HIGHLIGHTS OF THE FELLOWSHIP MEETING HELD ON MAY 28, 2015 - Recorded by D.R. Douglin

Last week our club meeting was of two parts. Past President Roger was in the Chair for the commencement of the meeting as President Alex, was alleged to have been detained along the way to the meeting.

He took the opportunity to bemoan the tardiness in arrival of other members who should not be guided by his efforts on that day.

Again this week the Club was asked to recognise the passing of persons who are close to members of the Club, through a "Moment of Silence."

We recognised **Mrs. Dorian Davis** - Mother of IPP Ron Davis and **Mr. Roosevelt White** the Brother -in-Law of PP Erskine L. Thompson.

We were also given details of the funeral for **Mr. Jabari Whitehall** - son of Past Director Trevor Whitehall which was scheduled for Wednesday June 03 at Coral Ridge Memorial Gardens at 2:00 pm.

The recent loss of the father of Rotarian Nicholle was also highlighted.

Community Service Director Shawn reminded the Club on the sponsored Beach Day on Saturday, May 30 for 100 Children of the Child Care Board. The event will be held at Browne's Beach from 10:30 a.m. until 4:30 p.m. The Rotary Family was invited to participate.

HIGHLIGHTS OF THE FELLOWSHIP MEETING HELD ON MAY 28, 2015

Chair Dr. Ron Ramsay gave a report on the "Clean Up" from Saturday, May 23.

Youth Service Director Neal thanked members for their support during the 29th Rotaract District Conference, May 21-24.

Autism Chair Tracey K-L thanked the Rotary Family for the support in facilitating the Autism Seminar on May 18.

President Elect Jedder gave an update on the Joint Installation Ceremony to be held at Sandy Lane on June 27. Chair PP Jerry will be seeking to ascertain support for this annual event.

President Alex reminded members of the educational evening to be held at the Rotary Club Of Barbados West on Tuesday June 02nd where the discussion will be focused on the **Four Way Test**. PDG David will lead the discussion on this very interesting topic. RCoB - South is expected to be in attendance.

Humour!

SAA Vic was confident that he had backed a "sure winner" : **Members were fined for their involvement in Sport—Football and Cricket—The FIFA Saga and the dropping of Shiv Chanderpaul.**

Alas, he did not reap the success sought. So glaring was the shortfall that a recount was asked for by Past Director Freddie

AUTISM SEMINAR - MAY 18, 2015 - Chair Tracey K-L

Over 90 participants converged at the Cave Hill School of Business for the Globe Finance and Rotary Club of Barbados sponsored event “**Impacting Autism through Early Intervention**”, on Monday May 18th.

In a day packed with riveting presentations, useful information and inspiring messages of hope, participants listened keenly to the day’s proceedings. A wide cross section of Barbadians took the opportunity to learn more about Autism, its symptoms, treatment and the potential of living a full life with this disorder.

Senator Kerry-Ann Ifill was equally inspiring in her opening address which challenged persons to engage fully, in spite of their disability.

Grandmothers, grandfathers, teachers, Child Care Board attendants, child care attendants, occupational therapists, psychologists, mothers and fathers all made up the attentive audience.

Many organisations and individuals assisted with this event and today we say thank you to them all!
