#### First fellowship for the Rotary year

New Rotarian Phillip opened his house to the members of the Rotary Club of Saint Lucia and their friends. Judging by the food on display he must have been busy in the kitchen all day. When it was between buzzing around suggested he should have arranged for some help he just said "naah I am ok". All had a wonderful time and the party went on with singing and dancing, well also a little drinking until way beyond midnight.

Imagine all these pictures were taken before 11.00 pm!

**President Chester put it appropriately:** 

It was quite a while since we had a Fellowship evening, but what an evening it was on October 5th at the residence of Rotarian Phillip. On behalf of all of us I want to say a special thank you to Phillip for his kind hospitality, generosity and warmth. It was fellowship in its true spirit – nice cuisine, drinks flowing, good music, lovely voices and most importantly wonderful people.

To those of you who came and also donated to the Poverty Reduction Initiative, thank you so much. To those who missed the evening, I say we missed you and hope you will be able to make up the next time around. Phillip once again, a million thanks from all of us. Chester

By now every Rotarian should have tickets for sale.

#### **Rotary Club of Gros Islet**

The Rotary Club of Gros Islet is under the stewardship of Dir. Joseph Dolor actively pursuing the sponsorship of a Rotaract Club. They had of coursed for year been blessed with a Rotaract Club and are now holding "exploratory meetings" to evaluate the potential of chartering a Rotaract Club again.

Dir. Joe, a former Rotaractor himself has had several meetings with potential candidates, a process is enjoying the Assistance of the members of the Rotaract Club of Saint Lucia and Rotarians. At the last information meeting PP Tom Alexander and past Rotarian Lenita Joseph addressed the gathering.

We wish them much success and the Rotary Club of Saint Lucia stands ready to assist at any time.
