AT OUR LAST MEETING

Annual Scholarship Awards

At last Friday's meeting, we awarded 16 scholarships of \$1,500 each to seniors in the Round Rock School District. Sarah Carriker of our Vocational Committee introduced the scholars and their parents. Each student told us about his or her post high school plans.

In addition, three students were chosen to receive an additional \$1,000 scholarship from endowment funds established for this effort. They are based upon the judging of an essay on the 4-Way Test they were each required to write as a condition of receiving the NWAR scholarship.

Speaker Book Program Coordinator Needed

Dear club members - we need a new volunteer for the Speaker Book program. After approx 8 years, Rick Hoffman is stepping aside so we need someone to takeover the administration of the program. If you are interested in taking over this minimal time position please let Jesus Chavez or Rick know. Rick will meet with you and advise you on the what and how of the program.

Rotary.org wins Webby People's Voice Award

With a majority of online votes, Rotary.org took the prestigious Webby People's Voice Award in the category of association websites. The Webby Awards are the leading international honor for excellence on the internet. Rotary.org was one of five websites nominated in its category. This year, 3 million votes were cast online in the People's Voice portion of the awards. The redesigned Rotary.org is part of a number of enhancements made possible by the dues increase approved by the 2016 Council on Resolution.

Rotary alum turns trash into treasure

Binish Desai, a 2009-10 Rotary Youth Exchange Student hosted by the Rotary Club of Waukegan, Illinois, USA, founded his own company to create building materials such as bricks from Industrial Waste. The company has converted 600 plus tons of waste into more than 40 products. Desai has been named by Forbes Asia as one of their 30 Under 30 social entrepreneurs.

Thoughts & Prayers

From Lee Easter: Oliver Smith was put on the prayer list by one of his neighbors who attends our church, Northwest Hills UMC. Oliver has stage 4 liver cancer. Oliver had surgery this past Monday at MD Anderson in Houston to remove two operable cancerous tumors that are in other parts of his body. Please remember Oliver and Elizabeth in your prayers as they are going through a very challenging time.

Celebration and Launch of a New Rotary Year

Your Presence is requested!

Wow! We just celebrated the current Rotary year under the leadership of DG Gene from the Northwest Austin Rotary club. A new Rotary year begins in less than 60 days.

Please join me and your own District Governor-Elect Jim Henry for the installation of district and club officers. Let's celebrate together on June 9th at the fabulous Oasis Restaurant on Lake Travis. There is no better way to start a new year than fun and fellowship with other Rotarians.

PDG Rich Kaye will officiate over the installation of district and ANY club officers that wish to be installed. Your club will have a club installation dinner. That's great, but please join us for this district wide celebration and social as well.

Your attendance and support means a great deal to me, Jim Henry and the other district/club volunteers who offer their time, talents, and treasure to serve.

June 9th is only four weeks off, so please register now so we can plan. Please contact Cedar Park-Leander Rotary Club President Mary Hey if your club wants to reserve a table. Mary is serving as the event coordinator. Mary's email is heyjensen@mac.com. Registration is open on the district website.

In Rotary Service, Jerry Chapman, District Governor, 2018-19
