Seven Ways to get more out of Rotary in 2013

By Antoinette Tuscano
Rotary International News - 2 January 2013

Try something different in 2013 to attract new members and keep existing ones. Here are a few ideas to help you do more with Rotary in the new year.

Be part of Rotary's efforts to End Polio Now

Consider planning a fundraiser for polio eradication, taking part in the [World's Biggest Commercial](#), or having your club or district [light up a landmark](#) as part of Rotary's anniversary celebration on 23 February. Rotarians have made great progress in the push to end the disease, but the job isn't finished yet. As little as US\$0.60 can help immunize a child against the incurable disease. [Contribute to PolioPlus](#), and [learn more about Rotary's eradication efforts](#).

Think strategically and set club goals

Rotary Club Central is an online assessment tool that helps clubs set goals and track their accomplishments, such as contributions to The Rotary Foundation. New features have just been added that allow clubs to plan and track service projects from beginning to end, and set public relations goals. Log in through [Member Access](#), and help your club work more efficiently by using the tool to set and measure club goals.

Help the Foundation fulfill its mission

Make a resolution to donate to the Foundation's [Annual Fund](#) in 2013. Skip one latte a week, and you'd have US\$100 or more to contribute to your club's Every Rotarian, Every Year effort. You can [make a one-time contribution](#) or a [recurring gift](#).

Get up to speed on the new grant model

In July, all districts will begin using the Foundation's new grant model. Get prepared by [learning more about the model](#). See what [Rotarians have to say about the model](#), read a [global grant case study](#), and check out a [guide to the new grants](#) in *Global Outlook*.

Get inspired at the RI Convention

The 2013 RI Convention in Lisbon, Portugal, 23-26 June, is an ideal opportunity to network with Rotarians from all over the world, develop your leadership skills, and connect with others who share your recreational, professional, or humanitarian interests. Lisbon was recently voted as the best quality for the price destination in the world and the friendliest city in Europe by TripAdvisor's annual poll of users. Discover why Lisbon is an explorer's paradise on our [convention microsite](#), and [register today](#).

Publicize your good work

[Public Image Grants](#) enable districts to raise Rotary's profile and promote the global and local work of Rotarians by placing public service announcements on television and radio, in print media and on billboards, and on the Web. Help your district apply for a grant by 4 March. To further promote your club's signature activities, be sure to update your website with information about your projects and meetings. Also, start a [social media](#) page, and follow what Rotary is doing on sites such as Facebook and LinkedIn.

Connect with alumni

Rotary Foundation [alumni](#) can be effective speakers at club meetings, and many are potential club members. Reach out to them.

Hats the make kids smile ☺ !!!

By Harriet "Pepi" Noble, a member of the Rotary Club of Mechanicville, New York, USA

There were a lot of happy, smiling faces out there in our community recently, as the beautiful and colorful Hats For A Purpose were distributed to local schools to help warm the hearts and heads of kids who needed them.

Drug Awareness Programme – 2013.

1. The annual Drug Awareness Programme involving visits to the Verdun House, the Psychiatric Hospital and H.M. Prisons by Secondary School Students commences on 5th February, and is expected to conclude on Thursday 14th March, 2011.
2. The programme which has been running for several years takes the form of visits to the abovementioned institutions by students of Secondary Schools as our contribution to the national effort to heighten drug awareness and to assist in the control of drug abuse by the youth.
3. This exercise provides students with an opportunity to visit these institutions with the view of meeting with inmates, and hearing and learning of the impact of drug abuse on those affected.
4. A Rotarian is required to accompany the students on each of the visits arranged. The Rotarian selected is expected to be at the institution by 9.30 a.m. to receive the students and remain with them during the visit which should end no later than 11.30 a.m. You should then request to have the students submit a collective report on their visit sometime before the end of March, 2013.
