RECAP OF OUR JANUARY ACTIVITIES TO DATE:

Today's meeting is a Fellowship meeting

Our Greeters are

PP Erskine Thompson and Rtn. Arlene Ross

Today is a Classification talk which will be presented by Rotarian Jeff Evelyn whose classification is Security Systems and Services.

" a rolling stone gathers no moss" and this January we were busy gathering no moss.

• **Our January 3 meeting was the first for the 2019 year. Reports were given by Directors Tracey Knight-Lloyd, Makonem Hurley, Dir. Michael Browne, PP Ron Davis and PE Peter Williams.**

Director Tracey thanked all those who contributed to the success of Carols by Candlelight 2018. Through kind corporate sponsorship the Club was able to maximise its advertising investment which resulted in a successful Carols for the benefit of those in need—being why we do what we do.

Director Makonem advised of the upcoming activities of our Rotaract Clubs noting in particular the Rotaract Club of Barbados' signature event entitled "Signature" which is scheduled to take place at MQI, Wildey, St. Michael on Jan. 19 at 4:00 pm. This event is their flagship fundraiser and all are invited. The cost per person is \$50.00. Director Makonem also requested all those who ordered new Rotary shirts to contact him to collect them.

Director Michael advised the Club of the attendance to date noting that while there were some persons with 100% a concerted effort ought to be made to attend meetings. He also advised that he reviewed the various classifications of members as well as upcoming guest speakers.

PP Ron reminded the Club that all persons must account for their ticket sales without delay so that the final tally can be made.

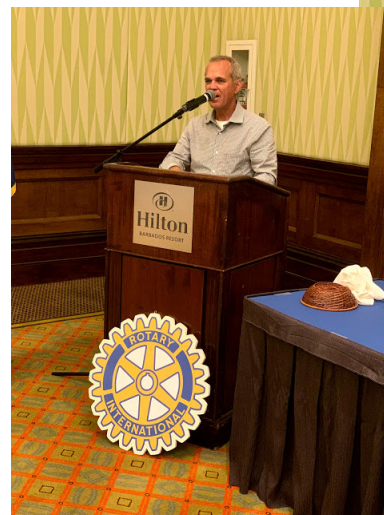

PE Peter reported on the success of the Carols by Candlelight event and thanked the Club for their contribution and assistance on the day. He noted that a post-mortem will be had to discuss the event and the Club will be advised in due course in this regard.

PRESIDENT SHAWN advised the Club of the upcoming visit to Barbados by the DG, Dominique Véneré.

AND YES, THERE WAS A RAFFLE WINNER:

And not to be forgotten, we congratulate Rotarian Commander Willie Kirton on being Winner number 1 of our Raffle held on Jan 3, 2019.

JANUARY ALSO SAW US MEET AND GREET DISTRICT GOVERNOR DOMINIQUE VÉNERÉ ON HER VISIT TO BARBADOS.

DG DOMINIQUE visited each of the Clubs where she received detailed reports of their activities. After she met with our Board who apprised her of our activities, and also apprised her with a preview of upcoming activities, she then visited LITE Primary School, a school for all children including special needs children, where we had donated specialized reading material and play equipment for the benefit of the children. This visit was then followed by one to Tweedside Road, where the DG saw one of the kitchen gardens installed under the Sustainable Living Project. Above right: Pres. Shawn with the DG discussing the sustainable kitchen garden. DG had a productive meeting with both our Interactors and Rotaractors and of course the DG met the three Clubs for a night of fellowship at the Radisson Hotel. Held in the Courtyard at the Radisson on Tuesday Jan 8 the Rotarians of each Club had a chance to meet and greet DG (in English and in French—(un petit peu) while enjoying wine and hors d’oeuvres.

ROTARY INTERNATIONAL NEWS

ROTARY CONNECTS THE WORLD

President Elect Mark Maloney proudly opened his arms at the International Assembly held in January in San Diego, California, USA to announce the Rotary Theme for 2019 to 2020 to the incoming district governors. Rotary International President Elect [R.I.P.E.] Mark Maloney “explained his vision for building a stronger Rotary, calling on leaders to expand connections to their communities and to embrace innovative membership models”.

In his words, he states that “the first emphasis is to grow Rotary—to grow our service, to grow the impact of our projects, but most importantly to grow our membership so that we can achieve more”

He noted that “Rotary allows each Rotarian to connect with each other in deep and meaningful ways, across our differences”.

The R.I.P.E.’s message resonates with each of us as there can be no doubt that Rotary is a conduit to connect the world for the greater good of those in need and reminds us of those early words of our Paul Harris, in which he encourages us to continue pioneering for kaleidoscope positive change.

Paul Harris
Rotary Founder

“I would like to think that the pioneering days of Rotary have only just begun. There are just as many new things to be done as ever there were. Kaleidoscopic changes are taking place, many of them without our will. Even to hang on to the fringe of this fast-changing world is about all most of us can do. Rotary simply must continue to pioneer or be left in the rear of progress.”
