seminar, The Rotary Foundation seminar, governor-nominee training, training for district trainers, or recreational events - should be clearly described as pre- (or post-) institute events, which may involve a different audience than those attending an institute.
3. It is the responsibility of all Rotary institute conveners to ensure that the program for zone-level training of governors-elect as adopted by the Board is fully implemented.
4. It is recommended that presentation, equipment, and room charges for the training seminar be included as part of the event budget and are provided at no cost to either RI or the GETS training team. The GETS training team should be provided with the appropriate meeting space and equipment. The following logistical and equipment needs are recommended:
 - a) Tables and chairs for participants set-up in a “U” shape (group size of no more than 25-30 governors-elect)
 - b) Podium or table for training leader
 - c) LCD projector, laptop computer, or overhead projector
 - d) Flipchart stand, paper, and markers (*January 2013 Mtg., Bd. Dec. 154*)

H. Finances

1. Each institute shall be financially self-supporting through registration fees and voluntary donations (including goods and services) or sponsorships in accordance with RI Guidelines. Funds raised for the institute shall only be spent on institute-related expenses;
2. Adjunct meetings shall also be self-supporting through registration fees;
3. Districts and clubs (and non-participating Rotarians) shall not be required to pay any institute expenses, except for the costs of their governor and incoming governor (and other future RI officers at the discretion of districts and clubs), or as sponsors in accordance with RI Guidelines;
4. The convener shall make every effort to contain costs by
 - a. securing reasonably priced facilities and accommodations;
 - b. minimizing the number and cost of social functions;
 - c. minimizing the cost of speakers and any others invited from outside Rotary or the zone;
 - d. offering lower-cost or hosted lodging in the area, corporate sponsorships, and/or increased flexibility for meal options.
5. Rotary International provides adequate general liability (also known as public liability and third-party liability) insurance coverage for each institute. Coverage is limited to policy terms and excludes institute activities such as fireworks displays, motor racing events, and use of airplanes and watercraft to name a few. Coverage terms and limitations may change annually. Please contact RI Risk Management for additional information;

6. After all expenses have been paid, any surplus balance shall, in cooperation with the convener and the treasurer of the next institute, be carried forward for the sole use of that and future institutes.
7. No financial guarantee for Rotary institute conveners is appropriate or necessary.
8. RI will reimburse the transportation expenses incurred by conveners for travel to the institute site on up to two occasions, if necessary, for preparation and planning purposes. Conveners are encouraged to make these trips in conjunction with other Rotary travel, whenever possible, for economic reasons.
9. RI will reimburse the transportation expenses incurred by conveners, and their spouses when accompanying them, to attend Rotary institutes, in accordance with RI's established travel and expense policy.
10. Rotary institutes are expected to cover all other expenses incurred by the conveners and their spouses attending their institute. Nevertheless, any such other expenses associated with the Rotary institute at which the director serves as convener that are not covered by the institute budget, including spouse expenses when accompanied by proper business purpose documentation, shall be reimbursed to the extent of the director's allocation available pursuant to the "Policy for Expenses of General Officers" under section 69.040.1. of the *Rotary Code of Policies*.
11. Expenses of Directors and spouses for attending institutes other than those in which the director serves as convener will be reimbursed where such expenses are in furtherance of the business purposes of RI to the extent of the director's allocation available pursuant to the "Policy for Expenses of General Officers" under section 69.040.1. of the *Rotary Code of Policies*.
12. An advance of US\$1,000 may be made for each institute when requested by a convener, such advance to be refunded on completion of the institute. (*January 2012 Mtg., Bd. Dec. 159*)

I. Reports

1. Each convener shall, within ninety days after the conclusion of an institute, send to the convener of the following institute, and to each governor and past director within that zone(s) a complete financial statement, examined and approved by the convener, the chair, and the treasurer of the institute, detailing all revenues and expenses of the institute. The financial statement shall include any surplus balance received from the prior year's institute and any surplus balance carried forward to the following year's institute. The convener shall also provide written confirmation of compliance to the general secretary within ninety days after the conclusion of an institute. Failure to comply with these requirements, after having been notified by the general secretary, shall result in the convener being ineligible to receive any future RI or Rotary Foundation volunteer appointment or assignment until compliance is confirmed.

2. The general secretary shall provide a status report regarding past due institute financial reports to the Audit Committee on an annual basis. (*April 2018 Mtg., Bd. Dec. 167*)

Rotary adopts the following policy with regard to the translation of non-U.S. Dollar denominated transactions into U.S. Dollars.

1. Rotary International will establish the Rotary Exchange Rates for foreign currency translation
2. The exchange rates will be in compliance with US Generally Accepted Accounting Principles
3. The exchange rates will be sufficiently accurate to provide a clear picture of the operations
4. The general secretary, through delegation to the Chief Financial Officer, will be responsible for maintaining a procedure for the calculation and reporting of the exchange rates

67.010. Auditing Services Charter

The Auditing Services Charter shall be as follows:

A. Policy Statement

It is the policy of Rotary International and The Rotary Foundation to maintain a comprehensive program of internal auditing as an overall control measure and as a service to the senior leadership and management of the organization.

B. Mission and Scope of Work

The mission of Auditing Services is to provide independent, objective assurance services and may provide consulting services to help improve the operations of the Secretariat of Rotary International (hereinafter the “Secretariat”). Auditing Services helps the Secretariat achieve the mission of Rotary International and The Rotary Foundation by bringing a systematic, disciplined approach to evaluate and advise management on improving the effectiveness of control systems, risk management, and/or governance processes.

The scope of work of Auditing Services is to assist in determining whether the Secretariat’s governance, risk management practices, and internal control structure, as designed and represented by management, are adequate and functioning in a manner to reasonably assure that

1. Risks (strategic, financial, operational, compliance and other) are appropriately identified and managed
2. Interaction with the various internal governance and risk management groups occurs as needed
3. Resources are acquired economically, used efficiently, and adequately protected
4. Operations, programs, plans, and objectives are achieved effectively, efficiently, economically, and safely
5. Significant financial, managerial, and operating information is accurate, reliable, and timely
6. The Secretariat and employees’ actions are in compliance with policies, standards, procedures, and applicable laws and regulations
7. Quality and continuous improvement are considered in existing control processes
8. Significant legislative or regulatory issues are recognized and addressed appropriately
9. Opportunities for improving control, accountability, and image are identified

C. Role

Auditing Services is established by the Board of Directors, and its responsibilities are directed by the Audit Committee as part of that committee’s oversight role.

Auditing Services will adhere to The Institute of Internal Auditors' mandatory guidance including the Definition of Internal Auditing, the Code of Ethics, and the International Standards for the Professional Practice of Internal Auditing (“Standards”). This mandatory guidance constitutes

principles of the fundamental requirements for the professional practice of internal auditing and for evaluating the effectiveness of Auditing Services' performance.

The Institute of Internal Auditors' Practice Advisories, Practice Guides, and Position Papers will also be adhered to as applicable to guide operations. In addition, the Auditing Services function will adhere to Rotary International's and The Rotary Foundation's relevant policies and procedures and the function's standard operating procedures manual.

D. Authority

As necessary to accomplish its responsibilities, Auditing Services shall

1. Have access to all records, property, and personnel
2. Have access to the general secretary, the Audit Committee, and the Operations Review Committee
3. Be provided with and allocate adequate resources, determine scopes of work, and apply the techniques required to accomplish audit objectives

All employees are requested to assist the Auditing Services function in fulfilling its roles and responsibilities.

E. Independence and Objectivity

Subject to the authority of the RI Board of Directors, TRF Trustees, and the Audit Committee, the Auditing Services function will remain free from interference by any element in the organization, including matters of audit selection, scope, procedures, frequency, timing, or report content to permit maintenance of a necessary independent and objective mental attitude.

Auditing Services is not authorized to

1. Perform any operational duties for the Secretariat
2. Initiate or approve accounting transactions external to Auditing Services
3. Direct the activities of any Secretariat employee not employed by Auditing Services, except to the extent such employees have been appropriately assigned to auditing teams or to otherwise assist the internal auditors

Internal auditors will exhibit the highest level of professional objectivity in gathering, evaluating, and communicating information about the activity or process being examined. Internal auditors will make a balanced assessment of all the relevant circumstances and not be unduly influenced by their own interests or by others in forming judgments.

The general auditor will confirm to the board, at least annually, the organizational independence of the Auditing Services function.

F. Organization

To provide for the independence of Auditing Services, its personnel report functionally to the RI Board and TRF Trustees through the Audit Committee and administratively to the general secretary.

G. Responsibility

In general, all members of the Secretariat staff are responsible for the Secretariat's internal control structure. Specifically:

1. The general secretary is responsible for the establishment and maintenance of effective risk management practices and a positive control environment by providing leadership, direction and oversight to the senior managers who control and manage the business operations of the Secretariat.
2. Senior and operational managers are responsible for the design, implementation, and maintenance of specific internal control practices and procedures within their areas of supervision. These managers are also responsible for providing to the general auditor, upon request, full and unrestricted access to all activities, records, and personnel.
3. The general auditor is responsible to senior leadership and management for the following:
 - a. Evaluation and assessment of the adequacy, efficiency, and effectiveness of the Secretariat's control systems, risk management, and/or governance processes.
 - b. Contribution to the organization's ongoing effectiveness.
 - c. Reporting of significant issues related to the processes for controlling the activities of the Secretariat, including potential improvements to those processes.
 - d. Information on the status and results of the annual audit plan and the sufficiency of Auditing Services resources.
4. Auditing Services has responsibility to:
 - a. Annually develop a flexible audit plan taking into account any risks or control concerns identified by senior management and leadership, as well as projected benefits and costs of each planned engagement. The general auditor will communicate the impact of resource limitations and significant interim changes to senior management and the Audit Committee.

The plan is reviewed with the general secretary and Audit Committee for necessary revisions and approval by 30 June of each year. The approved plan shall be reviewed with the Operations Review Committee at its next scheduled meeting. Any significant deviation from the approved internal audit plan will be communicated to senior management and the Audit Committee through periodic activity reports.

- b. Implement the approved annual audit plan including any special tasks, projects, or consulting engagements requested and/or approved by the general secretary, the Audit Committee, and/or the Operations Review Committee.
- c. As requested, in consultation with the Audit Committee chair, assist in the investigation of significant suspected fraudulent activities within the Secretariat and notify the general secretary, the Audit Committee, and/or the RI Operations Review Committee of the results.

- d. Consider the scope of work of the external auditors and other third parties, as appropriate, for the purpose of providing optimal audit coverage to the Secretariat.
- e. Receive, evaluate, and respond to requests from the president and the president-elect, the Board of Directors acting collectively, the Audit Committee, the TRF Trustees Chair, the Trustees of The Rotary Foundation acting collectively, the RI Finance Committee, the Operations Review Committee, and the general secretary.
- f. Review the audit charter annually with the general secretary and the Audit Committee for necessary updates and revisions.

H. Reporting and Monitoring

Auditing Services will complete fair, factual, and balanced reports summarizing the activities and observations of each audit and/or project. Individual audit reports shall detail the audit objectives and scope; observations, conditions, and applicable recommendations; and management responses and action plans. Executive summaries of audit reports may be prepared for certain audiences. Special project and consulting engagement reports may deviate from this format depending upon the circumstances.

The general secretary and affected operational management should be given ample opportunity to review the report prior to final distribution. This review should provide an opportunity to correct errors, omissions, misunderstandings, or other inaccuracies and provide suggestions. The general secretary and management have no authority to change any aspect of the audit report. If a difference of opinion exists, the general secretary or management may submit a formal statement with the response in the audit report.

Auditing Services will be responsible for appropriate follow-up on engagement findings and recommendations. All significant findings will remain in an open issues file until cleared with approval of the Audit Committee.

The General Auditor will periodically report to senior management and the Audit Committee on the Auditing Services function's purpose, authority, and responsibility, as well as performance relative to its plan. Reporting will also include significant risk exposures and control issues, including fraud risks, governance issues, and other matters needed or requested by senior management and the Audit Committee.

At a minimum, audit report distribution should comply with the following guidelines:

1. Audit Reports

Final audit reports will include reportable observations, as defined by Auditing Services, and will be distributed to the following:

- a. Audit Committee members
- b. Operations Review Committee members
- c. President and president-elect
- d. General secretary

- e. All general managers and affected operational management
- f. TRF Trustee chair
- g. External audit firm engagement partner and/or manager
- h. Risk Management

2. Executive Summaries

Executive summaries of final audit reports will be distributed to the following:

- a. All other RI Directors

3. Other Observations for Improvement Opportunities

Final audit observations that are not considered reportable, as defined by Auditing Services, will be reported in a separate communication to affected management as determined by the general auditor.

4. Special Project and Consulting Engagement Reports

The general auditor will consult with the general secretary and/or Audit Committee chair to determine distribution of individual reports on special projects and consulting engagements.

I. Standards of Audit Practice

Auditing Services will meet or exceed the International Standards for the Professional Practice of Internal Auditing of the Institute of Internal Auditors.

Auditing Services will maintain a quality assurance and improvement program that covers all aspects of the Auditing Services function. The program will include an evaluation of the Auditing Services function's conformance with the Definition of Internal Auditing and the Standards and an evaluation of whether internal auditors apply the Code of Ethics. The program also assesses the efficiency and effectiveness of the Auditing Services function and identifies opportunities for improvement.

The general auditor will communicate to senior management and the Audit Committee on the Auditing Services function's quality assurance and improvement program, including results of ongoing internal assessments and external assessments conducted at least every five years. 67.020. Guidelines for Appointment and Evaluation of the Independent Auditor

The RI Board of Directors is responsible for appointment and evaluation of the independent auditor. The Audit Committee assists the Board in executing this responsibility by

- defining and communicating performance expectations;
- monitoring and assessing performance;
- making recommendations to the Board regarding services, fees and appointment; and
- overseeing any competitive selection process.

The Audit Committee is to communicate with the Trustee Chairman regarding any appointment or evaluation of the independent auditor.

The Audit Committee will monitor and evaluate the performance of the independent auditor as outlined in the “Annual Performance Assessment” as defined in these guidelines. Each year, the Audit Committee will document and communicate its assessment to the Board and the Trustee Chairman, and make recommendations to the Board as necessary. Recommendations may include conducting a competitive selection based on serious and/or ongoing performance deficiencies. The Audit Committee will solicit and consider input from management.

In general, unless circumstances dictate otherwise, the Audit Committee, on behalf of the Board and Trustees, will formally consider and conduct a comprehensive review for the selection of its independent auditor based on competitive proposals at least once every seven (7) years. The Audit Committee will solicit and consider input from management.

A. Annual Performance Assessment

The general secretary will distribute evaluation criteria and related materials for use in monitoring and evaluating the performance of the independent auditor during the year. This information will be distributed prior to the start of the significant audit services (e.g. typically in January or February) to the following:

- Members of the Audit Committee
- General Secretary
- Other Secretariat Managers as deemed necessary

At the conclusion of the audit services (e.g. October), the general secretary will solicit evaluation feedback from the noted Rotary leaders and managers. The evaluation and feedback will be reported to the Audit Committee at its subsequent meeting (typically, February). Evaluation criteria should remain fairly constant from year to year to allow evaluation of performance trends over time. Examples of potential performance evaluation criteria include, but are not limited to:

- Audit plan expected and actual results
- Quality of audit services
- Timeliness of audit and deliverables
- Audit fees (actual versus agreed)
- Independence
- Understanding of Rotary

- Type, frequency and quality of information and communication
- Availability and transparency

The Audit Committee should discuss with the independent auditor (in closed session if necessary):

- Questions or concerns regarding performance of the independent auditor during the prior fiscal year and/or the overall relationship
- Performance expectations
- The proposed audit plan, scope, and fees for the next annual audit(s)
- Questions or concerns of the independent auditors

The Audit Committee will communicate the results of its deliberations regarding the independent auditor's performance and proposals to the Board through its meeting minutes/report to the Board. The Audit Committee will make specific recommendations, if any, to the Board concerning acceptance of the independent auditor's proposal for the next fiscal year. The Audit Committee may make other recommendations to the Board, including competitive bidding of these services. If competitive bidding is recommended, the Trustee Chairman should be notified.

The Audit Committee's deliberations will include consideration of the annual evaluation survey results. Throughout the year, the Audit Committee should have complete, direct, and open access to the independent auditor. The general secretary will assist and facilitate this access.

Discussion of the independent auditor's performance may be placed on the agenda of any Audit Committee meeting.

If necessary, the independent auditor's performance may be reviewed between regularly scheduled committee meetings. Either the Audit Committee chairman or management may initiate this review. The chairman should determine the best approach to conduct the review. The results of any review should be documented and communicated.

B. Competitive Selection

The Audit Committee will oversee the process of competitive selection of the independent auditor. The Audit Committee will solicit and consider input from management.

The general secretary will coordinate the competitive selection process in consultation with the Audit Committee. The general manager of The Rotary Foundation, or his designee, will be included in correspondence with management, and will be invited to participate in any management group involved in the selection process.

Specific selection procedures will be defined in detail at the time the actual selection process begins. Generally, the process should include the following:

1. Establish selection process procedures and timeline
2. Define service requirements
3. Select evaluation group(s) and communicate responsibilities
4. Establish audit firm evaluation criteria and scoring methodology
5. Research audit firms and develop audit firm selection universe

6. Prepare and distribute request for proposal package
7. Evaluate proposals based on established criteria
8. Select audit firm(s)
9. Request/receive oral presentations from selected audit firms
10. Final evaluation and selection (*June 2010 Mtg., Bd. Dec. 265*)

68.030. Capital Expenditures

Note: The Board regularly reviews and amends, where necessary, the “RI Policy on Financing Capital Expenditures and Projects,” which is as follows:

A. Purpose

The purpose of this policy is to identify those circumstances under which financing capital projects or equipment with debt or through capital leases is appropriate. The policy also establishes limits for the level of permitted indebtedness and capital leases and stipulates the approvals required to incur debt or enter into a capital lease.

B. Scope

This policy applies to the financing of Rotary International's capital expenditures and projects.

C. Policy

1. The incurrence of debt will be considered under the following circumstances:

- a) If spending available cash on capital project(s) will impede the organization's ability to attain or maintain RI's general surplus reserve policy, and
- b) The project being financed is expected to generate incremental income in future years that can be used to offset future debt payments.

2. The entering into a capital lease will be considered under the following circumstances:

- a) The equipment being acquired is of a nature that technological advances will make the equipment obsolete over relatively short periods of time, and
- b) The effective lease rate is less than the expected rate of return on investments over the term of the lease.

3. The amount of permitted debt plus capital leases is subject to the following:

- a) Total debt and capital leases shall not exceed 15% of RI's unrestricted net assets.
- b) Income available for debt service should be equal to or greater than two times the annual debt service (principle and interest) and lease payments. Income available for debt service equals revenues less adjusted operating expenses. Adjusted operating expense equals operating expenses less depreciation, amortization, interest expense, and any extraordinary items.

D. Authority

The Board must approve any incurrence of debt. The general secretary may approve capital leases in amounts not to exceed \$100,000 in any fiscal year. Amounts in excess of \$100,000 in any fiscal year must be approved by the Board. *(January 2013 Mtg., Bd. Dec. 141)*

70.010. Investment Policy Statement – Rotary International General Fund

70.010.1. Purpose of the General Fund

The primary purpose of the General Fund, hereinafter referred to as “the Fund,” is to provide for the long-term financial security of Rotary International (“RI”). The Fund includes RI’s (1) unrestricted cash, plus (2) marketable securities, plus (or minus) (3) any receivable (or payable) from (or to) The Rotary Foundation.

Other objectives for the marketable securities portion of the Fund include (1) meeting RI’s financial goal of maintaining a reserve, (2) providing investment earnings to supplement revenue from other sources so that RI can meet operating expenses if need be and produce a balanced budget, and (3) provide liquidity, if needed, for working capital purposes.

RI’s unrestricted cash is used for working capital purposes and resides in bank accounts throughout the world. RI’s primary source of working capital is held at its main operating bank in the U.S. Specific investment guidelines for unrestricted and restricted cash are found in Rotary Code section 70.010.18. 70.010.2. Delegation of Responsibilities

The Board of Directors of RI (the “Board”) is responsible for setting overall investment policy, including the investment objectives and asset allocation strategy, and for approving any changes to this Investment Policy Statement (“IPS”).

The RI Finance Committee through its representation on The Rotary Foundation’s Investment Committee (“IC”) is responsible for recommending investment policies and for monitoring the performance of investment managers. As enumerated in the Investment Committee Charter, the IC is responsible for recommending investment policies and guidelines for the investment portfolio, ensuring that the portfolio is managed in compliance with the IPS including the decisions by staff to allocate assets to investment managers, funds and strategies, reviewing and monitoring investment results, and acting in a consultative capacity for the RI Finance Committee. The Chair of the RI Finance Committee and a member of the RI Finance Committee appointed at the discretion of the Chair will attend meetings of the IC when investment matters affecting RI are discussed. The RI Finance Committee attendees have voting rights with respect to matters that impact RI’s investment portfolio.

The Office of Investment (“ROI”) is comprised of the Chief Investment Officer and investment staff. The ROI is responsible for implementation of the IPS on behalf of the Board. The ROI is delegated by the Board responsibility to allocate assets to investment managers, funds, and strategies, to implement the Fund’s investment policy and asset allocation strategy.

The ROI may utilize at its discretion the services of an investment consultant to provide research and consultation to the ROI. A non-discretionary investment advisor also has been appointed to implement the direct hedge fund program in accordance with the investment preferences outlined in Rotary Code of Policies section 70.010.17. (*September 2017 Mtg., Bd. Dec. 64*)

70.010.3. Investment Goals and Objectives

This statement of investment goals and objectives expresses the Fund’s position regarding risk tolerance and the asset allocation of the Fund; sets forth an appropriate set of goals and objectives for the Fund’s assets; and defines parameters within which the investment managers may formulate and execute their investment decisions.

The investment objective of the Fund is to generate sufficient earnings to enable RI to balance its annual budget, while mitigating downside risk. Other investment objectives are to preserve the capital allocated to the operating reserve and provide liquidity when operating cash is insufficient to cover operating expenses.

Given that investment earnings are likely to be greater to or less than those budgeted, the RI Board established an Investment Earnings Reserve into which excess earnings are transferred or from which investment earnings shortfalls are funded. (*See Rotary Code of Policies sections 70.020. and 70.050.*)

The performance objective of the Fund is to achieve a rate of return consistent with the expected return of the target allocation found in Rotary Code of Policies section 70.010.15. Over a three- to five-year period, the rate of return earned by the Fund should exceed the annualized total return of the custom index or “Policy Index” on a net-of-fee basis.

The Policy Index is defined by the following indices and allocated based on the target allocation:

<u>Index</u>	<u>Asset Class/Strategy</u>
MSCI ACWI IMI	Global Equities
Dow Jones US Total Stock Market	US Equities
MSCI ACWI IMI ex US	Non-US Equities
MSCI Emerging Markets Small Cap Index	Emerging Market Equities
BC Aggregate	Core Fixed Income
50% BC Global Agg/25% BC HY/25% JPM EMBI+	Non-Core Fixed Income
60% MSCI World/40% BC Global Aggregate	Global Asset Allocation

<u>Index</u>	<u>Asset Class/Strategy</u>
50% BC TIPS; 30% DJ UBS Commodities Index; 20% MSCI ACWI IMI	Real Assets
Credit Suisse Hedge Fund Index	Hedge Funds

For performance evaluation purposes, all rates of return will be examined on a net-of-fee basis.

Normally, results are evaluated over a three- to five-year time horizon. However, shorter-term results will be regularly reviewed and earlier action taken as required. (*September 2016 Mtg., Bd. Dec. 21*)

70.010.4. General Investment Guidelines

Overall Fund structure targets and permissible ranges for eligible asset classes are detailed in Rotary Code of Policies section 70.010.15. Performance objectives for asset classes are included in Rotary Code of Policies section 70.010.16. Rotary Code of Policies section 70.010.17. contains the investment preferences for the Direct Hedge Fund Portfolio. The investment managers should determine that the securities to be purchased are consistent with the guidelines expressed in this Investment Policy Statement and suitable for this Fund.

Full discretion, within the parameters of this IPS, is granted to the investment managers regarding the asset allocation, the selection of securities, and the timing of transactions. All investments will be made in accordance with a pre-approved investment management agreement that outlines the limitation of the investable securities. The investment manager is responsible for making an independent analysis of each security and its appropriateness as an investment for this Fund. (*September 2016 Mtg., Bd. Dec. 21*)

Public Equity

Public equity consists of U.S. equity, non-U.S. equity, global equity, and emerging market equity mandates as further described below.

U.S. Equity Investment Mandates

U.S. equity is defined as equity securities of companies that are listed on U.S. registered exchanges or actively traded in the over-the counter market. American Depositary Receipts (“ADRs”), which are U.S. dollar denominated foreign securities traded on the U.S. stock exchanges (e.g., Reuters, Nestle, Sony) may be held by each U.S. equity manager in proportions which each investment manager shall deem appropriate.

Non- U.S. Equity Investment Mandates

Non-U.S. equity is defined as equity securities of companies listed in their local markets or ADRs and Global Depository Receipts (“GDRs”). The manager may hedge currency exposure through the use of derivative instruments. Emerging markets equity is permitted and should be largely consistent with a pre-approved benchmark.

Emerging Market Equity Mandates

Emerging market equity is defined as equity securities of companies listed in emerging market (as defined by MSCI) countries. The manager may hedge currency exposure through the use of derivative instruments.

Global Equity Investment Mandates

The intent of these strategies is to give managers the flexibility to invest across equity markets, defined above, based on the manager’s view of opportunities. Managers should invest within the context of controlled risk and added return.

Equity holdings consist of equity securities of companies that are listed on registered local exchanges or actively traded in the over-the counter market. The manager may hedge currency exposure through the use of derivative instruments. Emerging markets equity is permitted with a pre-approved benchmark.

Fixed Income

Fixed Income includes core, non-core, and short duration mandates as further described below.

Fixed Income Investment Mandates (interest rates)

Eligible securities are broad fixed income securities publicly traded in respective domestic markets and may include, but are not limited to, U.S. government and agency obligations, mortgage backed securities, corporate bonds, debentures, and commercial paper. This mandate should be largely U.S. fixed income securities, with the minimum quality rating of the overall weighted average quality AA or higher. The duration of the portfolio should be largely consistent with appropriate indices. Unless otherwise agreed to, the duration of the portfolio must be within 20% of the appropriate benchmark.

Compliance with classifications provided by rating agencies (Moody’s, S&P, and Fitch) is not sufficient for an issue to be deemed an appropriate investment. The investment manager is responsible for making an independent analysis of the credit-worthiness of securities and their appropriateness as an investment for this Fund.

Fixed Income Investment Mandates (credit)

Eligible securities are broad fixed income securities publicly traded in respective domestic markets and may include, but are not limited to, U.S. government and agency obligations, global high yield, global credit and emerging market debt. Guidance on overall average quality of the non-core fixed income is B or higher. The duration of the portfolio should be largely consistent with appropriate indices. Unless otherwise agreed to, the duration of the portfolio must be within 20% of the appropriate benchmark.

Compliance with classifications provided by rating agencies (Moody's, S&P, and Fitch) is not sufficient for an issue to be deemed an appropriate investment. The investment manager is responsible for making an independent analysis of the credit-worthiness of securities and their appropriateness as an investment for this Fund.

Real Estate

Real estate is permissible as a long-term inflation hedge and source of current income as well as the potential for capital appreciation. The real estate allocation will be invested in liquid strategies investing in core, stabilized, income-generating assets. (*September 2017 Mtg., Bd. Dec. 64*)

70.010.6. Socially Responsible Investing

Socially Responsible Investing ("SRI") is the practice of making investment decisions on the basis of both financial and perceived social performance of a company. SRI imposes restrictions on the ability of investment managers to own securities of companies operating in certain economic sectors or regions of the world. Proponents of SRI typically state that such restrictions align an organization's investment practices with its mission.

Investment advisors selected to manage assets of RI are expected to practice corporate socially responsible investing ("CSR"). CSR functions as a self-regulatory mechanism whereby a business monitors its activities to ensure compliance with laws, regulations, ethical standards, and national or international norms.

In addition, RI considers the alignment of these firms with Rotary values. Alignment with these values and CSR investment practices are expected to positively affect the lives of the firm's employees, suppliers, customers, and the broader community surrounding the business. 70.010.7. Derivatives Policy

Derivative instruments are permitted only as specified in this Investment Policy Statement. Where appropriate, investment managers may use derivative securities for the following reasons:

1. *Hedging.* To the extent that the portfolio is exposed to clearly defined risks and there are derivative contracts (i.e. futures and options) that can be used to reduce those risks and achieve other portfolio structural objectives, the investment managers are permitted to use such derivatives for hedging purposes.

2. *Creation of Market Exposures.* Investment managers are permitted to use derivatives to replicate the risk/return profile of an asset or asset class provided that the guidelines for the investment manager allow for such exposures to be created with the underlying assets themselves.

3. *Management of Country and Asset Allocation Exposure.* Investment managers charged with tactically changing the exposure of their portfolio to different countries and/or asset classes are permitted to use derivative contracts for these purposes.

Non-U.S. equity, emerging market equity, and global bond managers may enter into forward exchange contracts for currencies provided that the use of such contracts is designed to dampen portfolio volatility rather than lever portfolio risk exposure. Currency contracts may be utilized to either hedge the portfolios currency risk exposure or in the settlement of securities transactions.

Non-U.S. equity, emerging market equity, and global bond managers may employ an active currency management program and deal in futures and options within the discipline of that currency management program. The use of futures and options to establish a leveraged position is prohibited.

By way of amplification, it is noted that the following two uses of derivatives are prohibited for the financial assets unless provided an exemption by the Board:

1. *Leverage.* Derivatives shall not be used to magnify overall portfolio exposure to an asset, asset class, interest rate, or any other financial variable beyond that which would be allowed by a portfolio's investment guidelines if derivatives were not used.

2. *Unrelated Speculation.* Derivatives shall not be used to create exposures to securities, currencies, indices, or any other financial variable unless such exposures would be allowed by a portfolio's investment guidelines if created with non-derivative securities. 70.010.8. Rebalancing Policy

The Fund will be rebalanced when an asset class reaches the minimum or maximum allocation specified above if routine cash flows are available. Routine cash flows, or derivative instruments as governed by the previous guidelines, may be used to maintain the allocation as close as practical to the target allocations. If routine cash flows are insufficient to maintain the allocation within the permissible ranges as of any calendar quarter-end, funds may be transferred as necessary between asset classes to bring the allocation back within the permissible ranges. (*September 2017 Mtg., Bd. Dec. 64*)

Source: June 2010 Mtg., Bd. Dec. 260; Amended by September 2017 Mtg., Bd. Dec. 64

70.010.9. Diversification

The Fund is to be diversified so as to limit the impact of large losses in individual investments of the Fund unless it is reasonably determined that there are special circumstances indicating that the organization is better served not to diversify the investment.

Total assets managed by any single manager should not exceed 15% of total investments for Rotary International and The Rotary Foundation at the time of purchase, and should not exceed 20% of total investments for Rotary International and The Rotary Foundation at any time. 70.010.10. Liquidity Needs

Liquidity needs will first be met from unrestricted cash. Should there be insufficient unrestricted cash, the general secretary shall arrange for cash withdrawals from investments to meet spending needs. The source of funds for these withdrawals will be based on rebalancing and cost considerations. (*June 2010 Mtg., Bd. Dec. 260*)

Responsibility is delegated to the ROI to determine how to vote proxies on behalf of Rotary International. (*September 2017 Mtg., Bd. Dec. 64*)

70.010.12. Securities Lending

For funds managed in a separate account format, the Fund may not participate in securities lending unless approved by the Board, based on recommendations from the ROI. Any authorization for securities lending in separate accounts must be reported as an information item at the next Board meeting. Commingled funds and mutual funds are exempt from this restriction. (*September 2017 Mtg., Bd. Dec. 64*)

70.010.13. Commingled Funds or Institutional Mutual Funds

In recognition of the benefits of commingled funds as investment vehicles (i.e., the ability to diversify more extensively than in a small, direct investment account and the lower costs which can be associated with these funds) these funds may, from time to time, be utilized. The Board recognizes that specific policy directives cannot be given to a fund whose policies are established and governed by a prospectus or offering document. (*September 2017 Mtg., Bd. Dec. 64*)

70.010.14. Control Procedures

Standards of Conduct for Investment Managers and Advisors

The expected standards of conduct for investment managers and advisors are derived from the CFA Institute Code of Ethics and Standards of Professional Conduct.

Conflict of Interests on Investments and Restrictions on Investments

It is the policy of the RI Board that general officers and RI committee members shall act in a manner consistent with their responsibilities to Rotary International and avoid circumstances in which their financial or other ties to outside persons or entities could

present an actual, potential, or the appearance of a conflict of interest or impair the reputation of Rotary International.

RI Finance Committee members representing RI on the Investment Committee are required to abide by RI Code of Policies Section 28.090. Conflict of Interest Policy, which is incorporated into this Investment Policy Statement by reference.

Review of Investment Objectives

The achievement of investment objectives will be reviewed on an annual basis. This review will focus on the continued feasibility of achieving the objectives and the continued appropriateness of the Investment Policy Statement. It is not expected that the Investment Policy Statement will change frequently; in particular, short-term changes in the financial markets should generally not require an adjustment in the Investment Policy Statement.

Review of Investment Managers

With a perspective toward three-year and five-year time horizons, the managers will be evaluated on the following factors and criteria to determine if a manager has

1. Performed satisfactorily when compared with the specific objectives for its portfolio
2. Produced results that compare favorably to other investment management organizations managing similar portfolios
3. Exceeded the returns of appropriate market indices
4. Made portfolio management decisions that were reasonable and effective in view of capital market developments
5. Adhered to the relevant policies and objectives

Among the events that will be examined closely in its review of investment managers are

1. Poor results relative to objectives over a fairly short period of time (e.g., one year)
2. Poor absolute performance over a three- to five-year period
3. The departure of one or more key investment professionals
4. Violation of an investment guideline
5. Material changes in the manager's organization, such as philosophical and personnel changes, acquisitions or losses of major accounts, a change in ownership or control of the investment management organization, etc.

Review of Investment Consultant

A formal written evaluation of Rotary's investment consultant will be conducted every five years, unless circumstances dictate the need for a more frequent evaluation. This evaluation will be conducted in accordance with Rotary's Policy for Investment Consultant Evaluation. (See *Rotary Code of Policies* section 70.010.19.)

Reporting Requirements

Within six weeks after the end of each calendar quarter, the general secretary and/or the Fund's investment consultant will prepare a report containing information on the investment performance of the Fund in total and for each manager.

Each active investment manager will be required to submit a quarterly report within six weeks after the end of each calendar quarter containing the following information:

1. Review of investment performance (net of fees) for the quarter, fiscal year-to-date (June 30) and since-inception of the account with comments on any policy or strategy changes, which contributed either positively or negatively to that performance
2. The usage of securities lending, if any
3. Where appropriate, the use of any derivative product during the quarter, including information concerning the rationale behind the position and the size of the transaction
4. Comments on any material change in personnel, investment strategy or other pertinent information potentially affecting performance
5. List of the securities in the portfolio at the end of the quarter

On an annual basis, the investment manager will provide Part II of the Form ADV for the most recent year. *(September 2017 Mtg., Bd. Dec. 64)*

70.010.15. Strategic Asset Allocation

Over the long-term, the asset allocation policy will be the key determinant of the returns generated by the Fund and the associated volatility of returns. Based on the Fund’s objectives, circumstances, and spending policy, the Board has developed the following asset mix guidelines:

	General Fund Percent of Total Fund		
	Minimum	Target	Maximum
Cash	0%	0%	5%
US Equity	5%	7.5%	10%
International Equity	10%	12.5%	15%
Fixed Income (interest rates)	32%	35%	38%
Fixed Income (credit)	31%	35%	39%
Real Estate	8%	10%	12%
Total		100%

70.010.17. Investment Preferences for Direct Hedge Fund Portfolio

Goals and Objectives

The goals of the hedge fund assets are

1. Diversify risk exposures in the overall General Fund portfolio
2. Dampen the volatility of the overall General Fund portfolio
3. Achieve attractive long-term risk-adjusted return in a variety of capital market conditions

Delegation of Responsibilities

The investment consultant has discretion to select the allocation exposure, set strategic targets and hire and terminate investment managers within the preferences defined herein. The investment consultant will communicate to the Investment Committee and general secretary its decisions as soon as practicable.

Investment Guidelines

1. The hedge fund allocation shall be invested in a broad range of direct investment strategies including, but not limited to equity-linked, credit-linked, event driven, multi-strategy and macro strategies among others. Investments will be made via commingled vehicles. The investment consultant will only invest in direct strategies that are consistent with the intent of these preferences.
2. The allocation to each strategy will be reviewed at least annually with the Investment Committee, with periodic changes being implemented by the investment consultant. Any changes or modifications made to the allocation, exposure, target or ranges shall be communicated with the general secretary and the Investment Committee as soon as practicable.

3. All strategies shall be reviewed within the portfolio context. This is meant to ensure that redundancy and overlap of exposures are limited.
4. No aggregate investment with any direct hedge fund manager can represent more than 5% of the General Fund. Additionally, manager exposure shall be limited to no more than 25% of the total hedge fund allocation.
5. Certain strategies may have an initial lock-up on investments of one to three years. In building and maintaining the allocation, the investment consultant shall strive to limit lock-ups where possible.
6. All investments must have a mechanism for liquidity/exit. Minimum acceptable standards may include quarterly distributions or fees for early redemptions. In certain cases, this liquidity may be available once a lock-up period has ended. (*September 2016 Mtg., Bd. Dec. 21*)

70.010.18. Rotary International General Fund Investment Guidelines For Cash

Scope

These investment guidelines extend the Statements of Investment Policy for the Rotary International General Fund (the Fund) and apply specifically to Rotary International's unrestricted and restricted cash.

Distinction of Responsibilities

Treasury and Investment Services will oversee the investments in accordance with these guidelines.

Maturities

1. As the assets in this fund represent the temporary investment of operating funds of Rotary International, a substantial portion of the portfolio will consist of overnight and other very short-term investments.
2. A maximum of 25% of the portfolio may be invested in securities or instruments which have a maturity date exceeding 181 days from the date of purchase.
3. A minimum of 5% of the portfolio should be available each business day. This may be satisfied by maturities or demand features.
4. The weighted average maturity of the portfolio will be limited to 90 days.
5. Floating rate instruments and variable rate instruments must have interest rate resets or potential reset frequencies of 90 days or less, and an expected final maturity or weighted average life not exceeding 18 months from the date of purchase.

6. The maturity of a security or instrument shall mean the date when final payment is due. Instruments, which have a variable/floating rate of interest, shall be deemed to have a maturity equal to the period remaining until the next readjustment of the interest rate or the period until the principal amount can be recovered through demand.

Diversification Requirements

1. Safety of principal, liquidity and marketability should be prime considerations in the selection of individual securities.
2. The total holdings of any one issue may not exceed 10% of the market value of the portfolio, with the following exceptions:
 - a) Sovereign debt issues of AAA/Aaa rated countries and agencies thereof;
 - b) Diversified money market funds;
 - c) Savings accounts at Rotary International's operating banks;
 - d) Fixed term deposits at Rotary International's operating banks.
3. With the exception of sovereign debt issues of AAA/Aaa rated countries and agencies thereof, total holdings of any one industry may not exceed 25% of the market value of the portfolio.
4. All diversification requirements apply at the time of purchase.

Investment Criteria

1. Sovereign debt issues of AAA/Aaa rated countries or agencies thereof.
2. Savings accounts, bankers' acceptances, fixed term deposits offered by the bank where the funds are on deposit.
3. With respect to commercial paper and other short-term obligations, investments and reinvestments shall be limited to obligations rated (or issued by an issuer that has been rated) at the time of purchase in a "Tier One" ratings category by the nationally recognized statistical rating organizations ("NRSROs") followed by the credit committee of the bank where the funds are on deposit.
4. With respect to bonds and other long-term obligations, investment and reinvestment shall be limited to obligations rated at the time of purchase in one of the three highest ratings by the NRSROs followed by the credit committee of the bank where the funds are on deposit.
5. Repurchase agreements 100% collateralized with direct sovereign debt securities of AAA/Aaa rated countries.
6. Money market funds adhering to the quality guideline described above.

Note that if a security held in the fund is downgraded to a quality not permitted herein after purchase, the fund may continue to hold the security if Treasury and Investment Services reasonably believes that the security will mature at par value. (*October 2013 Mtg., Bd. Dec. 30*)

70.010.19. Policy for Investment Consultant Evaluation

A formal written evaluation of Rotary's investment consultant will be conducted every five years, unless circumstances dictate the need for a more frequent evaluation. Such circumstances include (but are not limited to) arising conflicts of interest, consultant staffing instability or failure to meet Rotary's changing needs. The consultant will be evaluated based on the

1. Value added through the consultant's recommendations on

Asset allocation. Specifically, to what extent did the consultant's recommendations on asset allocation strategies maximize investment return while minimizing risk. This criterion will be evaluated by comparing the benchmark returns and standard deviations of those returns of each fund (Annual Fund, Endowment Fund, PolioPlus Fund, Rotary Foundation (Canada), General Fund, Retirement Fund) at the inception of the relationship to the benchmark returns and standard deviations of those returns of each fund as recommended by the consultant.

Investment managers. Specifically, to what extent did each fund outperform their stated benchmarks over a full market cycle.

Investment policy and manager guidelines. Specifically, to what extent did the policies and guidelines recommended by the consultant stipulate appropriate levels of authority, controls, and reporting, such that the Trustees and Directors were able to fulfill their fiduciary duties with respect to the funds.

Investment manager terminations. Specifically, to what extent did the investment consultant evaluate current investment managers in a timely manner and recommend termination as needed.

2. Quality and accuracy of quarterly investment reports, including performance measurement.
3. Ability to provide specialized studies and reports on specific investment matters.
4. Stability, depth and competency of the firm as well as the individuals staff interacts with on a daily basis.
5. Ability to work and communicate with staff and various committees, as well as responsiveness of the investment consultant.
6. Minimal, if any, conflicts of interest.
7. Experience in working with organizations similar to Rotary.
8. Peer ratings as published in industry periodicals, or otherwise provided by research organizations.
9. Fee structure.
10. Initiative in bringing forward new ideas and keeping Rotary informed of trends in endowment and foundation investment management.

Proposals from other investment consulting firms will be solicited once every ten years to ensure services provided by consultant are competitive in scope and price. The firm retained as Rotary's investment consultant will be granted a five-year contract. (*October 2014 Mtg., Bd. Dec. 98*)

70.020. General Surplus Reserve Policy

Rotary International's general surplus reserve policy is to maintain a reserve at an amount equal to Board-designated funds, plus 85% of the highest level of annual expenses during the most recent three-year period excluding expenditures funded from the general surplus fund and the self-financing expenditures on the annual convention and the Council on Legislation. Board-designated funds are defined as the sum of the convention expense reserve (see section 57.100.3), plus the investment earnings reserve (see section 70.050.), plus any other reserves so designated by the Board. These funds shall be so designated in Rotary International's financial statements. (*June 2013 Mtg., Bd. Dec. 196*)

70.030. Foreign Currency Management Policy

Rotary adopts a foreign currency management policy to maximize the effectiveness of global cash management practices by reducing the impact of volatility in foreign exchange rates on Rotary's operating cash flows and to protect the forecasted value of anticipated currency exposures while minimizing the cost associated with implementing currency hedges. Rotary will not hedge for speculative purposes.

The general secretary, through delegation to the chief financial officer, will establish internal foreign currency management procedures in accordance with this policy. The Finance Committee will be responsible for reviewing the procedures from time to time as deemed necessary. (*June 2017 Mtg., Bd. Dec. 196*)

70.050. Budgeted Investment Earnings and Investment Earnings Reserve

The investment rate of return assumption used for the budget and five-year financial forecast will be determined annually based on the status of the investment earnings reserve and current financial market conditions. The RI Board has established an investment earnings reserve. If in any year investment earnings are less than budgeted investment earnings, any shortfall will be funded from the investment earnings reserve fund as a transfer of Board-designated funds. If in any year investment earnings are greater than the budgeted investment earnings, that excess will be transferred to the investment earnings reserve fund, subject to a maximum reserve of US\$12 million. Any transfer from the investment earnings reserve is to provide for any shortfall in investment earnings and is not for the use of additional general operating expenses. (*June 2009 Mtg., Bd. 72.010.1. Risk Management Guidelines for Rotary Institutes

1. Before entering into any contracts or other formal agreements to secure meeting accommodations and services, the convener should have legal or insurance counsel review any sections referring to indemnification and liability for injury or damage to the persons and property of others.

2. Any requests from a venue or service provider to provide indemnity from RI for our acts should be carefully reviewed. One concern is RI's responsibility for physical damage to buildings at the venue due to negligence on the part of RI or an institute participant. RI's liability could potentially result in a multi-million dollar expense if not addressed. If possible, RI's responsibility for such damage should be limited in the contract to an amount not greater than \$5 million and the venue's insurer should agree to provide a waiver of their subrogation rights. This is not unreasonable given that RI is paying a fee for use of the venue and this fee indirectly funds the cost of their insurance.

3. Service providers should be required to provide evidence of the insurance coverage they maintain and, ideally, this requirement should be specified in any contracts with them. This practice is commonplace in the USA and is becoming more widely used outside the USA in recent years.

4. Another potential source of catastrophic risk exposure is the area of transportation. Whenever possible, institute organizers should have participants purchase transportation services directly from the providers. If this is not possible for a particular institute, ensure that there are formal contracts in place for all transportation service providers that include an indemnity provision and insurance requirements. In addition, insurance certificates should be requested and carefully reviewed.

5. Institute organizers should carefully review any required rules or operating procedures that are required by venue management. These rules will often provide information on laws in the country which may be pertinent to institute participants or may be a great resource for "best practices" in that particular facility for safety and risk management. It is in the best interests of Rotary for institute organizers to understand the venue's rules and ensure that our organization does not introduce hazards in the course of our event. It should also be noted that venues may be able to assess fines or other penalties to organizations violating their requirements.

6. In the event that the institute plans to pay the expenses of institute speakers or other participants residing outside the host country, the issue of travel medical and accident insurance should be addressed. Many standard medical insurance plans do not fully respond to costs incurred outside one's home country, and it is rare for any plan to include medical evacuation and repatriation benefits. Evacuations can involve the need for medical while in transit and private aircraft or other specialized equipment, which may cost tens of thousands of dollars. *(June 2002 Mtg., Bd. Dec. 273)*

72.010.2. Risk Management for Travel Operations

Whenever general officers, incoming general officers and senior staff personnel of RI travel as a group, by air or ground transportation, they shall travel in more than one group, each group to be transported separately. The president and general secretary are authorized to approve exceptions to this policy as appropriate after consideration of the risks involved to the organization. *(June 1998 Mtg., Bd. Dec. 348)*

72.050.2. Mandatory Participation in Liability Insurance Program for Clubs in the U.S.

- 1) RI will maintain a policy of general liability and directors and officers/employment practices liability insurance, with limits deemed appropriate by the general secretary, protecting RI and clubs and districts located in the U.S. and its territories and possessions. Each club in these regions must participate in the program.

- 2) The general secretary shall have authority to negotiate participation in the program on either a primary or an excess basis with clubs that have unique insurance risks, including but not limited to clubs that possess all of the following risks:
 - Permanent, full-time employees;
 - Ownership of real property with substantial acreage;
 - Services provided to persons with physical and mental disabilities on this real property.
- 3) Each club covered by this policy will be billed annually an amount sufficient to pay for the insurance coverage and related administrative expenses. The amount billed each club will be based on membership statistics stated in the semiannual club invoices. The general secretary may vary the amount billed to clubs in different areas within these regions based on independent actuarial studies.
- 4) The general secretary will develop appropriate policies and procedures for implementing and administering the policy, including mechanisms for communicating with clubs and districts regarding their participation. (*January 2015 Mtg., Bd. Dec. 117*)
