District Governor Herve Honore

After the board had met with DG Herve on Thursday evening his visit was celebrated with a joint lunch meeting of the Rotary Club of Saint Lucia and The Rotary Club of Gros Islet. The DG made a very inspiring presentation outlining his goals for the year that was very much enjoyed by all.

Here are some excerpts from his presentation:

During more than 108 years, the men and women who have espoused the philosophy of Rotary founder Paul HARRIS, conveyed the humanitarian spirit of Rotary through local and international actions proposed today by more than 34 000 clubs. From its origins to our days, the idea of Rotary spread from Chicago to more than 200 countries and territories, the latest being Bhutan, thus creating a force over 1.2 million members.

He shared his passion for Rotary. Rotary is an exceptional organization: imagine, every year, during the month of June, we change all the leaders of our Organization:

- The President;
- The 538 District Governors
- and the 34 000 Clubs Presidents.

Try to imagine that we implement this system in our local governments? We must not think in terms of individual communities. Our community, the world, it is a community of more than 500 districts all different from each other. We weave to Rotary International's friendships with Rotarians from locations that were hitherto unknown to us. We are the world! We cannot replace hatred and fear by the empathy for those we gladly help if we are not ready so far to accept it at our side.

To the question "what is a Rotarian DG Herve usually answers that we are an international network of motivated women and men engaged in social actions to improve the conditions of life around us and who share five fundamental values:

- service;
- camaraderie;
- diversity;
- integrity;
- and leadership.

The Rotary Foundation is the key for our action.

DG Herve issued the following challenge for District 7030 up to June 30, 2016.

- 100% Rotary Clubs engaged in EVERY ROTARIAN EVERY YEAR program;
- 210 000\$ to Annual Fund Program;
- All PDGs members of the Paul Harris Society;
- 15 Major Donors;
- 20 Benefactors;
- A District Fundraising Project during Rotary Birthday in each territory;
- 100 Rotarians of District 7030 attending RI International Convention in Atlanta for the Centennial of The Rotary Foundation.

And the District Governor invited all to the next District Conference in Martinique

The vote of thanks was delivered by IPP Konrad
