I don't like to be difficult but I'm good at it

New member **Bob Morris** has some advice: "Don't start a new business, buy a house, sell a house, and help raise a new grandchild in the same five months." Bob ceased traveling the world in the "geospatial

industry" and settled in Wichita where he opened Christian Brothers Automotive at 13th and Woodlawn.

"I'm not an automotive guy by background," Bob said.

"I'm trying to do something better and different in the automotive industry. We are trying to be honest with the customer about what we are seeing in their vehicle. The challenge is how can we gain trust?"

PROGRAM: CLUB ASSEMBLY

With our tummies filled following the delicious Mexican buffet, President **Joe Goetz** reviewed the important issues of East Wichita Rotary.

Joe said attendance previously was emphasized, though now Rotary encourages but doesn't require attendance at meetings. "The more you attend," Joe said, "the better the experience it is for you."

Joe said our club has 60 members who have donated at least \$1000 to Rotary International as part of the Paul Harris Fellowship program.

Half of the Paul Harris donation is returned to the district. Twenty-five of our members have donated at least \$2000 to the program and **David Mitchell** is the reigning club champion with nine PHF

We pondered new, exciting club activities in our assembly

donations.

President Joe asked each of our tables to consider new initiatives for club activities. For example, do we want to help build wells or donate cattle to those in need in Africa? Joe will share our suggestions in a future meeting.

Vice President-elect **Scott Holder** said he attended a Rotary Presidents meeting with President-elect **Fred Heismeyer**. Scott is encouraged that our membership continues to be involved in Rotary projects.

I may not be right but at least I won the argument

Bands who can't afford a smoke machine should hire my girlfriend to cook at their concert.

You never really know if you're over someone until you're in the car and they're in the crosswalk.

Past President **John Vetter** is celebrating his 25th anniversary as a member of East Wichita Rotary...It's fitting that

Scott Jensen, an attorney with the tax planning firm of Bever Dye, LC, joined Rota-

ry eight years ago on April 15...**Craig Burns** was pictured twice in *Splurge* magazine at the grand opening of Craig Sharp Homes in The Collective.

President Joe encourages you to present a Business Brief to our club, a 3-5 minute

presentation promoting your business. There will be a registration sheet at the front table.
