Challenge 23 000

Rotary International is pleased to announce the launch of **Challenge 23 000**.

The initiative came from a generous anonymous donor, if the registration in 2013 surpasses 23,000 participants, 10,000 dollars will be paid into the Annual Fund-SHARE account of the ten districts with the highest proportion of Rotarians registered. These donations will be recognized in the Fund's calculation of these specific districts.

Current projections show that we are on track to have 20,000 participants, but if we all make an extra effort to convince our neighbors to go to Lisbon, **a haven of peace**, we will be able to get 100 000 dollars for the Rotary **Foundation**
