**THE ROTARY CLUB OF BARBADOS
WELCOMES ALL VISITING ROTARIANS AND GUESTS**

Mar 07 - Club Charter Date - 1962 - Club # 6798

RI THEME: ROTARY SERVING HUMANITY

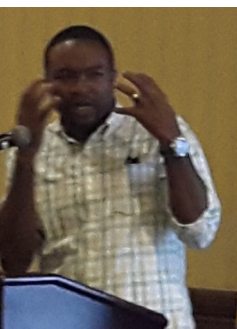

ROUNDUP AND RECAP : March 30, 2017

Today's meeting was dedicated to our Youth. There was a presentation by Mr. Corey Layne Founder of the Nature Fun Ranch and we "Bid Farewell" to the outgoing President of the UWI Rotaract Club, Danielle Callender, and welcomed the in-coming President, Misty Marin.

GUEST SPEAKER: Corey Layne

We had an interesting and passionate presentation by our guest speaker Corey Layne, who is the Founder & Executive Director of the Nature Fun Ranch (NFR).

He, along with other volunteers, provides a sanctuary for many of our youth, who can range from 5 to 25. These youth may be said to have no other option to influencing the necessary change in their lives.

The Mission

To break the culture of negativity by engaging youth in active, fun filled sustainable lifestyles, in order to cultivate positive and productive social attitudes. ***"Bringing out the positive change in youth."***

The Vision

To develop a youth membership base of outstanding individuals, supported by world-class recreational outdoor nature facilities, which promote positive and healthy lifestyles and engender positive social development.

Corey summarized the journey taken in 1999 by NFR, as a teenager along with four other friends to set up a group which is now a Registered Charity.

The journey has taken NFR from his grandmother's backyard in Black Rock, St. Michael to Trents, St. James and now to Bruce Vale, St. Andrew. At Bruce Vale there is a 10 acre farm, which is leased from the Government in the Land for the Landless Programme.

The Ranch is inspiration to many children/young adults who have no options. During the week there are approximately 30 – 40 young persons. This number increases at the weekend. It is an outdoor programme dealing with animals, including horses and sheep, poultry and farming.

Feedback from the Government Agencies, Schools and parents has been very positive. The Ranch has attracted both local and international support and was visited by "Prince Harry", Prince Henry of Wales on December 01, 2016 whilst on his Official Visit for our 50th Anniversary of Independence.

A summary of the programme is on our website.

President Lisa thanked PP Jerry and his Partner in service, Deidre for hosting the "after" fellowship event. The Treasure Hunt had been postponed. She also bade farewell to Director Annie who was taking up a new assignment.

UWI ROTARACT

We also heard from the current President Danielle Callender of Rotaract UWI who is handing over to the new President Misty Marin.

They extended a special invitation to our members to attend their club Installation Ceremony and Reception scheduled for Friday April 7th at 7p.m. on the Cave Hill Campus. A contribution of \$50 is requested. Interested Rotarians are asked to RSVP to Director Neal by Friday morning.

Also, they thanked the Club for its continued support, wished the Club well and asked that we continue to support the Rotaract Club as she hands over to Misty.

Danielle has completed her Law Degree and will be going on to the Hugh Wooding Law School in Trinidad & Tobago to complete her legal Certificate.
