Rotary Awareness Month

With more than 1,200,000 members, Rotary comes, every day, in more than 200 countries, meet the needs of various communities.

You decided to join this extraordinary organization for several reasons: friendship, personal development, business development, leadership development, citizenship in the city,...

I am confident that each of you is proud to be part of this wonderful network: **SHOW IT!**

Show it in **having your pin in any circumstance**, symbolizing your membership in Rotary International.

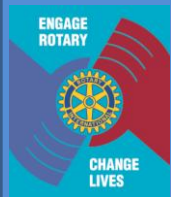

Show it by **inviting your friends to your club activities**, to bring new energy and idea into your club.

Show it by **sponsoring a new Member before the end of March**, to increase our workforce thus coming to strengthen our ability to help.

I hope you understand that Rotary moves up only when each of you strengthen the mesh you represents in this great chain of friendship.

Engage Rotary, Change Lives!

As you can see in the map below, the Rotary International convention was hosted on all continents but never in Africa. Also, the Districts of South Africa are mobilizing to hold the 2019 convention in Durban.

In response to their request for support, I have appointed PDG Tony WATKINS to be their interlocutor in our District.

List of Rotary International Conventions

- 2016 Seoul, South Korea
- 2017 Atlanta, Georgia, USA
- 2018 Toronto, Canada

To Be a Rotarian

- To be young is to swim in pools you did not dig.
To be a Rotarian is to dig pools in which you may never swim.
- To be young is to dance to music you did not write.
To be a Rotarian is to write music to which you may never dance.
- To be young is to sit under trees you did not plant.
To be a Rotarian is to plant trees under which you may never sit.
- To be young is to seek benefits from a city you did not build.
To be a Rotarian is to build a city and a community from which you may never benefit.

Caribbean Partnership Conference 2014

I am delighted to announce to you that a preliminary agreement was done by RI for D7000 to host the Caribbean Partnership celebration event in 2014 over the weekend of July 25 -27th.

As incoming leaders, I invite you to put in your budget to have one club delegate to attend this event.

To promote this event, and also give to us more information on Caribbean Partnership, I inform you that **PDG Vance Lewis, as Caribbean Partnership Chariman-elect, will attend our District Conference in Martinique.**

DG Clubs Visits

From French Guiana to Martinique, Paramaribo Central, during December I engaged Rotary to change live several times!

French Guiana Clubs Visit (02/12 to 05/12)

Mastered by AG Patrick Delphin, my visit to French Guiana began with great hospitality at the airport in the presence of PDGs Jean-Claude Blancaneaux and Georges Nouh Chaia.

The joint project of the clubs in Guyana to accompany the Pasteur Institute could be submitted to me for a global grant application.

Suriname Clubs Visit (05/12 to 09/12)

If I tell you that I have walked nearly 200 km in 1 h 30, you may not believe me! So it is that's made me live DGE Elwin welcoming me at the border to Albina to lead me to Paramaribo.

After a joint evening of high quality, I could visit the clubs and enjoy the launch of the sickle cell disease awareness project conducted by the Rotary Club of

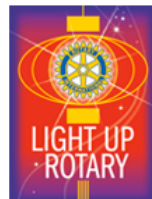

Paramaribo Central.

Guyana Clubs Visit (09/12 to 13/12)

What a pleasure to arrive in Guyana by the Georgetown airport. Soon arrived, starting with a bang to New Amsterdam, with a meeting with provisional Corrivertown club. Back on Georgetown, club visits were marked by Rotary Club of Stabroek' project (you will know more at the District Conference...).

Martinique Clubs Visit (16/12 to 19/12)

Finish the month of December with Martinique clubs allowed me to be with family for Christmas. Congratulations to the Rotary Clubs of Fort-de-France and St Pierre for their welcome and RC Schoelcher for their strong commitment.

Rotary has heart is one way to do good in the world

By Ron Ferrill
Zone 33 Regional Rotary Foundation
Coordinator

Each of us as Rotarians has received a gift – a gift of membership in Rotary made possible by a caring person who proposed our membership. We have and continue to enjoy the friendship, fellowship, and networking in our club and throughout the Rotary world. As a part of this gift, we have also been given an opportunity – an opportunity to leverage our ability to make a difference in the world as we reach out to help others. We leverage by pooling resources with our club, district, and The Rotary Foundation. As we look around for the most pressing need, in addition to eradicating polio, alleviation of hunger stands tall. The presence of hunger, both locally and globally, is a tragedy.

In the USA, 1 in 6 has to deal with food insecure situations. Included in this, 16 million children (20% of all children) are in this precarious state. Globally, five million children die each year from malnutrition related causes.

Throughout Zones 33 and 34, under the "Rotary Has Heart" initiative, Rotarians, clubs, and districts are encouraged to focus on alleviation of hunger, particularly with children. Valentine's Day 2014 will be a special time for clubs and districts to feed hungry children. Each club decides how it wants to participate. This is one way we demonstrate that **Rotary Has Heart** – that we believe in **Doing Good in the World**.

In Memoriam

This is to report the very sad news that Rotarian Glenda Joyette, Treasurer of the Rotary Club of St Vincent South, passed away on Sunday January 19th, evening. I have met Glenda on more than one occasion, most recently during my visit to St Vincent three weeks ago at her Club's meeting.

Glenda was also an active member of the recently established Rotary Disaster Relief Committee.

Christmas Rains

On December 24th, while we were all trying to celebrate with our families, violent rain fell hard our region.

Three of our islands were affected: Dominica, St. Lucia and St. Vincent & the Grenadines.

A situation of crisis followed causing enormous damage in the three abovementioned Islands: lives marked, houses swept away, damaged infrastructure, etc.: a disaster!

Very quickly, a mobilization is set up in our district 7030.

On behalf of all Rotarians, I thank

PDG Stephen RAMROOP, PDG Tony WATKINS, AG Roger BOSE, AG Marvlyn BIRMINGHAM, AG Brian GLASGOW and AG Tim MOFFAT.

They strongly mobilized and other Rotarians came to reinforce their initiative and allowed the establishment of a real solidarity.

The Districts 7000 (Puerto Rico) and 7020 (Northern Caribbean), all as friends of Barbados, Grenada and Martinique, have made a direct contribution (in-kind and cash) to the concerned territories.

Many thanks to Trinidad clubs which brought more than 300 mattresses to ODPM for the claims.

A point will be made at the next District Conference in Martinique.

The reconstruction began, and with PDG Steve SCHULTER, District 6910, a device based on a global grant is being prepared.

The Rotary Clubs of Saint - Vincent have decided to adopt a woman who lost her father, her mother, her brother, her sister and her son.

It is without saying that they will receive the support of our district in their approach.

To give you an idea of the damage, I invite you to click on the link below:
