Wills Primary School EarlyAct

On Friday May 12th, the Rotary Club of Barbados, with the assistance of Mr Rowmell Grosvenor and his team, met at Wills Primary School (home of the EarlyAct Helping Hands Club) to deliver step by step, hands-on guidance equipping them with the basic knowledge needed to take care of their newly installed sustainable garden. The Movement Trail, keeping in theme with the Club’s fight against childhood obesity, was handed over to Physical Education teacher, Coach Ward, who will set up an obstacle course to be used at lunch, during PE and after school. The students were excited, engaged and attentive throughout the session and we are certain they will enjoy and reap the benefits of these initiatives for many years to come!
