This was Pres Samara's last visit as President and on behalf of the Rotary Club Pres. Konrad thanked her for all the good work and projects accomplished during this Rotary year. All done in close cooperation with the Rotary Club of Saint Lucia.

Pres. Konrad congratulated PE Ever and wished him all the best for his year as President offering to continue the close cooperation between Rotary and Rotaract.

### In addition to assisting Rotary with their project the Rotaract Club's Some of their main activities for the year gone by were.....

#### .....Rotaract Presidents Conference for District 7030

#### .....and World Rotaract Week celebrations and workshops

## At the meeting we also had a vocational talk by PP Brad Paul

**Thank you PP Brad**

Bradley in his usual professional yet funny way told us about his early days as a chartered Surveyor and Project Manager. A journey that took him from his native Scotland via Africa to Saint Lucia in the Eastern Caribbean. Where he has made his home for more years than any of the members could remember.

After his presentation he took question from members. Some centered around the often wide discrepancy between one valuation and another.
