

Burleson Area Mid-Day (BAM) Rotary Club Scholarship Selection Committee

Graduating Seniors, Parent Guardians of Seniors, and Graduate Students,

Graduation is such an exciting time in your life. Those who plan to continue their academic career at a college or university are no doubt well aware of the cost of attending these institutions. The Burleson Area Mid-Day Rotary Club has historically tried to assist students in defraying these costs by awarding scholarships.

In 2021, the Burleson Area Mid-Day Rotary Club will accept applications for one (1) \$5,000 scholarship for students working toward their Bachelor or Graduate Degree. In addition, we will be renewing returning students' scholarships that have met the conditions spelled out in the Responsibilities & Conditions section of this document (see below).

Any student located in the Burleson or surrounding service area will be eligible. Though grade point average will be considered in selecting the recipients of the academic awards, it will not be the sole criterion. You are encouraged to apply for the academic scholarship even if your grade average is not the highest in your class.

We wish we could give every graduating senior, student or professional seeking to continue their education one of these scholarships. Obviously, we cannot. Thus, we have chosen to award the scholarships to individuals who demonstrate financial need, academic proficiency, and commitment to community service. However, all of our scholarships are competitive scholarships. You must apply to be considered. If you wish to apply for one of the Academic Scholarship(s), please follow the directions provided below:

Qualifications

All graduating seniors who attend Burleson High School or Centennial High School or another accredited school program that is located in the surrounding area of Burleson desiring to pursue a bachelors program will be qualified. For the graduate scholarship, a student or professional who lives in Johnson County desiring to attend, or currently working on a graduate program will be qualified.

Application

Complete the application form (see page 4). Also, write an essay on the "Significance of the Four-Way Rotary Test". Please see the instructions for the essay below (page 3). **Please note that the deadline for your application to be turned in is Friday, March 26, 2021.**

Selection and Notification

Applicants chosen to be considered for selection will be contacted for an interview. The interview will be held before the Rotary Scholarship Selection committee, which is comprised of several members of the Burleson Area Mid-Day Rotary Club. **These interviews will be conducted the week of April 6th 2021.** If selected, you will receive an email to notify you the specifics of the interview. Please make every effort to attend the appointed interview, as alternate dates may not be available. If you miss the interview, your application will be evaluated without an interview. Notification of the scholarship award will be provided the week of April 12th, 2021. The Scholarship Award will be presented at the following Rotary meeting on May 18th, 2021. The selected students will be notified of any changes to this schedule.

Responsibilities and Conditions

1. The students who are awarded a BAM Scholarship Award are asked to attend one meeting immediately following selection. The students will be asked to speak before the assembled Rotary membership for 5 to 6 minutes each regarding their academic plans and what the scholarship means to them.
2. The scholarship recipients are required to submit their transcript to the Burleson Area Midday Rotary Club to lynn.bates@edwardjones.com every year. Scholarship renewal will not be granted until student's transcripts have been received.
3. It is requested that the scholarship recipient occasionally be available at spring breaks, holiday breaks, and/or summer breaks for a brief update at a regular meeting of the Burleson Area Mid-Day Rotary Club. This is not a mandatory requirement, and it clearly depends upon availability of the student.
4. The Burleson Rotary Academic Scholarship is awarded on an annual basis. The student must maintain a 3.0 grade point average to continue the scholarship into the successive year. Students having received the BAM Scholarship will have priority status over new applicants for the following year(s). Students placed upon academic probation must provide a detailed written explanation of the academic probation status and clearly indicate any mitigating circumstances that would justify continuation of the scholarship award. Failure to do so will result in the immediate termination of the scholarship award.
5. The award recipient must remain in good standing with the academic institution and local, state, and federal authorities. Any official censure, suspension, arrest or conviction by any of the before mentioned authorities may cause the scholarship award to be terminated immediately.

The Burleson Area Mid-Day Rotary Club extends our best wishes for your future. It is our desire that anyone wanting to pursue an education has that opportunity. We are pleased that we have this opportunity to help in this small way.

Best wishes
