End Polio Now

December 2019

### Rotary members celebrate World Polio Day

In honor of World Polio Day, Rotary members around the world rallied their clubs and communities to support the fight to end polio forever. More than 4,000 clubs in 136 countries organized more than 5,900 events to raise awareness and funds for polio eradication. Club events included art celebrations, athletic challenges, dance festivals, and educational initiatives.

### The second of three strains of wild poliovirus is eradicated

An independent commission of experts announced on World Polio Day, 24 October, that wild poliovirus type 3 has been eradicated worldwide. It is the second strain of poliovirus to be wiped out, after wild poliovirus type 2 was certified as eradicated in 2015. Type 3 was last detected in northern Nigeria in 2012. Since then, the strength and reach of the polio eradication program's global surveillance system has been critical in verifying that the strain is truly gone. Investing in staffing, innovative tools, and a global network of laboratories helped us determine that type 3 is no longer a threat.

#### ROTARY GRACE

O Lord and giver of all things good

### OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity of service;

**SECOND:** High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business and community life; and

**FOURTH:** The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
