The Four Way Test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Interact St.Michael's School

On Monday Oct.29, 2012, President Tony addressed the students at the St. Michael School during their morning assembly. This was followed by the installation of the new board. He provided some insights both about Rotary and Interact.

He explained to the students, that Interact was a vehicle via which they can get involved in various activities and that Interact can mould them to becoming citizens and leaders of tomorrow.

In summary, he suggested that via Interact they could develop leadership skills, helpful attitudes, an understanding of the world, build friendships and relationships and still have fun.

Joint Training Seminar

The 3 clubs held a joint Seminar on Saturday November 3rd at the Barbados Community College. Several Rotarians made presentations which will be sent via emails to benefit those who did not attend. It was very informative and all the presenters did a great job delivering their topics such as membership selection; PP Lionel Moe delivered this topic effortlessly.

Every Rotarian Every Year November 2012 Doing good in the world

1. Doing “good” just got easier

Rotary Direct, Rotary's recurring giving program, saves time, money, and lives. Contributions go directly to The Rotary Foundation, resulting in faster processing and quicker achievement of your club and personal charitable goals.

Enrollment is as easy as one, two, three: (1) Select your fund,
(2) choose your amount, and (3) indicate how often you wish to contribute. Sign up once to give continuous support at

2. Five tips for increasing your club's Foundation giving

Over the past four years, the Rotary Club of Honolulu Sunset, Hawaii, USA, has averaged \$803 in per capita giving. District Annual Giving Subcommittee Chair Richard Zegar offers his top tips for increasing your club's giving:

- a. Select committed Rotarians to serve in fundraising positions for several years in a row. This consistency contributes to an "atmosphere of giving."
- b. Meet one-on-one with members to discuss The Rotary Foundation's work. Then ask them to join you in supporting the Foundation.
- c. Recognize new members by making donations to the Foundation in their names. Not only will you introduce them to individual recognition opportunities, but you'll also encourage their continued support. (<http://www.rotary.org/en/contribute/donorrecognition/individualrecognition/Pages/ridefault.aspx>)
- d. Use Foundation reports to inform members of their current recognition levels and encourage them to reach the next level. Acknowledge club members who attain higher giving levels. (<http://map.rotary.org/en/selfservice/Pages/login.aspx>)
- e. Explain how effective and efficient The Rotary Foundation is compared with other charities. For example, tell members that 100 percent of their donations fund programs.
