BEING A ROTARIAN

**Rotary is a crash course in meaningful leadership.**

**Rotary Foundation Minute for July 29/21**

*Did you know that:*

- In 1930, the Foundation awarded its first grant?
- \$500 was awarded to the International Society for Crippled Children.
  - It was felt that more attention should be paid to crippled children, as it was the practice to hide them away.
  - The grant was to uplift the lives of these children.
- In 1936 Rotary Clubs organized Institutes for the International Understanding of Global Issues?
  - Via these Institutes Clubs and Communities were addressed by prominent persons on issues such as the economy, world peace, life beyond borders and scientific advances.
  - The Clubs arranged the local institutes and the Foundation helped pay for speakers' expenses beyond what clubs could pay.

Volunteers from our club were hands-on in partnering with our sister Rotary clubs in Barbados as requested by DG Sonya to lend assistance with the Hurricane Elsa relief efforts held at CBC Television, in the Pine, St. Michael on July 16th and 17th.
