The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

- FIRST: The development of acquaintance as an opportunity of service;
- SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
- THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and
- FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
