The Four Way Test

Of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Weekly meetings on **Thursdays** at
Hilton Barbados
Needham's Point, Aquatic Gap,
St. Michael at 12 noon

P.O. Box 148B, Brittons Hill,
St. Michael, Barbados

Highlights from Monthly Report (Continued)

New Generations

Interact St.Michael's School. On Monday Oct.29, 2012, President Tony addressed the students at the St.Michael School during their morning assembly. After his address, he installed the new Board. In his address he provided some insights both about Rotary and Interact. He told the students that Interact was a vehicle via which they can be involved. It was an organization which could assist in moulding them to be good citizens and to be the leaders of tomorrow. In summary, he suggested that via Interact they could develop leadership skills, helpful attitudes, an understanding of the world, build friendships and relationships and while doing all these things, they can have fun.

Interact Codrington High School – Planning to donate a computer to an indigent party in West Terrace. Also planning an art exhibition as a fundraiser.

Rotaract UWI – Among the projects planned, a guest speaker has been invited to speak to the Club on mental health. A visit is planned to the Ann Hill School. A plan is in place to repaint certain sections of the school. The homework program is to be restarted and a movie night is being planned as a fundraiser.

Vocational Service.

The Director for this area is exploring the possibility of mounting signs with the 4 way test at strategic points on the highway and island wide. The 4 way test is also to be placed on the social networks.

International Service.

International Conference - The International Conference will be held in Lisbon Portugal from June 23-26. Early registration by Dec.15, 2012. PP Elvin is currently trying to secure a package for persons who are interested in attending.

District Conference – The District Conference will be held in Grenada from April 16-19, 2013.

GSE –GSE student Akilah Thornton returned from Cardiff, District 1060 on Nov.04, 2012.She will be invited to address the Club in due course.

RYLA –RYLA will be held in Guyana in January (no date identified as yet)

Community Service.

Heartbeat International – This program is facing a number of challenges. Principal challenge is the unsuitability of the “Cath Lab” the area where the pacemakers are implanted. This situation will continue until a promised new ‘Cath Lab and Angiographic Suite’ is developed. No timeframe is available when this will be done.

Childrens' Homes – A talent show/party is being planned for the children in the Homes. It is slated for Jan.21, 2013 the Errol Barrow Bank Holiday.

Environment – A recycling programme is being launched at The Lawrence Primary School.

Seniors – The Senior Citizen's Xmas Party will be at Governemnt House on Dec.02,2012.

President's Project.

Refurbishment of the two wards at the Geriatric Hospital was started on Oct.22 and is scheduled to be completed by Dec.03. Rotarians are expected to assist with the painting towards the end of this project.

Treasurer's Report

The Club a/c is in deficit \$3,644.00 in deficit. The major contribution to this is from the President's Installation when catering was provided for members who confirmed their attendance but then did not attend the function.

Notice:

Follow Rotarians,

Your presence at Interact and Roteract clubs meetings is very important. In an effort for us to have a stronger presence in those clubs The NGS committee will be circulating a roster shortly. More details will be provided via emails.

Meeting Details

At our Fellowship Meeting held on Thursday, November 8th, 2012

Sgt-at-Arms: **PP Anthony Reece**

- Fines \$191.50
- Raffle \$30.00
- Attendance 59%

Tips!

Every Rotarian Every Year

November 2012

Doing good in the world (Continued)

3. Canadian Rotarians inducted into Arch C. Klumph Society

The Rotary Foundation recently inducted six couples from Canada into the Arch C. Klumph Society, which honors donors who give US\$250,000 or more to the Foundation. The Canada Day induction ceremony took place at RI World Headquarters in Evanston on 25 October.

Inductee Sandy MacKay said he and his wife decided to join the society after they received a request from Trustee Chair Wilfrid J. Wilkinson. "I think that for the Arch C. Klumph Society to grow, more high-level asking must be done," says Past Governor MacKay of District 5360 (Canada - parts of Alberta and Saskatchewan).

4. New process for submitting your club giving goals

A new online tool is saving trees and saving time for club and district leaders. Rotary Club Central lets club officers set and submit their club's Foundation giving goals online. The tool replaces The Rotary Foundation Fund Development Club Goal Report Form and offers a clear and simple method for capturing and monitoring Foundation giving goals. District leaders also have access to their clubs' information and can make updates as needed.

(<http://www.rotaryleader-en.org/rotaryleader-en/en201209#pg3>)

5. Member Access: Have you logged in recently?

Member Access

(<http://map.rotary.org/en/selfservice/Pages/login.aspx>) isn't just a tool for updating your contact information or paying dues.

It's an online destination offering a variety of useful information and functions that can enhance your Rotary experience.

If you haven't explored the site for a while, here are three reasons you should log in to Member Access.

a. Track club goals. Launched in July, Rotary Club Central makes it possible for you to monitor your club's progress and achievements in three key areas: membership initiatives, service activities, and Rotary Foundation giving. Once you've entered this data, your club members, district governor, and assistant governor can also follow your accomplishments.

b. Publicize your projects. Through Rotary Showcase, you can promote your club's achievements to other Rotarians and Facebook friends. Add your project or browse the site to see the good work other clubs are doing.

c. Sign up for training. Learn about Rotary's Strategic Plan, six areas of focus, and how to apply for the Foundation's new grants. Each course includes resources and its own online community where you can talk with other participants and course moderators. Go to learn.rotary.org and register for a course today.

6. First projects launched with strategic partners

Rotarians recently implemented some of the first projects undertaken with the Foundation's strategic partners. A vocational training team from Nigeria visited Aga Khan University's School of Nursing and Midwifery in Uganda, where they shared their expertise in nursing education with faculty. In the Philippines, Rotarians are working with clients of Alalay sa Kaunlaran Inc., a microfinance institute in Oikocredit's network, to improve business skills and strengthen their market presence by forming small cooperatives.

Packaged grants offer unique opportunities for qualified Rotary clubs and districts to work with the Foundation's strategic partners. These grants support projects that fall within the six areas of focus, and they are fully funded by the World Fund and the strategic partners. You can support the World Fund and Rotary's work in the areas of focus by making a contribution to the Annual Fund at <http://www.rotary.org/en/Contribute/Pages/ridefault.aspx>.

More to come in next week's Bulletin!
