REVIEW OF CLUB FORUM—SEPTEMBER 30, 2021

Last Thursday was the first Club Forum of this Rotary Year. The Board gave a review of the activities which had so far taken place. In addition there was discussion on moving the Club forward.

SUMMARY OF THE MEETING

President Robin welcomed all to the meeting

The Prayer was said by Rotarian Kim

Creator and sustainer of all that is and will ever be, accept our thanks for this day and all its blessings

In this particular time of the COVID pandemic with the recent increase in cases and deaths, we ask You, Heavenly Father, to show Yourself in a mighty way.

We ask for those infected with the virus, that you strengthen their bodies so that they can fight off the disease.

We pray for Your comfort and peace for those who have lost family members

We ask for your special protection for Dr. Corey Forde and all the health care workers on the frontline, who are feeling the physical and mental strain of this recent upsurge. Give them the endurance and fortitude to withstand the burden placed on their shoulders, strengthen them and equip them for the task.

We also ask for protection for all first responders, and essential workers.

We ask that you give hope to those who are suffering economic hardship as a result of the pandemic

We ask You to lead and guide our elected officials who are called upon to make difficult decisions through all of this.

We pray especially for children and youth, teachers, and school administrators as they try to find a new normal in the school system.

Give them hope and the assurance of Your love and presence.

This situation has given rise to anxiety, fear and doubt, help us to remember that while we are not sure what tomorrow holds, but we are very sure who holds tomorrow.

With assurance comes faith

REVIEW OF CLUB FORUM—SEPTEMBER 30, 2021

We thank You for our health which we have taken for granted, but which this pandemic has shown is only through Your grace and favour and we offer You our thanks. Keep us well so we can serve You and our fellow man.

Today at this Forum we are thankful for our club leadership. We're thankful they're willing to give their time and their talent, willing to risk, and willing to inspire each of us.

We're thankful for their sacrifices and their ingenuity. We're thankful for their experience and wisdom.

We're thankful that Rotary brings together and provides opportunities to improve our community and our world.

We ask You to guide and inspire our Forum this evening and grant us great success.

May we be challenged to give our best and may we be assured of Your presence with us. Amen.

SAA Randy-Ice Breaker- Guess This PP

We were challenged to identify correctly two of the following three things about this Rotarian -

1. I was on the site of Hiroshima, Japan

Secretary Ermine - Citations

We have received Citations over the past two years. We are down on our planned contribution to the Rotary Foundation and in particular to Polio. The meeting of the level of Membership as set by the District, not withstanding that we are the largest Club in the District.

Comment—

PP Ron -We need to keep all members engaged and not be focused on growing membership

PP Paul—What is the optimal size of our Club? What is the policy of transitioning membership from Rotaract to our Club?

OTHER BUSINESS

Rtn. Steve asked why we had focused so much on the Board Reports instead of using the Forum as looking at the way forward and strategic emphasis of the Club

PDG David—the Lecture Series, in this first instance had 38 persons, mainly Rotarians and was not an encouraging format

PP Ron - As far back as 2010, PP Grenville suggested that we move away from a Presidents Project to a Club Project. The Water tank will have to be sustained and maintained by the Club.

The PE Tracey project cannot be a one year project. It is too important. Has to be budgeted for

PP Brenda-A provision has been made for 10% of profits of Fundraising events is held for the maintenance of projects. Dine Around the former "Guess Who is coming to Dinner?"

PP Peter - Continue the painting at BoView—October 09

PP Ron - If not policy, we could encourage PEs to set aside a line item to facilitate the maintenance from fund raising events.

PP Paul— Looking at sustainable projects—it had been "agreed" to provide 10% to past projects and 10% to facilitate payments for the School House. In addition incoming Presidents should not be hamstrung, but encouraged to review and analyse the community needs and seek to satisfy them. The first forum should be used to look at the broad strategic plans for the Club and the second forum in the new year would be used by the PE to present the plans and objectives for the coming year.

We need to impress on members the importance of the Forum and have an Agenda which will excite them. Encouraging input for the Agenda.

President Robin

Before closing, the 12 Members of the RotaNews Team were thanked for the weekly efficient production of the publication.
