The New Generation of Rotary is the Next Generation of World Leaders

Did you know that more than half of the world's population is under the age of 30? Millennials are the next generation of world leaders. They're confident, innovative, and connected by technology. Through Rotary, these young leaders connect within their communities face-to-face and develop the skills to become responsible global leaders.

ROTARACT, INTERACT, AND RYLA

Leadership is an essential aspect of Rotary—and we offer both clubs and programs to help emerging leaders develop their skills. Through these groups, participants strengthen their leadership skills, serve their communities, increase their world understanding, build friendships, and more.

ROTARACT

Rotaract brings together people ages 18-30 in universities and communities worldwide to organize service activities, develop leadership and professional skills, and have fun. Rotary clubs sponsor them, but Rotaract members manage and fund their clubs independently. Rotaract members work closely with their local Rotary club, and may join after their Rotaract membership ends.

HOW CAN I PARTICIPATE IN ROTARACT?

Follow Rotaract on Facebook, Twitter, Slideshare, and Storify to see what Rotaract clubs are doing around the world.

To find a Rotaract club in your area, see New Generations VP Mike Jagers.

INTERACT

Interact is a club for youth ages 12-18 who want to connect with others in their community or school. Interact club members have fun while carrying out service projects and learning about the world. Interact clubs organize at least two service projects a year: one that benefits their community and one that encourages international understanding. While Interact clubs receive guidance from individual Rotary clubs, they govern and support themselves.

HOW CAN I PARTICIPATE IN INTERACT?

Follow Interact on Facebook and visit Interact's YouTube channel to see what Interact clubs are doing around the world.

To find out more about Interact or to work with an Interact club, see Mike Moser or New Generations VP Mike Jagers.

RYLA

Rotary Youth Leadership Awards (RYLA) is a leadership development program run by Rotary. While participants can be any age, most events focus on secondary school students, university students, or young professionals. RYLA events are typically 3–10 days long and include presentations, activities, and workshops that cover a variety of topics, including:

- Leadership fundamentals and ethics
- Communication skills
- Problem solving and conflict management
- Community and global citizenship

HOW CAN I PARTICIPATE IN RYLA?

Follow RYLA on Facebook to learn about inspirational events happening around the globe.

RYLA participants are nominated by their local Rotary clubs. To learn more about a RYLA event in your area, see Virginia Hart, Pat O'Farrell or New Generations VP Mike Jagers.

Use District Funds to Support Youth Service

Did you know that district grants can now support Rotary's programs for young leaders? A recent decision by The Rotary Foundation Trustees expands eligibility for district grants to include Rotaract, RYLA, Interact, Rotary Youth Exchange, and other activities. What will that mean in your district? Grants for youth-led service? Funding for Rotary Youth Exchange or New Generations Service Exchanges? Travel stipends or scholarships to allow more young people to participate in RYLA, attend regional Rotaract conferences, or advance their leadership skills? Read more about this important change and contact your district leaders to get started:

If you have questions, email the Rotary Support Center at contact.center@rotary.org. Thank you for all that you do to support The Rotary Foundation!
