ROTARY INTERNATIONAL

Summary taken from the RI Presidential Message for July 2016:

- Important to Rotary's future that our role in the eradication of polio be recognized. Rotary clubs need to get the word through to the communities about what Rotary is and What Rotary does
- We need clubs that are flexible so that Rotary can be attractive to younger members, recent retirees and working people.
- We need to seek out new partnerships, opening ourselves more to collaborative relationships with other organizations.
