Byron Van Arsdale – "Five Disruptive Ways to Get Things Done"

Byron Van Arsdale has been a Master Certified Coach since 1999 and has owned his own business since 1980. When giving talks he expects Rotarians to have fun, ask questions and identify one action step they can apply the first day. At last week's meeting, he led an interactive discussion where we learned simple strategies to grow our businesses and professions by getting more done in less time. The title of his lively presentation was "The To Do List Diet". For more information about Byron, go to: http://www.realestatecoach.com/about_us.html

Annual Bluebonnet MHMR Christmas Party Details

We will celebrate the Bluebonnet Christmas party on Dec. 5. Be sure to draw a name and purchase a gift on their wish list. Most of the items can be found at Walmart and you shouldn't have to spend more than \$25. E-mail Nancy if you didn't get to draw a name at niehmann@icloud.com. Don't forget to wrap, label and bring your Bluebonnet Christmas gift to our Dec. 5th meeting. You can put that it is from Santa on the tag. Thanks for making this event special!

Jollyville Elementary Science Fair Judges Needed

Hello! My name is Pam Fletcher and I am a parent of two little scientists at Jollyville Elementary. I have volunteered to help find some great judges for this year's Science Fair.

Our 2014-2015 Science Fair is Thursday, January 29th, 2015. We will have three different blocks of time for which we need multiple judges, and you are welcome to volunteer for more than one block if you have the time to share:

8:00-10:00

10:00-12:00

12:00-2:00

The first 15 minutes of the time block will be used for your training on how to be a fabulous judge. For additional information, you can check out these websites:

*** ORDERS ARE DUE BY FRIDAY, NOVEMBER 28th! ***

IT'S FRUIT WAREHOUSE WORK TIME!

We will be receiving fruit on THURSDAY, DECEMBER 4, as I trust we all know! The unloading of the trucks starts early and we will need help throughout the day in transporting the unloaded fruit to storage in the warehouse, preparing the mixed fruit boxes and helping customers/rotary members in filling orders loading their cars and trucks. We will have a fork lift for unloading the trucks and we will have pallet jacks for pallet handling delivered on Wednesday.

If you can work on any of the following days and times, please let me know. We will also have to inventory the incoming and outgoing fruit so there are some jobs not involving lifting the boxes. It would help me schedule folks and fill in holes if you can let me know which day and time you can work. Usually, someone brings refreshments so the duty is pleasant and the company is excellent!

THURSDAY DEC 5 - Early AM: Unloading and warehouse work staging the boxes for mixing etc. PM: Mixing Fruit, Warehouse Work and Filling Orders

FRIDAY DEC 6 & SATURDAY DEC 7- AM or PM: Warehouse Work and Filling Orders

THANKS!.....David Lott
