

## **John and Ditas Hall Scholarship**

John and Ditas Hall together spell Rotary. John Hall, before his death, was a member of the RC of Austin. Ditas was the first woman president of the RC of Northwest Austin. Both are listed as Major Donors to the Rotary Foundation.

The RC of Northwest Austin provides scholarships to more than fifteen worthy high school seniors each year. A few years ago, the club started a program of endowing permanent scholarships in honor of outstanding members of the club who exemplify the ideals of Rotary in their everyday actions. The first of these endowed scholarships provides an additional \$1,000 to the student who was chosen by an essay contest from among all of the scholarship recipients, was to honor a Rotarian couple for their demonstration of service above self.

Today, the Rotary Club of Northwest Austin, in commemoration of the 30th Annual Bi-District Reunion, is pleased to announce the establishment of the John and Ditas Hall Endowed Scholarship for International Peace and Understanding. Please join me in honoring Ditas for her and John's work in support of Rotary International.
