The 4-Way Test

Of the things we think, say or do:
Is it the truth?
Is it fair to all concerned?
Will it build goodwill and better
friendships?
Will it be beneficial to all con-
cerned?

Club Meeting - November 23, 2012

That Friday was a fellowship meeting

Meeting statistics

Acting Sergeant at Arms Chester raised EC\$ 95.00 in fines and the raffle yielded \$ 145.00

The acting Serge also received his price for best dressed Rotarian during Jounen Kweyol day lunch meeting.

Regular visiting Rotarian June Snowden was leaving for the UK that day and will be back in the spring of 2013. She also left a price for a future raffle.

DON'T FORGET THIS SATURDAY 24.11, 2012 THE CALABASHERS CONCERT AT THE GAIETY

We also had the induction of new Rotarian Lorne Charles

Lorne's classification is Hotel Management. His Birthday is on November 6 and he lives on Chef Harry Drive in Castries. Lorne will serve on the Community Service Committee. We are looking forward to his contributions in our community service projects and of course assistance in our hospitality related activities like the Calabashers Concert, he Wine & Cheese Fiesta, Charter Night and our annual Handover dinner etc.

Welcome back Bobby

Past President Robert "Bobby" Fredrick returned back to Saint Lucia still working for Bank of Nova Scotia. Bobby is no stranger to most of the longer serving Rotarians and it is a pleasure to have him back in our ranks.

We are looking forward to the continuation of his contributions to Rotary in service and fellowship

Congratulations to President Konrad

He won the 2. raffle prize at the Rotary club of Gros Islet Golf Tournament, a home security system. Maybe that is why had had no problem with PP Jenny selling raffle tickets during the lunch meeting.

Interact Club at Saint Joseph's Convent update

Friday November 16, 2012 the Interact Club at Saint Joseph's Convent had a "pinning ceremony and the board was introduced to Rotary.

They showed Pres Konrad, VP Charles, Treasurer Gloria, Dir. Selma and Rot. Ian a powerpoint presentation on Interact and their club's projects realized to date.

Interestingly they have 2 photographers as part of their leadership team and they have very good documentation of their work.

The club of over 42 members is very interested in participating in the tree planting on Saturday December 15, 2012.

1. Move Chess in primary Schools

On Wednesday November 21, 2012 CF Chess coordinator Robert and Pres. Konrad visited the Babonneau Primary, The Des Barras Primary and the Balata Primary School. They have some equipment challenges and Des Barras is the only primary school that has not implemented the chess program. We are assured they will also start in January and Robert will go back there to ensure it does happen. A technician is currently looking at repairing the TV at the La Guerre Primary School and we are exploring the possibility of providing the Babonneau Primary with a new TV and are awaiting a price estimate from Courts.

On Wednesday Pres. Konrad met Rotarian Richard Pyle who was the Peace Corp Director on the late 80s and early 90s in Saint Lucia the cruise ship pier and took him to Dir. Marcus shelter, to Babonneau to show him the area for the water project and to a chess lesson at the Balata Primary School. Afterwards they looked a picture of some of the Rotary projects like the Rotary Bus, The D-Life Diabetic Youth Camp and others before Rot. Peter took Richard and his wife together with Robert for lunch. He is interesting in pursuing a possible joint project with his Rotary Club in Washington DC and the Rotary Club of Saint Lucia.
