Fellow Rotarians;

You are being asked to make a donation in support of the suffering families in Haiti who were recently struck by Hurricane Issac. Due to delays and costs associated with shipping other materials, financial donations are required as a matter of urgency!

At least US\$50.00 per individual will be highly appreciated and we can all agree a reasonable contribution for this cause.

Kindly make your donations payable to "The Rotary Club of Barbados" and Treasurer Ivan will be more than happy to assist you. The Club will in turn match the donations received and forward the proceeds via Rotary to an account which is being managed by Rotarians. This is to ensure that the funds are channeled to the correct destination.

Please make your contributions no later than September 30, 2012 as we are aiming to forward the proceeds by October 01, 2012. Please be guided accordingly.- *President Tony.*

Tropical Storm Isaac swept across Haiti's southern peninsula, where it caused flooding and at least three deaths, adding to the misery of a poor nation still trying to recover from the terrible 2010 earthquake.

what Others Are Saying:

“Rotary has the ability to organize campaigns to mobilize support for some of the worthiest causes that exist, and that makes Rotary a precious resource.”

Rotarians sailing on the High seas

Several Rotarians enjoyed an entire day of fellowship and fun. Approximately 20 persons participated and were spread on the three boats provided by PAG Roger Smith, PP John Cabral and Rotarian Ron Davis.

The boats set sail between 10.00 and 10.30 am and sailed down the west coast. They anchored off Mullins Bay in St. Peter where the time was spent relaxing both on the boat and in the water.

They returned to port in Bridgetown around 5.00 p.m. Good fellowship was enjoyed and we look forward to next year's sailing.

Hope you enjoy the pics!

Beach Cleanup – Saturday Sept.15, 2012.

The Environmental Protection Department (EPD) of the Ministry of the Environment and Drainage will be hosting its annual cleanup of the Morgan Lewis Beach on Sat. Sept.15, 2012. The RCOB is again supporting this initiative and Rotarians are encouraged to join team of Interactors and Rotaractors who will be participating in this venture.

Volunteers are asked to assemble at the front of the **CONRAD HUNTE SPORTS CLUB**, Shorey Village, St. Andrew no later than 5.50 am. At 6.00 am all volunteers (Rotary and others) will be shuttled from the Sports Club to the beach area which is to be cleaned.

Volunteers are asked to bring their own gloves and sanitizer. Please ensure that you wear comfortable enclosed footwear. The EPD will provide water and refreshments but volunteers are free to bring their own water and beverage. See you on Saturday.
