WHAT IS A SATELLITE CLUB AND HOW DOES IT WORK?

Rotary has had satellite clubs since 2013. At first, satellite clubs were for people who wanted to join Rotary but didn't have a large enough group to start a club. Unlike regular Rotary clubs, which require 20 members to start, a satellite club can form with just eight members. Satellite clubs also give community members and Rotarians the chance to make a positive difference in a club environment that often differs from their local Rotary club. Like all Rotary clubs, satellite clubs hold regular meetings, have bylaws and a board, and get involved in community service projects. A local Rotary club sponsors the Satellite club and provides advice and support. Satellite club members are Rotarians. Officially, they are members of the sponsor club. Satellite clubs can offer an alternative meeting time, place or approach while maintaining close ties with the sponsor club. All members pay the same amount of dues to Rotary International and to their District, but Satellite clubs can choose to lower their club dues. The invoices for RI and District dues will be invoiced by RCoB; the satellite club members are included on their respective sponsor club's (RCoB) dues invoice. The satellite clubs have a Chair rather than a President.

A satellite club offers the additional benefits of expanding project possibilities, visibility, and the impact of Rotary in our community. It also develops more leaders in our community and the Rotary district.

 May Rotary friends and Rotary ways
 Help us to serve Thee all our days.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
