THE FOUR WAY TEST

Of the things we think,
say or do:

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Educating in a pandemic and beyond

Education is no easy task

The UN Sustainable Development Goals, a blueprint for creating a more just world, has named “quality education” as its fourth goal. One target of that goal is ensuring that by 2030, all children have the means to complete a “free, equitable, and quality primary and secondary education.”

Education is complex and requires many components. Successful learning is built on a foundation akin to Maslow's Hierarchy of Needs

School closures, job losses, and need for physical distance have further complicated things.

Fortunately, Rotary has a history of tackling the world's most challenging issues. Members, some with years of experience in education, are addressing the needs that lie ahead.

ROTARY GRACE

O Lord and giver of all things good
We thank Thee for our daily food
May Rotary friends and Rotary ways
Help us to serve Thee all our days.

Fundraising Under LockDown

With barbecues, golf tournaments, concerts, and several other types of events on hold or significantly restricted due to COVID-19, many clubs are finding their ability to support projects has been severely hampered because their regular fundraising activities have either been postponed or cancelled. No money in means no money out!

However, Rotarians are nothing if not innovative and there are a number of novel ways that clubs are using to raise money. These are just some examples that you might like to consider for your own club:

- Holding an on-line Trivia Night.
- Donating the money that members have saved by not having to pay for the meal they would be having during their usual face-to-face meeting
- Holding an on-line Silent Auction of a donated painting or piece of art or a special service
- Holding a Virtual "Pooch Parade" where people pay a small fee to enter their dog in various categories.
- Setting up a sewing group and sewing Rotary face masks which can be sold/donated (check with the Rotary Brand Centre for design requirements!).
- Host an alternative drive-in or drive-thru event where health and safety precautions may be maintained.
- Host an online or traditional broadcast telethon

If you or your club members have an interesting or innovative way of raising funds during COVID-19, please feel free to share your story with the District PI Team.

OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

FIRST: The development of acquaintance as an opportunity of service;

SECOND: High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

FOURTH: The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.
