## PRESIDENT'S NEW YEAR MESSAGE

We have started a new decade, one filled with new opportunities for each of us as Rotarians and for our Club. The world around us is changing at a faster pace than ever before, with the advent of new and exciting technologies, new cultural practices and norms, and new challenges. We can try to ignore the changes that are occurring, but it does not mean that they will 'go away'. Instead we must adapt. How well we adapt will determine whether our Club thrives or not, and the contribution that we will be able to make to our community and to our world.

While we may be unsure of the best route to take, we cannot achieve anything by standing still. We must make choices. As the famous American baseball coach, Yogi Berra, said - *"If you come to a fork in the road, take it."* Indeed, not all of our decisions will be absolutely correct, but if we work together we can reach higher heights. This brings to mind an old Japanese proverb which states that *"None of us are as wise as all of us."*

I encourage all of us to take to heart the words of President Barack Obama - *"Change will not come if we wait for some other person or some other time. We are the ones we've been waiting for. We are the change that we seek."*

A blessed, happy and healthy 2020 to my fellow Rotarians and their families.

Yours in Rotary  
President Peter

**JANUARY IS VOCATIONAL SERVICE MONTH**

*"Rotary's greatest strength will always be the individual Rotarian. No other organization has such powerful human resources."*  
Past RI President Glen W. Kinross 1997-98
