THE ROTARY 4-WAY TEST

The Four-way test 'formula' guides our International membership. The creed which states:

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned?

VISION: "Together, we see a world where people unite and take action to create lasting change - across the globe, in our communities, and in ourselves."

THE PRESIDENT'S MESSAGE

KETURAH DONAI

Giving in times of scarcity – Part 2

The month of December always brings joy to my heart because it is the time of year when Rotary is most active in various communities island wide. The activities undertaken are detailed in the pages below. However, one activity that stands out for me is the distribution of food hampers. These hampers were distributed via Rotarians to individuals who needed them the most.

During the year 2021, many individuals lost their jobs as a result of the pandemic, some because of illness and others were affected due to the economic hardship that St Lucia is currently facing. This is why in my previous president remarks I urged Rotarians to give especially in times of scarcity.

In the great old book in Matthew 26:11, the new living translation states that "you will always have the poor among you". This places a greater need on service clubs like ours to be more active in the cause of helping to save humanity. We must always remember our motto which is 'service above self'. This must be done in the true spirit of giving and with humility and conscientiousness. Our charitable efforts must never come across as a show, but we must remember our theme, 'serve to change lives'. We must exemplify servitude in our humanitarian efforts or else the outcome would be in vain.

As we commence a new year it is my Prayer that God will bless the efforts of all Rotarians and that we would utilize our resources (money, time, expertise, talents and gifts) to further the work of Rotary. Let us all remember that Rotary is a world- wide organization and it is bigger than us all. Let us work together to achieve one common goal.

"Some Christmas tree ornaments do more than glitter and glow, they represent a gift of love given a long time ago."

EDITOR'S NOTE

NATOYA CASSIUS

This is the point at which we bid farewell to 2021 and welcome 2022.

The year 2021 flew past, and it appears to be a foreshadowing of how rapidly the years ahead will go by. By extension, how swiftly our lives are passing us by.

Before you know it, you may barely recognise the person staring back at you in the mirror. On a lighter note, all the fantastic times we had may be seen in the wrinkles, growing stomachs, and flapping skin. Laughing at our loved ones' jokes, eating delectable meals, and living long enough to appreciate a variety of life's adventures. Keep your chin up!

Remember that positivity as we ring in the new year with fireworks, laughing, and kisses from loved ones, and the hopeless optimism of 2022! To the loyal readers of this newsletter/magazine, we wish you a Merry Christmas and a Prosperous New Year. Seasonings greetings if you are just joining us; Bye for now!

BUDDIES OF THE MONTH

What is the buddy system? A cooperative arrangement whereby individuals are paired or teamed up and assume responsibility for one another's instruction, productivity, welfare, or safety. Do you know your buddy?? See page 38.

210 POINTS

Rotary Prayer – During the Covid-19 Pandemic

May we who are merely inconvenienced, remember those whose lives are at stake.

May we who have little risk factors,
remember those most vulnerable, with difficult choices to make.

May we who have the luxury of homes and jobs that pay,
remember those who are helpless and have no place to stay.

May we who have close families and surrounded by friends who care,
remember those who have no options, who survive on loneliness and fear.

May we who have each other, as Rotarians willing to give,
remember the least among us who only wants to live.

May we with our Rotary ideals and a purpose to fulfill,
Keep fighting for humanity and not be found standing still.

Amen

ROTARY THEME FOR DECEMBER 2021

DISEASE PREVENTION AND TREATMENT MONTH

What is your Rotary Club doing to focus your efforts on Disease Prevention and Treatment?

December is Disease Prevention and Treatment Month on the Rotary Calendar.

This is one of the Foundations Areas of Focus and one in which many of us would be aware of the numerous projects around the world supported by clubs and the Foundation. Look at your role in promoting improved health at home and abroad and supporting these vital programs that contribute not only to healthy communities but peaceful communities.

Disease prevention and treatment takes on many forms, from supporting studies to helping immunize people to improving drinking water and the sanitation infrastructure. The world relies on Rotary to tackle these global challenges, and to set an example for others to follow.

We believe good health care is everyone's right. Yet 400 million people in the world can't afford or don't have access to basic health care.

Disease results in misery, pain, and poverty for millions of people worldwide. That's why treating and preventing disease is so important to us. We lead efforts both large and small. We set up temporary clinics, blood donation centers, and training facilities in underserved communities struggling with outbreaks and health care access. We design and build infrastructure that allows doctors, patients, and governments to work together.

Our members combat diseases like malaria, HIV/AIDS, Alzheimer's, multiple sclerosis, diabetes, and polio. Prevention is important, which is why we also focus on health education and bringing people routine hearing, vision, and dental care.

HOW ROTARY MAKES HELP HAPPEN

We educate and equip communities to stop the spread of life-threatening diseases. Rotary members have hundreds of health projects underway around the world at any given time.

CALENDAR OF EVENTS - DECEMBER 2021

The Rotary Club of Saint Lucia hosted its weekly meetings via the zoom platform. Our monthly Board Meetings and Business Meetings happened as planned.

We will resume our 'Rotary in a Minute Rotarian' and our 'Know Your Rotarian' features next month. However, Rotarian Roger Hare was featured on our social media.

The Club held various activities for the month and are as follows:

RCSL's guest speakers were our very own Dynamic Duo, Rotarian Dr. Sheba and Rotarian Dr. Ira spoke on Disease Prevention and Treatment. Additionally, thanks to the Rotary Club of Davidson for decorating and featuring a Christmas Tree to assist us in raising funds. The decorations were done by Past Presidents Laurie Walker and Cristy Carrol and President-Elect Lexi Lain.

In addition, RCSL received Massy gift vouchers from the St. Lucia Hotel and Tourism Industry (SLHTA) and a donation of oximeters from the Rotary Club of Lamentin. We are extremely grateful to our sponsors for making those contributions to us. Furthermore, the RCSL held its Christmas Lunch at the NSDC on December 17th which was supported by both members and guests.

Additionally, the packaging of Christmas gifts was done in preparation for the Christmas Santa initiative at the Fond Assau Primary School. We then hosted a 'Christmas party'/Christmas Santa initiative for the kids who were quite happy to have had such a treat. Lastly, we packaged and distributed hampers to the less fortunate.

Time: 12:pm
Location: Online

As part of the mandate from Rotary International a presentation with a focus on disease prevention and treatment was made to the Rotary Club of Saint Lucia. It is important to note that health in itself is a combination of general wellness of an individual which focuses on their mental, physical and social balance. Part of the prevention is to ensure a balance in diet, exercise and work Life.

The treatment must always be focused on specific diseases that the human body may suffer from. And to see the individual as a whole; including them in their management. It may also involve a change in diet and exercise as well as medication or therapy. The use of vaccines was also reviewed in helping to prevent many diseases historically including the now present Sars COVID-19 virus.

Doctor Simmons then continued to elaborate on contributions made by Rotary both locally and abroad.

Chartered Accountants Recognise Frank Myers

Frank Styer

Frank has been involved in the progression of the accounting profession since 1992 when he was elected president of the Institute of Chartered Accountants of Saint Lucia (ICASL). He forged a new direction for the

profession in Saint Lucia, with members of the Institute being seen as distinct from unqualified accountants. In 1996, the separation of qualified accountants became law when one of the key amendments to the 1985 Act governing the Institute was the restriction of the title "Chartered Accountant" (of St. Lucia) to members of the Institute only, and the restriction to public practice to Chartered Accountants only. His efforts in this initiative were instrumental in the accountancy profession being rightly accorded the same standing and respect as the traditional professions in the island (medicine, law and engineering).

Frank was also integral in the launching of the Institute of Chartered Accountants of the Eastern Caribbean (ICAEC), which subsumed the ICASI and the other Institutes then established in the sub-region, and in September 2004 was elected as the first Secretary of that body. In July 2006, he was elected president of ICAEC, a position he held up to 2015. Under his presidency, the ICAEC commenced the implementation of the Institute's Operations and Quality Assurance manual, a project that was funded by the World Bank and facilitated by the
