Letter From Recent Speaker

What a wonderful group! I thoroughly enjoyed visiting with everyone and look forward to working with some of your members to create special experiences for our Campers and Apprentices.

In Moolah U Camp, the young business partners create a prototype of their chosen product and pitch their business plan to a panel of business Mentors. This is where you come in. In each session of the week-long camp, Barracudas spend an hour with the young people, learning about their business plan and providing feedback.

Currently, with 2 camps per week this summer, we have plenty of openings for business leaders in our “Barracuda Tank”. This happens each week at camp on Tuesday afternoon from 1:30 to 2:30. It's fun and easy and makes a huge difference to the Campers!

We invite anyone who is interested to visit www.moolahu.com to learn more.

Thank you for sharing this with your members and for the wonderful opportunity to speak at your meeting. In gratitude,
Gayle Reaume, CEO MoolahU.com

Today is the first of what I hope are weekly committee reports. Each week, Club VPs will be invited to share anything of interest with the club on a rotating basis. Up today is Club Service...

Rotary Releases \$40.3M for Polio Immunization Activities

Rotary is releasing \$40.3 million in grants to support polio immunization activities in 10 countries, including Afghanistan, Nigeria, and Pakistan, the three countries where the disease has never been stopped. The funds come at a critical time and will build on gains Rotary and its partners have been making in the fight to eradicate polio. Nigeria, the last polio-endemic country in Africa, is approaching one year without a case of polio.
