*"Building Tomorrow's Leaders
Through Investment in Today's Youth..."*

Dear RYLA Applicant,

In 1971, Rotary International adopted the **R**otary **Y**outh **L**eadership **A**wards program to promote leadership development for future leaders in our community.

Since that time, local Rotary Clubs of District 5790 have sponsored young men and women from various schools for camp RYLA so they may participate and learn valuable leadership skills. The seventy-five Rotary Clubs of District 5790 will typically sponsor 135 young leaders to attend this annual leadership experience.

Your local Rotary Club is inviting you to apply for an opportunity to attend this year's RYLA camp held June 27-30, 2024. You must be a junior or senior in the fall of 2023 to be eligible. This year the leadership camp will be conducted at Texas Woman's University in Denton.

If you are selected, the \$450 cost for the camp will be paid by the local Rotary Club and you will be responsible for incidental items only (toothpaste, soap, shampoo, etc.).

It is very important to understand that if you are selected for sponsorship you should not have a time conflict with the camp in June. Plans are already being made and late cancellations will result in the loss of the club's tuition and the opportunity for another student to attend camp RYLA.

We have included a link to the online Request for Application (RFA) which should only take a few minutes of your time to complete. After completing the RFA, a link to the full application will be emailed to you. Your parents/guardians must complete the full application online and submit the forms.

A RYLA fact sheet has been included with this letter. Thank you for your interest and GO RYLA!!!!!!
