Newest Rot. Lorne held his vocational talk.

At the end of his presentation and talk about all the many areas of work in the resort he was responsible for it became clear that he loves his job. He is also involved in community work and affiliated with the services of his church.

Some Rotarians could not resist wondering aloud what exactly Rot David did all day if Rot. Lorne worked so hard look after the resort.

But then such are the prerogatives of a real estate developer

Rotary Calabashers shine during their performance at Gaiety

As always look for many more beautiful pictures at WWW.ROTARY.LC

In a post mortem on Wednesday November 28, 2013 organizing committee members met to discuss the positive and the not so positive aspects of the show. In addition to logistical challenges on the evening the overall challenge remains in making the event as profitable as it should be, considering the time and effort put in by so many people. None of that could take away from the most enjoyable evening at Gaiety .
