IGM 2014 Conference Theme

IGM 2014 | 15 november 2014

Rotary's IGM 2014 is scheduled for 15th/16th November 2014 in Paramaribo, Suriname. The program contains a conference on Saturday 15th with the following theme.

The Ebola threat ...

Prevention of outbreaks
How to prepare the Guianas?
How can Rotary best contribute?

Speakers and/or discussion panel include relevant government officials, medical specialists and disaster response specialists.

The IGM 2014 Conference aims to:

- increase knowledge on the deadly Ebola disease,
- gain insight in the status and/or preparations of our countries in this respect,
- Identify areas to improve our countries' preparations to prevent/or manage a potential outbreak,
- Identify the role that Rotary can best play for most effective contribution

Ebola ... a serious threat to our communities requiring urgent attention and responsible leadership. Rotary is expected to take action.

A joint initiative of the entire Suriname Rotary community
