Mentoring at Jollyville

Rotarians, for a number of years we have provided Mentors from our Club to the RRISD Mentoring Program at Jollyville Elementary School, K-5. The Mentoring of young minds by Rotarians is one of the most blessed things we can do for our Communities.

Our own Steve Welch has benefited from this experience as did our Thea Lent a Rotarian who passed on recently but who was a mentor at Jollyville as well. Should you be interested in continuing this tradition you can contact Kristin Wike (rhymes with white) at 1- 512-428-3808 or at kristen_wike@roundrockisd.org

Additionally you can click on the STARS Mentor Program link below for information regarding training and application. I believe you will find this experience to be rewarding and satisfying. We give back to our society through Programs like this.

Service Above Self.
Tom Perkins

Matching Points for TRF Still Available

We have 10,000 points available to match donations to the Rotary Foundation. This is for donations to the program fund but not to the permanent fund nor to PolioPlus. This will help you earn the next Paul Harris Fellowship with half as much money. See Ken Dickensheets for details.

A New Way to Order Fruit

The fruit sale has a website: rotaryfruit.org
The website has member downloads, volunteer opportunities, as well as a place for people to donate directly to our club's Special Projects Fund. Club members should soon be hearing from their captains; if you haven't, please see Sarah Carriker or Dave Roon.

JOIN THE CELEBRATION IN SÃO PAULO

Our annual convention is the perfect way to experience Rotary's global impact and strengthen your commitment to service. RI President Gary C.K. Huang invites you to join him at the 2015 Rotary International Convention. Read the president's welcome.

The São Paulo convention is the perfect venue to experience Rotary's global impact and strengthen your commitment to creating positive change. Need more reasons to attend? You will:

- Discover new ideas for service and find project partners at the booths in the House of Friendship.
- Hear from some of the world's leading experts on topics such as water, polio, and social media.
- Develop leadership skills and connect with others who share your hobbies, your profession, or your humanitarian interests. Attend a special breakout session for incoming club presidents and the President-elect's Leadership Luncheon, where you can exchange ideas with fellow leaders.
- Enjoy the host events, designed to show you the best of São Paulo. Begin planning your Brazil vacation now with our city guides, maps, and itineraries.
- Learn about the 2016 convention in Seoul, Korea, and be able to register on-site.
- Did your club sponsor a Youth Exchange student, scholar, or Group Study Exchange in Brazil? Take this opportunity to reconnect.

Like the city itself, the São Paulo convention brings together people from around the world who are eager to celebrate and share their diverse backgrounds. Plan now to attend. Register by 15 December and save!
