**Rotary International President for 2025-26**

Meet Mário César Martins de Camargo, a member of the Rotary Club of Santo André, São Paulo, Brazil, has been selected to become **Rotary International President** for 2025-26.

He will officially become the nominee on September 15<sup>th</sup> if no other candidates challenge him. De Camargo plans to boost

Rotary’s public image by working from the top down. “Rotary today has strong competition for members and funds,” he says. “We need to rejuvenate the brand, especially in some zones. We should utilize post-pandemic meeting tools ... to allow the president to address Rotarians all over the globe. We also need to develop more long-term partnerships with political, community, and business leaders. Let’s emphasize our greatest asset: 1.4 million volunteers.”

He also hopes to improve Rotary’s process for appointments and governance.
