Rotary Youth Programs

Rotary believes in developing the next generation of leaders. Our programs help younger leaders build leadership skills, expand education and learn the value of service.

Rotaract - Rotaract clubs bring together people ages 18-30 to exchange ideas with leaders in the community, develop leadership and professional skills, and have fun through service.

Interact - Interact clubs bring together young people ages 12-18 to develop leadership skills and learn about the world through service projects and activities.

Rotary Youth Leadership Awards - RYLA is a leadership development program for young people who want to learn new skills, build their confidence, and have fun. Events range from one-day seminars to weeklong camps.

Rotary Youth Exchange RYE builds peace one young person at a time. Students learn a new language, discover another culture, and truly become global citizens. Exchanges for students ages 15-19 are sponsored by clubs in more than 100 countries.

New Generations Service Exchange - New Generations Service Exchange is a short-term, customizable program for university students and professionals up to age 30. Participants can design exchanges that combine their professional goals with a humanitarian project.

Scholarships - Rotary club scholarships are given by individual clubs and are open to anyone except Rotary members and their families. The Rotary Foundation offers scholarships for college graduates and professionals to study peace and conflict resolution. Rotary peace fellowships are available to candidates who want to participate in a master's degree or certificate program at one of our six partner universities.
