WELCOME TO A NEW ROTARY YEAR!

THE ROTARY 4-WAY TEST

The Four-way test 'formula' guides our International membership. The creed which states:

- Is it the **TRUTH**?
- Is it **FAIR** to all concerned?
- Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- Will it be **BENEFICIAL** to all concerned?

VISION: "Together, we see a world where people unite and take action to create lasting change - across the globe, in our communities, and in ourselves."

THE PRESIDENT'S MESSAGE

KETURAH DONAI

Another Rotary year has begun and our environment still has not changed. The COVID-19 pandemic continues to affect the lives of many individuals across the globe. We have no choice but to move with the changing times as I often say change is inevitable and we cannot afford to be left behind. The month of July is designated as planning month for the Rotary year. I am pleased to announce that all the plans have been made and have already begun to roll out. We therefore encourage all Rotarians to support the initiatives planned and by extension invite others to join in the work of Rotary. LET THIS BE A YEAR TO REMEMBER AS WE SERVE TO CHANGE LIVES.

INTRODUCING THE NEW BOARD FOR THE YEAR 2021/22

The Rotary Club of Saint Lucia Leadership Team 2021-22

FROM LEFT TO RIGHT:

PRES. KETURAH CHARLES-DONAI, PP SELMA ST.PRIX PHF, PE GORDON JULIEN, IPP LEATHON KHAN PHF, DIR. JULIAN CHARLES, PP CHESTER HINKSON, PP LEEVIE HERELLE, DIR. SHEBA O'BRIEN
PP TIMOTHY MOFFAT PHF, DIR. NATOYA CASSIUS, DIR. IAN MITCHELL, DIR. ROGER HARE, PP ALBERT DANIELS PHF, PP MALCOLM CHARLES PHF & PP AZMINA LONG PHF

EDITOR'S NOTE

NATOYA CASSIUS

Who are you? This is a question that most persons figure they can answer explicitly. Interestingly enough, once you type these three words, an answer suddenly escapes you and inevitably, that takes your breathe away. Afterall, you know yourself better than anyone; it is YOU! As you consider who you are, your heart beats begin to sound like drums in your ears, and all logical concepts depart your mind. What is your life's purpose? Is it as simple as sleeping, waking up, going to work, socializing, and repeating? I find it fascinating that many of us live in this manner. One thing is certain: we are all part of some kind of interconnected web of life, each providing our own unique contribution. Consider the effect of a single drop of water on the ocean. There's a rippling effect going on here! The waters are further disturbed by a significant number of droplets. Keep in mind that, no matter how insignificant our lives appear to be, a drop of water or a contribution to humanity can make a big difference. It is a torrent of rain that can swell the ocean if everyone deposits their drop.

Continue on your journey and remember, no one is you but yourself!

**Happy 55th Anniversary
to the Rotary Club of St. Lucia**

MESSAGE FROM ROTARY INTERNATIONAL

Dear change-makers,

Welcome to the new Rotary year — a year when you will be called upon to Serve to Change Lives and achieve big dreams. Because of your passion for achieving great things, we will grow more and do more.

Our Action Plan, Rotary's strategic road map, sets our course and strengthens us for the future by focusing on four priorities: increasing our impact, expanding our reach, enhancing participant engagement, and increasing our ability to adapt.

This year, I am honored to move these priorities forward by leading with vision and implementing several initiatives that I believe will result in positive growth during 2021-22 and beyond.

Expanding our reach through Each One, Bring One

Rotary is a vibrant organization that has spread to nearly 200 countries and geographical areas and has a rich legacy of fighting to end polio. Don't you think we could have a greater impact on the world if more people were practicing Service Above Self?

Members like you are our greatest asset. But for the last 20 years, Rotary membership has remained stagnant. Through a program I am calling Each One, Bring One, I ask each of you to commit to welcoming one new person into Rotary or Rotaract in the next 12 months. This one act of growing Rotary will make you true change-makers, because you will have helped us achieve in just 12 months what we could not do in 20 years. Of course, you will need to engage and retain these members as well. Member engagement is equally important for our organization's growth.

As we welcome new members, let us continue to ensure that diversity, equity, and inclusion are ingrained into all aspects of Rotary. We believe that anyone who gets involved with Rotary — whether as a member, partner, or participant — must feel valued, respected, and welcomed. It is only by embracing the full diversity of the world that we will be able to grow and to achieve our goals.

I am thrilled that Rotaract membership continues to grow. This year, we are taking further steps to reaffirm and promote Rotaract as a distinct membership type in Rotary. I encourage Rotary and Rotaract clubs to find ways to connect with one another, perhaps by creating a mentorship program or partnering on a club-based initiative, district grant, or global grant. We achieve more when we work together!

Serve to change lives

Service is at the heart of my own connection to Rotary, which is why I want all of us to showcase Rotary's good work by hosting Rotary Days of Service. Invite your members, neighboring clubs, local civic organizations, program alumni, friends, family, and the public to join you for a community service event. Let Rotary Days of Service be a celebration of our passion for doing good.

As your club decides which causes to support this year, please consider projects that focus on empowering girls and creating equity for them. Whether it's through a global grant project or a local program that your club supports, we can all contribute to the important work being done all over the world to expand access to education, improve sanitation, and fight gender discrimination and inequality. Girls are equal stakeholders in this world, and they should have equal rights.

MESSAGE FROM ROTARY INTERNATIONAL

We also need to let others know about all the wonderful work Rotary does. Each of you is a Rotary brand ambassador, so use social media, local media, and your club's website to show your community – and the world – how you and your fellow Rotary members are people of action.

Increasing our impact

My friends, you are resilient, and you are doing amazing things to fight COVID-19. We adapted quickly to support our communities at the start of this pandemic, and we are committed until the very end. Let's work to ensure that vaccines are made available equitably worldwide and that people get vaccinated as quickly as possible.

We recently awarded our first \$2 million Programs of Scale grant to Partners for a Malaria-Free Zambia and will name our second Programs of Scale grant recipient this year. This award and our efforts to eradicate polio and fight COVID-19 are examples of how Rotary addresses significant needs on a large scale. These programs serve as models for how we can demonstrate our measurable and sustainable impact.

We have so much to look forward to in the year ahead, and together, we will do so much. Nothing is impossible for Rotarians and Rotaractors!

I am so honored to be on this journey with you.

Sincerely,

Shekhar Mehta
Rotary International President, 2021-22

July!!!**

CALENDAR OF EVENTS -JULY 2021

The Rotary Club of Saint Lucia hosted its weekly meetings via the zoom platform. Since most meetings are held via this means, PP Albert provided training to Rotarians to assist them in the usage of this platform. Rotarians had the opportunity to benefit from professionals in the medical profession from topics such as substance abuse by Director -Substance Abuse, Shamain E Hippolyte and Covid-19 by Medical Director Sharon Zaiens.

Additionally, Rotarians engaged in various fellowship sessions like karaoke and IPP Leathon's Appreciation Fellowship.

July

Training Using the Zoom Platform

The COVID-19 pandemic has forced Rotarians to have their weekly meetings via a virtual platform. The platform utilized is 'Zoom' and it was realized that Rotarians were having difficulties in attending meetings because they were unable to use the platform. As Rotarians we need to have plans to mitigate our challenges. As a result a face to face training session was conducted at the NSDC in Bisee on July 8, 2021 for all Rotarians.

The objective of the training was to enable Rotarians to undertake the following:

- 1.Setting up of zoom on personal devices (phones, tablets, laptops, desktops)
- 2.How to login into the meetings
- 3.How to add a profile Picture
- 4.How to change the user name
- 5.How to use the chat to post questions and make comments

The training is to be continued as there are still a lot of information to pass onto Rotarians as time did not permit for the entire training to be completed.

Look forward to the next session

The session entailed presentation on substance abuse and misuse, why persons abuse substances, drug culture, the current situation, the impact of drugs on the brain, the effects of substance abuse and misuse, the stages of drug uses and prevention strategies.

Members got a detailed review on 'a nurse's perspective' as it pertains to Covid-19.

Rotary District 7030: Training of Trainers

The District Training Committee is pleased to announce the first Training of Trainers session which recognizes training as crucial for developing future leaders and ensuring that club officers are well informed and are capable of leading the club and providing better Rotary service.

Saturday 14th August
09:30 a.m. (GMT-4)

Facilitated by PP Elizabeth Cox - a UWI Certified Master Trainer - this session is designed to provide club trainers with opportunities to develop their skills, techniques and insights to effectively plan and deliver training initiatives.

The session will:

- ✓ Describe in brief the training cycle from needs analysis through to evaluation - Club Trainers should have an understanding of this cycle and how to measure the impact of each leg.
- ✓ Provide opportunities for club trainers to practice the skills and techniques introduced during the session before having to implement them at the club level.

Please contact 2021/22 District 7030 Trainer - Luana Falconer (lafalconer@gmail.com) if any questions or concerns.

Important 2021 Updates On My Rotary

Remember these reporting changes for 2021-22

It's a new Rotary year. Make sure to review these important changes to reporting requirements for club presidents:

- Starting 1 July, club presidents are encouraged to report their club service projects committee chair to Rotary International. While the club service projects committee is not new, this is the first year that you'll be able to report the committee appointment so that these chairs receive access to tools, resources, and support for club-led service activities.
- Club presidents are also being asked to report club public image chairs. This will ensure that your club has access to our current brand guidelines and official Rotary assets including videos, ads, and customizable promotional materials. You'll also get links to online training courses for public image officers and the latest news on how to increase our impact and reach.

Reporting these appointments to RI will help your club align district and club communications, provide feedback channels so that RI can enhance our service resources and support, and increase your club's impact and expand your reach.

New district enhancements coming to My Rotary

Members will soon be able to review district information from a dedicated landing page on My Rotary. In a few weeks, you'll easily see which clubs and members are part of your district. This enhancement is part of the ongoing upgrades being made to the site. Throughout 2021, we'll continue to improve your My Rotary experience by:

- Making district officer and assistant governor information more easily accessible
- Improving the process for district officers to report, remove, and replace district officers
- Simplifying the assistant governor appointment process
- Introducing a dashboard for governors that presents key district information in a visually meaningful way
- Updating the process for managing district conferences and obtaining feedback
- Recognizing members who have sponsored a certain number of new members

These new features will be released throughout the year...so stay tuned for more updates.

SAFETY DURING THE OUTBREAK

Can receiving a COVID-19 vaccine cause you to be magnetic?

No. Receiving a COVID-19 vaccine will not make you magnetic, including at the site of vaccination which is usually your arm. COVID-19 vaccines do not contain ingredients that can produce an electromagnetic field at the site of your injection. All COVID-19 vaccines are free from metals such as iron, nickel, cobalt, lithium, and rare earth alloys, as well as any manufactured products such as microelectronics, electrodes, carbon nanotubes, and nanowire semiconductors. In addition, the typical dose for a COVID-19 vaccine is less than a milliliter, which is not enough to allow magnets to be attracted to your vaccination site even if the vaccine was filled with a magnetic metal.

Is it safe for me to get a COVID-19 vaccine if I would like to have a baby one day?

Yes. If you are trying to become pregnant now or want to get pregnant in the future, you may get a COVID-19 vaccine when one is available to you.

There is currently no evidence that COVID-19 vaccination causes any problems with pregnancy, including the development of the placenta. In addition, there is no evidence that fertility problems are a side effect of any vaccine, including COVID-19 vaccines.

Like all vaccines, scientists are studying COVID-19 vaccines carefully for side effects now and will continue to study them for many years.

This information was obtained from the CDC's web-site- <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/facts.html>

New Rotary Prayer – During the Covid-19 Pandemic

May we who are merely inconvenienced, remember those whose lives are at stake.

May we who have little risk factors,
remember those most vulnerable, with difficult choices to make.

May we who have the luxury of homes and jobs that pay,
remember those who are helpless and have no place to stay.

May we who have close families and surrounded by friends who care,
remember those who have no options, who survive on loneliness and fear.

May we who have each other, as Rotarians willing to give,
remember the least among us who only wants to live.

May we with our Rotary ideals and a purpose to fulfill,
Keep fighting for humanity and not be found standing still.

Amen
