### Guest Speaker Jason Browne

Jason has entertained and inspired people all over the world. With a Masters of Business Administration from Penn State

University, Jason creates laughs as a member of a U.S.-based Improv company; he reaches millions of people around the world monthly as a partnered Facebook content creator, and charms the airwaves as a radio personality on an award-winning radio show.

Jason is the Past President of the Downtown Rotary Club of State College (PA, USA), Rollin' with Rotary founding members, and a former Zone 28 & 29 Public Image assistant coordinator. Jason has presented to Rotarians around the world at various District Conferences, membership conferences, Presidents-Elect Training Seminars (PETS), Rotary International Conventions, and online conferences.

In his spare time, of which there is very little, he pretends he has skill at playing basketball, enjoys making music, finds peace while kayaking on a summer's day, and desperately attempts to get his three-year old niece to like him.

Jason loves to create meaningful change and have fun along the way. His motto: Use what you love to fight what you hate.
