

Rotary Club of McHenry Sunrise Vision

To be the premiere service club, dedicated to the needs of children and adults of our community, while providing an energizing environment for members to learn, grow and have fun.

Our Key Initiatives

Rotary Youth Leadership Awards (RYLA): We sponsor 9 future leaders chosen by Johnsburg High School and McHenry High Schools to attend this leadership development program. Through this three day camp, students have the opportunity to develop the qualities of leadership, citizenship and personal development among young people in their community.

Advanced Placement Testing Sponsorships: Our goal is to increase our annual contribution to \$3000 to help offset the cost of AP testing for college-bound students. Passing these tests earns students college credits, which in turn reduces the cost of tuition. McHenry High School students realize nearly \$400,000 of college tuition credits annually as a result of their performance on these AP tests.

Vocational Scholarships: Provide three \$1000 scholarships annually to students from the Johnsburg and McHenry High Schools to help support the future of manufacturing and the trades in our community, while providing assistance for students who prefer this industry over a traditional four-year degree.

Sunrise Secret Santa: Each year, with the help of hundreds of volunteers, our club sorts, wraps and delivers thousands of toys to over 2000 kids at Christmas time. Toys are received from Toys for Tots, community donations and purchased by our club. Our plan is to enhance this service project in the future to include food for a holiday meal as well.

Weekend Food Pantry Program for McHenry D15, D156: Approximately 30-40% of students in our local schools are low income and qualify for free lunch, but many of our students go without meals when away from school. This weekend program provides a bag of food to students in order to help get them through the weekend.
