Jan 30 Fellowship Meeting

At last week's Fellowship Meeting our resident SAA was on hand to discipline the Club in his usual fashion. Dir Arlene acted as Co-SAA and quizzed the Club on upcoming events including MUN, President's Party and District Conference.

AG Lisa gave the Club an update on MUN and explained MUN's new format. She said that MUN is in its 8th installment and this year the topic is Climate Resilience. MUN kicked off on Saturday January 25, and training continues every Saturday at 9:00 a.m. Among other things AG Lisa pointed out that with the new format the participants will all now be Heads of Government of their respective countries. She added that the focus would be: "Small Issues Matter", the finale would be over a two week period and there would also be some outside participants included.

AG Lisa took questions from the Club and encouraged members to come on out and lend their support to MUN.

SIGNATURE- PART 1 CHARTING YOUR CAREER

JANUARY 25, 2020
TREASURER SHAUNTE CARTER

Our third running of Signature started on Saturday January 25th, 2020 with the first part of the series, a mini career showcase, entitled "Charting Your Career". I started with the opening remarks after which President Peter Williams from our Sponsor Club, Rotary Club of Barbados, dealt with housekeeping matters.

The first presenters were Kaila Headley and Liana Welch from **DocuCred Barbados**, a micro business which focuses on the job applications process as well as business plans and proposals just to name a few. Their topic was "CV Writing & Interview Tips: From Entry to Executive". They gave advice on how to write an effective CV as well as how to be best prepared for a job interview. Although tips for management applications weren't touched on as advertised, it was still a good refresher for those in attendance.

The second presenters were Rtr Tracey Knight-Lloyd and her mentee Janelle Edwards, whose backgrounds are both in marketing. They spoke on the topic "The Ultimate Guide to Social Media Branding", in which Tracey allowed Janelle to take the lead. Their presentation, as the name suggested, focused on how to build your social media brand for both personal and professional use and how the two are interrelated. It was engaging, very informative and interactive, even though it was interrupted by a parade for about five minutes.

Persons, especially the guests, maximised the opportunity to interact with our presenters following the event. Some first-time visitors asked about joining the club including the presenters from DocuCred. Writing material was provided by **BL&P** and a brochure was also prepared with the presenters' bios, the agenda and menu. Four attendees won door prizes, which were three gift baskets compliments of **Loyd Teas** and two tickets to "Signature: The Strut Edition".

Approximately 40 persons were in attendance, including President Peter and YSD Makonem Hurley from our Sponsor Club, Rtn Alicia Simmons from **Rotary Club of Barbados West** as well as President Alisha Headley, Vice President Shem Scantlebury and Secretary Lyanne Lowe from the **Rotaract Club of South Barbados**.

Special mention must be made of Barbados Light & Power for hosting us, our Main Photographer for Signature, Graham Belle of Belle Imagery, also Pro Dev Director of Rotaract Club of South Barbados, Shanice Baird of Heavenly Catering for the tasty refreshments, Loyd Teas and Ari Caribbean for the presenter's token gifts.

Rotary Accounts

The Rotary Club of Barbados has two accounts – its Club Account and its charitable account, Rotary Trust Fund Projects Inc. In keeping with RI practice, funds raised for community service work are kept separate from the funds used to run the Club, which come from dues and other membership charges. The funds are not comingled.

A reminder to all Rotarians that payments for Club activities should be paid to the Rotary Club of Barbados and payments for fund raising events are to be made to Rotary Trust Fund Projects Inc. Similarly, when companies issue invoices for a fund raising or community service activity, these invoices should be issued in the name of Rotary Trust Fund Projects Inc.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
