The 4-Way Test

Of the things we think, say
or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and
better friendships?

will it be beneficial to all
concerned

Rotary 54th Anniversary Highlights

For our 54th year charter celebration, President Leathon became the first of our presidents to host a virtual charter dinner

Covid-19 and Non-Communicable Diseases How to Prepare for the Next Pandemic

Dr. David. R Williams, PHD, MPH
Florence & Laura Norman Professor of Public Health
Chair, Department of Social & Behavioral Sciences
Professor of African & African American Studies and of Sociology

Rcsl was privileged to have Dr. David Williams, professor at Harvard university as its guest speaker. He shared a very comprehensive and insightful presentation on covid_19 and non communicable diseases.

PP Albert, our host for the zoom platform for the charter dinner, tried his best to outdo the president by wearing as many rotary paraphernalia as possible. Hopefully he was fined by the sergeant of arms.

CHEERS!

CONGRATULATIONS

" A thorn among the two roses"

PE/ Club Admin Director Keturah, IPP Leevie, VP/ Foundation Chair Selma: decided to join together to celebrate the 54th instead of going solo on zoom, keeping the protocols of 6 feet apart. They were well fitted together because Keturah had to read the bios of the awardees; Selma had to read the bio of the guest speaker and Leevie had to thank the guest speaker.
