## Thank You from President Tracey

On behalf of all the members of the Board and this Club, I want to say a tremendous thank you to Past President Robin and partner in service, Deanne, for their tremendous stewardship. Indeed, past President Robin you were the one to make that first big pivot for the Club, rather than cancel Carols by Candlelight during the height of the Covid pandemic –you successfully staged the event at an alternative venue, allowing our

club to retain this Barbadian tradition. And then providing me with an easy blueprint to follow. Thank you. Your service projects too, particularly the Water Tank project, have made a lasting national impact and for that we say well done.

I also know that you have turned over to me a Club in good standing and for that I am grateful. Partner-in-Service Deanne has also made a tremendous impact on the club. She delivered an excellent presentation to the club, but more importantly,

drew attention to many issues surrounding mental health, of which we all need to be cognizant. Her hospitality shone through, and we enjoyed meeting in the comfort of her home. And thank you for indulging those of us who are tea drinkers! Past President Robin, for me, your support and guidance has been invaluable. I have learnt to be a better listener because of you! And I know that if I send you a message at a certain time on evenings, I know that when your daily sea bath is finished, I will get a response! Past President Robin, thank you for your leadership! Well Done!

## Installation Committee

Special thanks to the Installation Committee of President Tracey, PP Norman, Secretary Jamella, Director Keri, PP Elvin, Treasurer Peter, PE Ermine, PDG David, Rotarians Winston, Malcolm and Tamara for all their assistance. To all of the Rotarians who participated in the program, thank you to all the Past Presidents Bobby, Erskine, Paul, Robin and PDG David. To our Sergeant-at-Arms Randy for steering the ship and keeping us on track and Rotarian Heather Tull for her behind the scenes help as well as on the night presentations!

## Congratulations to the New Board - 2022-23

The newly installed RCOB board 2022-23 with Her Excellency the most Honorable Dame Sandra Mason – President of Barbados and Patron of the Rotary Club of Barbados.

**IMAGINE  
ROTARY**

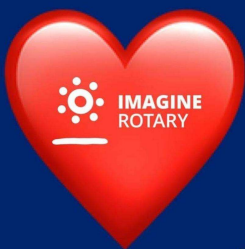

The logo for this year's Rotary International theme was designed by Riki Salam, a contemporary Indigenous Australian artist. The circle signifies our connections to one another. The dots around it represent people and Rotary's seven areas of focus.

The circle and the dots together become a navigation star – our

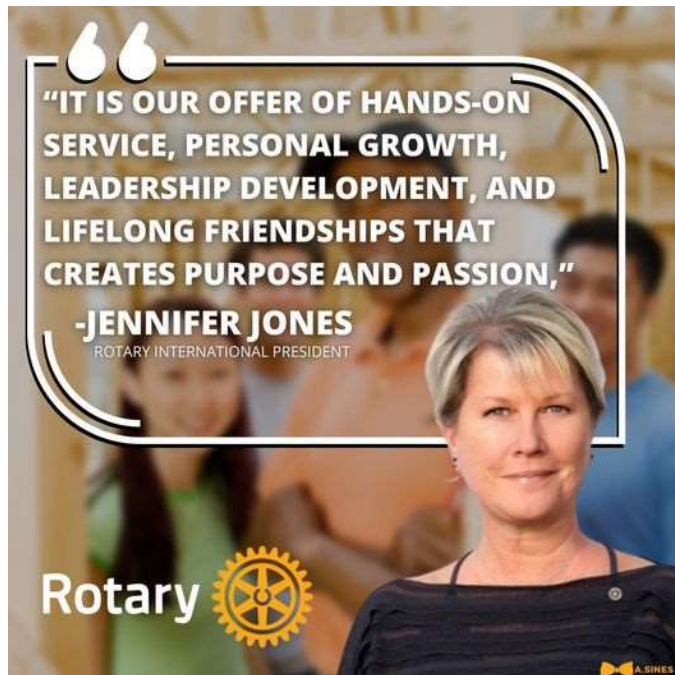

guiding light. The solid line underneath is a digging stick, used when doing hard work. And since Rotary members are people of action – it represents a tool for getting things done.

The colors are purple for polio eradication, green for our environment, and white for peace.

**Rotary** 

**OBJECT OF ROTARY**

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular to encourage and foster:

**FIRST:** The development of acquaintance as an opportunity of service;

**SECOND:** High ethical standards in business and professions, the recognition and the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

**THIRD:** The application of the ideal of service in each Rotarian's personal, business and community life; and

**FOURTH:** The advancement of the international understanding, goodwill and peace through a world of fellowship of business and professional persons united in the ideal of service.

**ROTARY GRACE**

O Lord and giver of all things good  
We thank Thee for our daily food  
May Rotary friends and Rotary ways help us  
to serve Thee all our days.
