Rotary

- You know us from our Flags for Scholars program, which produces more than \$20,000 every year for college-bound Burleson students. Thank you for your part in this program!
- Contributions to The Rotary Foundation support a wide range of sustainable activities in the area.
- Annually we provide financial support for **CASA** of Johnson County, Harvest House, Heart for the Kids, Little Red School House, Burleson Pregnancy Aid Center, and Wings of Hope Equithery and other charities.
- Every year we purchase and donate dictionaries to every third-grader (more than 600 children) in the Burleson ISD.
- For many years we have contributed to the world wide eradication of polio and can proudly report that the efforts of Rotarians, have brought nations where this dread disease is endemic to three – and we will continue until it is eradicated.
- Every summer we sponsor four high-school students to a leadership camp called Rotary Youth Leadership Award.
- Each year we buy 50 or more wheelchairs for distribution in Mexico, providing mobility for people who cannot walk.
