The Rotary Foundation offered double Paul Harris Fellow recognition for online contributions of \$100 or more.

Rotarians were required to be registered on the Member Access Portal before making a contribution. Changes to the Foundation's online contribution system enabled donors for the first time to contribute in 12 different currencies. Contributions were received from Rotarians in 105 countries; the top five giving countries were the United States, Brazil, Canada, Mexico, and the Philippines.

Rotarians who registered on the Member Access between the 14th September and 14th October were eligible to win 1,000 extra Foundation recognition points through a special drawing. The winner was a Rotarian in Nepal who has chosen to remain anonymous.
