

What is Rotary?

Founded as America's first service club in 1905, Rotary today has over 34,000 clubs worldwide providing community leadership in many forms. Some of its 1.2 million members may be delivering polio vaccine to children in India, water purification units in Africa or clothing and food to underprivileged in America.

How did a non-governmental organization started by a young attorney (Paul Harris), in a cramped Chicago office, accomplish this? Rotarians networking in many ways prove that the sun never sets on Rotary's activities.

Rotary's motto, *Service above Self*, is demonstrated by its polio campaign. Once a dreaded childhood disease Polio crippled and killed thousands of people worldwide. In 1985, Rotary International decided to provide the polio vaccine to rid the world of this gruesome disease. Working with the World Health Organization and others, Rotary basically achieved its goal to wipe out polio.

The Wall Street Journal wrote, "Rotary's unsung polio effort deserves the Nobel Prize."

Rotary Club of East Wichita

Organized in 1984, we have over 100 members. We meet at the Wichita Country Club on Wednesdays at noon for approximately an hour. We encourage regular attendance, visiting other clubs and participating in our club's events and service projects. Dues are \$440 every six months, billed for Jan. 1 — June 30 and again, July 1—December 31 of each year. Members are expected to pay dues promptly when billed.

Who is eligible for Rotary?

We seek men and women who have demonstrated leadership skills in their field or community. A member should strive to attend 60% of our weekly noon meetings and participate in at least one volunteer opportunity each year. Because we value Rotary's history and traditions, a new member must attend an orientation session, offered periodically throughout the year. All membership applications must be approved by the board of directors prior to a 7-day review by the entire membership.

THIS Is What We Do!

- Our Club provides strong leadership and financial support for several community organizations in Wichita. Members have donated thousands of dollars for operations and capital campaigns of these organizations and have served on the organizations' board of directors. Other members have mentored students or provided countless hours of volunteerism in the community. Many local organizations have benefitted from our Club's volunteer efforts and monetary support. Some of these groups are:

Boys & Girls Club of Kansas
Habitat for Humanity
Head-to-Toe Hygiene Pantry
Heartspring
KETCH
Lord's Diner
Medical Service Bureau
Starkey
Wichita Children's Home

- Several \$1,000 college scholarships are awarded annually to area students. After the initial scholarship, students receive \$1,000 for three ensuing years, provided they maintain satisfactory grades. Scholarship recipients attend our Club's meetings annually to tell us about their educational pursuits.
- Each Thanksgiving, members donate and deliver 75-100 complete turkey dinners for needy families.

WHY ROTARY?

YOUR NEW MEMBER APPLICATION FOR ROTARY CLUB OF EAST WICHITA
