Rotary Youth Exchange

Students learn a new language, discover another culture, and truly become global citizens. Exchanges for students ages 15-19 are sponsored by Rotary clubs in more than 100 countries.

What are the benefits?

Exchange students unlock their true potential to:

- Develop lifelong leadership skills
- Learn a new language and culture
- Build lasting friendships with young people from around the world

Become a global citizen

How long do exchanges last?

Long-term exchanges last a full academic year, and students attend local schools and live with multiple host families.

Short-term exchanges last from several days to three months and are often structured as camps, tours, or homestays that take place when school is not in session.

What are the costs?

Room and board are provided, as well as any school fees. Each program varies, but students are usually responsible for:

- Round-trip airfare
- Travel insurance
- Travel documents (such as passports and visas)
- Spending money and any additional travel or tours

How can I apply?

Candidates are ages 15-19 and are leaders in their schools and communities. Contact your local Rotary club to see what exchange opportunities are available and what the application process involves.

ROTARY MINUTE

The Rotary Foundation (TRF) transforms your gifts into projects that change lives both close to home and around the world. The charitable arm of Rotary taps into a global network of Rotarians who invest their time, money, and expertise in Foundation priorities, such as eradicating polio and promoting peace.

ANNUAL FUND-SHARE

Annual Fund-SHARE is the primary source of funding for a broad range of local and international Rotary Foundation activities. Every Rotarian, Every Year (EREY) is the fundraising initiative designed to encourage support for the Foundation's Annual Fund.

EREY asks every Rotary member to:

- Contribute to the Annual Fund every year
- Participate in a Foundation grant or program every year
- Through Annual Fund-SHARE, contributions are transformed into grants that change lives.
- Contributions to Annual Fund-SHARE are divided as follows:
 - a) 47.5% is credited to the World Fund.
 - b) 47.5% is credited to the District Designated Fund.
 - c) 5% is credited to operating expenses.

The Foundation uses the World Fund portion to pay for the worldwide grant and program opportunities available to all Rotary districts. Your district uses the District Designated Fund (DDF) portion to fund the Foundation grants and programs of its choice.

The Rotary Foundation's funding cycle makes district contributions available for use three years after they are received. The three-year cycle gives districts time to plan projects and activities and allows the Foundation to invest the contributions. For instance, 47.5% of the contributions received during 2021-22 are available for spending in 2024-25.
