THE FOUR WAY TEST

Of the things we think,
say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

THE ROTARY CLUB OF BARBADOS WELCOMES ALL VISITING
ROTARIANS AND GUESTS

Mar 07 - Club Charter Date - 1962 - Club # 6798

RI THEME: ROTARY CONNECTS THE WORLD

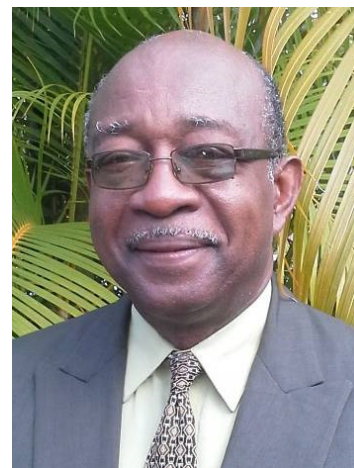

Today is a Fellowship Meeting with
a Video on The Rotary Foundation
Our Greeters are:

AG Lisa Cummins & Dir Arlene Ross

We share Fellowship in Lighthouse Restaurant

In Memoriam Rtn. Berkeley Blades

Classification: Real Estate Sales

Past Director Berkeley Blades joined the Club on February 24, 1994. He served as Director Community Service 1998-99 and twice as Chairman Children's Homes 1996-97 and 2002-03. Bee indicates that "I have personally visited every government children's home during my tenure as chairman of that committee." Bee has always taken a keen interest in the environment and was a member of the Barbados Environmental Association prior to joining Rotary. He has been instrumental in securing "Flags" and "Banners" for the Club.

For 2014-15 Berkeley served on the Children's Homes & Environment Committees and for 2015-16 continued to serve on the Children's Homes Committee.

President Jedder in his year 2015-16 chose a novel way to engage the club to become more community focused.

The Rotary Theme was – Be A Gift to the World

He chose 12 Rotarians, one for each month, and challenged them to Make a Difference. He said he chose the "quiet" Rotarians.

Berkeley presented on his Community Challenge for January, where he refurbished a bathroom on Ward of the Geriatric Hospital. (See RotaNews March 17, 2016)

For 2016-17 he served on the Guest Speaker & Classification Talks Committee

For 2017-18 he served on the Drug Awareness Committee

For 2018-19 he served on the Environment and the CPR & Safety Committees

For 2019-20 he served on the Archives Committee

There is one Club occasion where he will be especially missed – he was a faithful attendee at the Senior Citizens Christmas Party at Government House

May he Rest in Peace—Requiescat In Pace

District Rotaract Rep. Ms. Anya Blankendal

Born on January 17th, 1990 in Paramaribo Suriname. Studies Building and Construction Architecture at the Anton De Kom University and on the verge of finishing her thesis.

She joined Interact in 2007 and Rotaract in 2009. Over the years she has held several positions. Director Professional Development, Club Service and Public Relations. Secretary, Vice President and President twice.

She has attended several District Events. 8 Rotary/Rotaract conferences, 2 DLT's and 1 RI Convention.

She likes to keep busy with the things she enjoys most. She is somewhat self-employed where she creates event invites and memory slideshows. She also hosts and manages events and is proficient in Autocad where she uses this skill to create designs for residential and commercial properties.

When asked to sum herself up in a few words this is what she had to say. "I have a very creative personality. I can easily make something beautiful out of an ugly nothing. I have a very joyful character. There is always music playing in my head and that's why I always dance even when there is no actual music playing and what most people don't know is that I can be very sad at times but you will never see it unless you look past the dancing and continuous laughter."

The Rotary Foundation

What is "The Rotary Foundation"?

As members of the Rotary family, we from time to time hear mention of "The Rotary Foundation", but do we know anything about it?

Well, fear not because it so happens that in the Rotary International calendar, November is dedicated to "The Rotary Foundation", so let us get to know about this organisation and its purpose. The following words by Arch Klumph, founder of The Rotary Foundation *"We should not live for ourselves alone, but for the joy in doing good for others,"* gave birth to "The Rotary Foundation" ("The Foundation") back in 1917.

It was created to aid in the funding of humanitarian activities, from local service projects to global initiatives. Clubs or Districts can apply for grants from the Foundation to invest in their projects and provide scholarships, empowering clubs to approach challenges such as poverty, illiteracy, and malnutrition with sustainable solutions that leave a lasting impact. The Foundation also leads the charge on worldwide Rotary campaigns such as the eradication of polio and promoting peace.

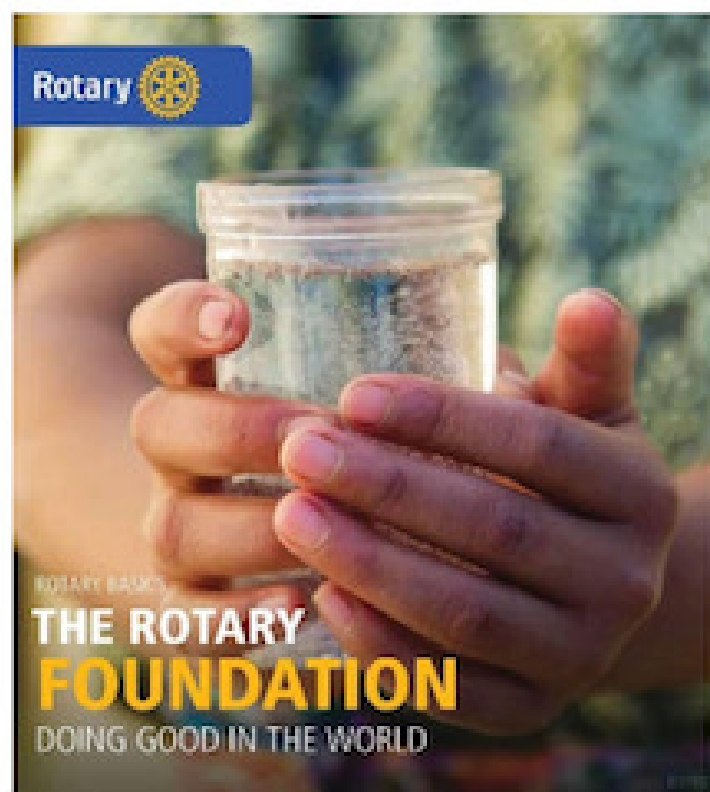

Rotarians and friends of Rotary support the Foundation's work through their voluntary contributions to the Annual Fund. These contributions help Rotary clubs create positive change within their communities and around the world. They also help strengthen peace efforts, provide clean water and sanitation, support education, grow local economies, save mothers and children, and most notably fight disease.

US\$4 billion has been spent by The Rotary Foundation on life-changing, sustainable projects worldwide throughout its 100-year history. Grants from The Rotary Foundation support over 1,000 projects every year. 2018 saw, The Rotary Foundation providing more than US\$86 million to 1,306 grants.

- US\$35.6 million given for disease prevention and treatment
- US\$18.7 million given to water and sanitation projects
- US\$10.9 million given for education and literacy projects
- US\$10.5 million given for growing local economies
- US\$7.2 million given for saving the lives of mothers and children
- US\$3.5 million given for efforts promoting peace
- What impact can one donation have?
- For as little as US\$0.60, a child can be protected from polio.
- US\$50.00 can provide clean water to help fight waterborne illness.
- US\$500.00 can launch an anti-bullying campaign and create a safe environment for children.

How can we engage with The Rotary Foundation?

Signup and login to my.rotary.org and give today to the fund of your choice and earn a certificate from the Foundation when at least five members of your club contribute US\$50.00 or more during the Rotary year. Collaborate with our Sponsor Rotary Club on projects when seeking global grants funding.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
